SUCCESS ACADEMY CHARTER SCHOOL-UPPER WESTSection Heading

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take total expenditures (from the unaudited 2018-19 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: Audit Guide available within the portal or on the NYSED website at: http://www.p12.nysed.gov/psc/regentsoversightplan/otherdocuments/auditguide2018.pdf.

Line 1: Total Expenditures	12984438
Line 2: Year End FTE student enrollment	757
Line 3: Divide Line 1 by Line 2	17159

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2018 19 Schedule of Functional Expenses)

2. Any contracted administrative/management fee paid to other organizations or corporations

3. Take the total from above and divide it by the year end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	408193
Line 2: Management and General Cost (Column)	1635891
Line 3: Sum of Line 1 and Line 2	2044084
Line 5: Divide Line 3 by the Year End FTE student enrollment	2701

Report on the Financial Statements

We have audited the accompanying financial statements of Success Academy Charter School - NYC (SACS-NYC), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Controller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Report on Summarized Comparative Information

We have previously audited SACS-NYC's 2018 financial statements and our report, dated October 31, 2018, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and to other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of SACS–NYC have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Financial Statement Presentation

The classification of a not-for-profit organization's net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of two classes of net assets—with and without donor restrictions—be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities.

Income from investment gains and losses, including unrealized gains and losses, dividends, interest and other investment income, net of direct internal and external investment expenses should be reported as increases (or decreases) in net assets without donor restrictions, unless the use of the income received is limited by donor-imposed restrictions.

These classes are defined as follows:

Without Donor Restrictions – This class consists of net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of SACS-NYC. These net assets may be used at the discretion of SACS-NYC's management and the board of trustees.

With Donor Restrictions - This class consists of net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of SACS-NYC or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity. Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

As of June 30, 2019, the SACS-NYC had no net assets with donor restrictions.

Cash and Cash Equivalents

SACS–NYC considers highly liquid investments with original maturities of 90 days or less to be cash and cash equivalents. SACS-NYC has not experienced any losses on these accounts. Under the provisions of its charter, SACS-NYC established an escrow account to pay for legal and audit expenses that would be associated with a dissolution should it occur.

Receivables

Receivables are recorded at their net realizable values, based upon an estimated allowance for doubtful accounts. All of SACS-NYC's grant, contract, and other receivables are expected to be collected within one year.

Provision for Doubtful Accounts

SACS–NYC maintains an allowance for doubtful accounts for the receivables that are specifically identified by management as to their uncertainty in regard to collectability. At June 30, 2019, management determined that no estimated allowance would be recorded. All of the SACS-NYC's short-term receivables are expected to be collected within one year.

Fixed Assets

Fixed assets are recorded at cost. Additions and improvements or betterments in excess of $2,500 with an estimated useful life of three or more years are capitalized. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Fixed assets acquired with certain government contract funds are recorded as expenses pursuant to the terms of the contract. The estimated useful lives of the assets are as follows:

Equipment	3 years
Furniture and fixtures	3 years
Software	3 years
Renovations and improvements	5 years

Asset Impairment

SACS-NYC reviews long-lived assets, including equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. As of June 30, 2019, there was no such loss.

Revenue Recognition

Revenue from state and local governments resulting from SACS-NYC's charter status is based on the number of students enrolled, and is recorded when services are performed, in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts is recognized by SACS-NYC when qualifying expenditures are incurred and billable to the government, or when required services have been provided.

SACS-NYC recognizes gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires—that is, when a stipulated time restriction ends, or purpose restriction is accomplished—donor restrictions net assets are reclassified to without donor restrictions net assets and reported in the statement of activities as net assets released from restrictions. SACS-NYC reports amounts received with donor stipulations that limit the use of the assets for certain purposes as unrestricted net assets if the stipulated purpose restriction is accomplished in the same year. Contributions of assets other than cash are recorded at their estimated fair value.

SACS-NYC recognizes as income donated services that require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if they had not been contributed.

A number of volunteers have made a contribution of their time to SACS-NYC to develop its academic programs and to serve on SACS-NYC's Board of Trustees. The value of this contributed time is not reflected in these financial statements since it does not meet the criteria for recognition.

Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been allocated among the respective programs and activities according to the functional categories, as follows:

Program Services - represents expenses related to general education and special education for certain students requiring additional attention and guidance. These costs are allocated based on the FTE allocation method.

Management and General – represents expenses related to the overall administration and operation of SACS-NYC that are not associated with any program services or development. These costs are allocated based on the FTE allocation method.

Income Taxes

SACS-NYC is exempt from federal, state and local income taxes under Section 501(c)(3) of the Internal Revenue Code (the IRC) and, therefore, has made no provision for income taxes in the accompanying financial statements. In addition, SACS-NYC has been determined by the Internal Revenue Service (IRS) not to be a "private foundation" within the meaning of Section 509(a) of the IRC. There was no unrelated business income for the year ended June 30, 2019.

