

## Regents Comprehensive Examination in English—January 2006

### Chart for Determining the Final Examination Score (Use for January 2006 examination only.)

**Total Essay Score** → To determine the student's final examination score, locate the student's total essay score across the top of the chart and the student's total multiple-choice score down the side of the chart. The point where those two scores intersect is the student's final examination score. For example, a student receiving a total essay score of 19 and a total multiple-choice score of 16 would receive a final examination score of 76.
