Verifying evidence (VE) must confirm the student's name, date of student performance, content area, AGLI text, assessment task, Level of Accuracy, and Level of Independence. Failure to record all required elements on both the **Data Summary Sheet** and the **verifying evidence** may disqualify the student from receiving a reportable score.

Two pieces of verifying evidence are required for each AGLI (see Administration Manual for complete VE requirements). Verifying evidence must confirm data for TWO OF THE THREE DATES of student performance documented on this Data Summary Sheet.