Under U.S. GAAP, an organization must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more likely than not that the position will not be sustained upon examination by a taxing authority. SACS-NYC does not believe it has taken any material uncertain tax positions and, accordingly, it has not recorded any liability for unrecognized tax benefits. SACS-NYC is subject to routine audits by a taxing authority. As of June 30, 2019, SACS-NYC was not subject to any examination by a taxing authority.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentration of Credit Risk

SACS-NYC maintains cash and cash equivalent balances in bank deposit accounts, which may exceed federally-insured limits. SACS-NYC has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on its cash and cash equivalent accounts.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information. With respect to the statement of activities, the prior-year information is presented in total, not by net asset class. With respect to the statement of functional expenses, the prior-year expenses are presented by expense classification in total rather than functional category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with SACS-NYC's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

Recently Adopted Accounting Pronouncements

Presentation of Financial Statements of Not-for-Profit Entities

On August 18, 2016, Financial Accounting Standard Boards (FASB) issued Accounting Standards Update (ASU) 2016-14, "Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities." The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The new standard becomes effective for fiscal years beginning after December 15, 2017. The SACS-NYC has adopted the standard for the year ended June 30, 2019 and applied retrospectively to all periods presented.

Recent Accounting Pronouncements Issued but Not Yet Adopted

Revenue from Contracts with Customers

In May 2014, the FASB issued ASU 2014-09, "Revenue from Contracts with Customers," which is a comprehensive new revenue recognition standard that will supersede existing revenue recognition guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The FASB issued ASU 2015-14, which deferred the effective date for SACS-NYC until annual periods beginning after December 15, 2018. Earlier adoption is permitted, subject to certain limitations. The amendments in this update are required to be applied retrospectively to each prior reporting period presented or with the cumulative effect being recognized at the date of initial application. SACS-NYC is currently evaluating the impact of the pending adoption of ASU 2014-09.

Leases

On February 25, 2016, the FASB issued ASU 2016-02, "Leases," which will require lessees to recognize a lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and a right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term. The standard is effective for non-public business entities for fiscal years beginning after December 15, 2020. SACS-NYC is currently evaluating the impact of the pending adoption of ASU 2016-02.

Statement of Cash Flows: Restricted Cash (Topic 230)

In November 2016, the FASB issued ASU 2016-18, "Statement of Cash Flows: Restricted Cash (Topic 230)" to address the classification and presentation of changes in restricted cash on the statement of cash flows. The ASU requires that the statement of cash flows explain the change in the total cash, cash equivalents, and amounts generally described as restricted cash and restricted cash equivalents. Thus, amounts generally described as restricted cash or restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. The provisions of ASU 2016-18 are effective for SACS-NYC for annual periods beginning after December 15, 2018 and interim periods thereafter. Early adoption is permitted. SACS-NYC is currently evaluating the impact of the pending adoption of ASU 2014-09.

Pursuant to the terms of the Academic and Business Service Agreement, with an effective date of April 21, 2012, SACS-NYC pays the Network an annual fee of equal to the total general full-time equivalent enrollment of students in SACS-NYC multiplied by the "per pupil fee." The per pupil fee shall be equal to 15% of the final and adjusted expense per pupil for Charter Schools in the New York City School district, as calculated by the New York State Education Department annually. For operational efficiency and purchasing power, SACS-NYC also shares common expenses with the Network.

The loans and any accrued unpaid interest are due in full within various dates of the borrowing arrangements. The loans may be prepaid by SACS–NYC at any time, in whole or in part, without penalty. The proceeds were used to finance SACS–NYC's operations. Additionally, SACS-NYC agreed to meet certain milestones within a specific time schedule with the intent that certain of the amounts due under this loan be forgiven. The outstanding principal balance of the loan was $7,500,000. At June 30, 2019, interest expense on the loan during the period was $75,000 and at June 30, 2019, the total outstanding interest balance was $75,000.

The line of credit has a sub-limit of $7,500,000 for purposes of issuing letters of credit. At June 30, 2019, the outstanding balance for the line of credit was $0. A letter of credit has been allocated in the amount of $4,463,413 against the sub-limit to secure the construction of leasehold improvements and security to the lease property of office space at 95 Pine Street. The letter of credit expires on November 10, 2020.

Additionally, SACS-NYC is named a guarantor and guarantees the obligation of the Network for the full payment when due on the capital lease for the Hudson Yards technology infrastructure.

6. Capital Lease Payable

SACS-NYC leases equipment under multiple capital leases that expire on various dates between November 2020 to May 2022. The leases are secured by the equipment and require monthly payments of principal and interest, at a rate of 4.81% to 5.33% per annum.

The following is a schedule of future minimum lease payments, including interest under the terms of the lease, together with the present value of the net minimum lease payments, as of June 30, 2019.

