General Directions for Administering the Sampler

The purpose of this Sampler is to prepare students for taking the New York State English as a Second Language Achievement Test (NYSESLAT) so that students become familiar with the types of questions that appear on the test. It offers the teacher an opportunity to review the questions and directions with the students and to help them become familiar with the mechanics of using separate answer sheets. The test administrator (e.g., the teacher) will also become familiar with the rubrics used to score the Pre-Writing, Writing, and Speaking performance tasks. These scoring forms are located in the Sampler booklet.

The Sampler is for practice purposes only. Therefore, students should be given as much help as they need to complete the questions successfully. For most effective use, the Sampler should be administered approximately one week before the regular NYSESLAT administration. You should become thoroughly familiar with these Directions before administering the Sampler. For your convenience, correct responses to the questions are printed in the back of these Directions.

Please make sure to visit the NYSESLAT web page for all updates regarding the NYSESLAT exam. <http://www.emsc.nysed.gov/osa/nyseslat/home.shtml>

Specific Directions for Administering

To administer the Sampler, read aloud the boldfaced text next to the word “SAY.” Instructions for the test administrator (e.g., the teacher) are printed in plain text and should not be read aloud to the students.

SAY Today we are going to do some practice questions. I am going to give each of you a booklet. Write your name on the front of the booklet, but do not open your booklet until I tell you what to do.

Distribute the Sampler booklets with the front covers facing up. Be sure each student has a booklet and a pencil with an eraser.

SAY Remove the answer sheet from your booklet. (Demonstrate.) Write your name at the top of the page. Make sure the answer sheet is facing up. You will mark the answers to the questions on this answer sheet. There are numbered answer spaces for each question.

Make sure all students have properly detached the answer sheet. Begin the Sampler.

Listening

IMPORTANT NOTE

In this Sampler, the teacher reads the dictated text. In the NYSESLAT Operational Test, the Listening section is administered using a CD.

SAY Open your booklet to page 2. We will start with the Listening section.

Make sure all students have found the Listening section.

SAY Read the directions to yourself as I read them out loud.

Directions: Listen to the question. Look at the three pictures. Fill in the correct circle on your answer sheet.

If you decide to change your answer, remember to erase your first mark completely. Then mark the correct answer.

1 Look at number 1. In this row, you see three pictures. Which picture shows a boy getting dressed? . . . Which picture shows a boy getting dressed?

Listening (continued)

Call on a student and encourage a reply.

Answer any questions the students may have.

SAY Next you will hear a story and a question about the story. Listen carefully, because the story will only be read one time. The answer to the question will come from the story.

SAY Now listen.

Let’s pack a picnic and take it to the park. We have sandwiches, fresh fruit, salad, and cookies. But we won’t bring ice cream because it would melt. We can get some when we get there. We should also take our red blanket to sit on and some paper plates and plastic cups. Aren’t we lucky that it’s such a beautiful day?

Speaking

Speaking

IMPORTANT NOTE

The Speaking Sampler is individually administered. Each student will need his or her Sampler booklet to look at the Speaking questions when taking the test. The test administrator or teacher should remove the Sampler Speaking Scoring Forms, located in the back of each Sampler booklet, and use them to score the student's responses. Review the directions for scoring prior to test administration. Following procedures for scoring the Sampler is important because it mimics the way teachers will score the actual test.

SAY Look at the top of page 18. This is the Speaking section. You will answer some questions in English. You will not have to mark or write anything in your booklet. You will only have to speak.

Prepare to score the Speaking section using the Sampler Speaking Scoring Forms.
