Entry 4 Expenditures per Child

Last updated: 07/31/2017

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take total expenditures (from the unaudited 2016-17 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html

Line 1: Total Expenditures	5652347
Line 2: Year End FTE student enrollment	354
Line 3: Divide Line 1 by Line 2	15953

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2016-17 Schedule of Functional Expenses)

2. Any contracted administrative/management fee paid to other organizations or corporations

3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	165943
Line 2: Management and General Cost (Column)	755279
Line 3: Sum of Line 1 and Line 2	921222
Line 5: Divide Line 3 by the Year End FTE student enrollment	2600

Thank you.

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2016-2017 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2017-2018.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Efforts Toward Meeting Recruitment Targets 2016-17)	Describe Plans Toward Meeting Recruitment Targets 2017-18)
Economically	Success Academy Charter Schools use robust outreach efforts to educate families about the option of applying to Success Academy schools. Each School's outreach goal is that every family within the School's Community School District ("CSD" or "in-district") knows about the School and its world-class educational program, so that the family can choose to apply. This level of outreach is critical to reaching typically underserved families within the community, including those targeted by the enrollment and retention targets. All Success Academy schools undertake numerous outreach activities to recruit applicants. Some of the activities that promote the Schools and recruit applicants include: • Mailings and distributions to residents of the School's CSD, • Mailings and distributions to residents in low-income in-district communities, • Mailings and distributions to residents in mixed-income in-district communities, • Targeted distribution of foreign-language materials to foreign-language-speaking individuals and communities within the CSD, as determined by each School, • Advertisements, flyers, and/or marketing materials posted in local newspapers,	Success Academy Charter Schools use robust outreach efforts to educate families about the option of applying to Success Academy schools. Disadvantaged	supermarkets, community centers, and/or apartment complexes, and/or • Open houses at the Schools and informational sessions hosted at public and private venues frequented by families of young children, including daycare and nursery schools. Success Academy's outreach process ensures enrollment of students who qualify for the federal Free and Reduced Price Lunch program ("FRPL"). Outreach to families who likely have FRPL-eligible children includes flyers and applications delivered to public housing apartment complexes, information sessions in community centers, and other strategies listed above. Each School offers a breakfast, snack (one or more times per day), and lunch program to all of its students free of charge. The Schools' leadership and staff also work hard to help ensure that challenges in the home do not impact student learning or prevent students from receiving a top-notch education. These efforts go a long way toward ensuring that students who are eligible for free and reduced price lunch have an opportunity to access the educational programs offered at the Schools.	supermarkets, community centers, and/or apartment complexes, and/or • Open houses at the Schools and informational sessions hosted at public and private venues frequented by families of young children, including daycare and nursery schools.