7. Revenue Concentrations

SACS-NYC receives substantially all of its support and revenue from the New York City Department of Education. If the charters of the schools were modified, reducing or eliminating these revenues, SACS-NYC's finances could be materially adversely affected.

8. Shared Space of Facilities

SACS–NYC shares space with various New York City public schools throughout New York City. SACS–NYC is not responsible for rent, utilities, custodial services, maintenance and school safety services. The value of space and related utilities and services cannot be established, and therefore is not recorded in the financial statements.

SACS-NYC is responsible for any related costs for services provided beyond the regular opening hours.

9. Donated Services

During the year ended June 30, 2019, SACS-NYC received legal services at no charge with a fair market value of $121,952 for the year ended June 30, 2019.

10. Commitments and Contingencies

Commitments

On November 2, 2017, SACS-NYC entered into an operating sub-lease agreement with a related party to sub-lease the community facility unit at 555 10th Avenue. The agreement expires on June 30, 2022. SACS-NYC leases equipment under multiple operating leases that expire on various dates between July 2019 and September 2022.

Future minimum lease payments for operating lease agreements are as follows:

2020	$	6,818,625
2021		7,927,386
2022		7,107,298
2023		45,017
	$	21,898,326

The aggregate rental expense is recognized on a straight-line basis over the lease term. The difference between the expenses charged to operations in any year and the amount payable under the lease during the year is recorded as deferred rent on the SACS-NYC's statement of financial position, which will reverse over the lease terms. Deferred rent payable amounted to $3,251,498 as of June 30, 2019.

Rent expense under the occupancy operating leases for the year ended June 30, 2019 amounted to $3,637,327.

Contingencies

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursements. Management is of the opinion that such cost disallowances, if any, will not have a material effect on SACS-NYC's financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims. Additionally, SACS-NYC signed a loan guarantee for the Network's non-revolving line of credit as indicated in Note 5.

From time to time, SACS-NYC is involved in claims, lawsuits, and proceedings that arise in the ordinary course of business. Such matters include, but are not limited to, claims involving particular students, employment law and personal injury. Management believes that SACS-NYC has strong defenses with respect to these matters, and SACS-NYC intends to vigorously defend its positions. SACS-NYC evaluates estimated contingencies or losses related to these matters on an on-going basis, in conjunction with internal and external counsel. Should any matter, based on applicable accounting standards, be determined to likely result in adverse financial impact, SACS-NYC accrues a contingency accordingly. As of June 30, 2019, there are no matters for which SACS-NYC believes it must accrue a contingency or as to which the ultimate outcome would have a material adverse effect on SACS-NYC's financial position.

11. Employee Benefit Plan

SACS-NYC maintains a deferred compensation plan qualified under Section 403(b) of the IRC. SACS-NYC matches up to 3% of eligible employee's annual compensation not to exceed the employee's annual salary deferral amount. SACS-NYC made contributions totaling $2,994,130 for the year ended June 30, 2019.

12. Subsequent Events

SACS-NYC's management has performed subsequent event procedures through October 31, 2019, which is the date the financial statements were available to be issued, and there were no other subsequent events requiring adjustment to the financial statements or disclosures as stated herein.

SACS-NYC is in the process of opening a new school in August 2019: Success Academy Middle School-Lafayette. Success Academy Charter School-Bronx 1 (Middle) will be consolidated into Success Academy Charter School-Bronx 3 (Middle), the total number of schools operating under SACS-NYC will remain the same, at 46 schools.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

The Board of Trustees
Success Academy Charter Schools – NYC
New York, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Success Academy Charter School- NYC (SACS-NYC), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 31, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered SACS-NYC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of SACS-NYC's internal control. Accordingly, we do not express an opinion on the effectiveness of SACS-NYC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether SACS-NYC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance that could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of SACS-NYC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SACS-NYC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2018 19	Describe Recruitment Plans in 2019 20
	Success Academy Charter Schools use robust outreach efforts to educate families about the option of applying to Success Academy schools. Each School's outreach goal is that every family within the School's Community School District ("CSD" or "in district") knows about the School and its world class educational program, so that the family can choose to apply. This level of outreach is critical to reaching typically underserved families within the community, including those targeted by the enrollment and retention targets. All Success Academy schools undertake numerous outreach activities to recruit applicants. Some of the activities that promote the Schools and recruit applicants include: • Mailings and distributions to residents of the School's CSD, • Mailings and distributions to residents in low income in district communities, • Mailings and distributions to residents in mixed income in district communities, • Targeted distribution of foreign language materials to foreign language speaking individuals and communities within the CSD, as determined by each School,	Success Academy Charter Schools use robust outreach efforts to educate families about the option of applying to Success Academy schools. 3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher's advancement up the ladder to a leadership position within the network or an administrator's movement to lead a new network charter school.

(No response)

4. Charter schools must ensure that all prospective employees receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Not Applicable

Thank you
