## **IMPORTANT NOTICE**

2018 Grade 6 Mathematics Tests  
Braille Edition, Only  
Session 2, Question 42

This notice pertains to Question 42 on the Braille edition of the 2018 Grade 6 Mathematics Test, Session 2.

Due to the omission of an important detail in the diagram of Question 42 on the Braille edition, all students who used this edition of this test should be given full (2) credit for this question. As a further assurance, at the time of the processing of the students' scores, the Department's contractor will adjust the scores recorded, as necessary, so that all students who used the Braille edition of this test will be given full (2) credit for this question.

Please make sure to darken the circle for "Braille" in the box labeled "IEP or 504 Plan Accommodations" on the answer sheets for all students who used a Braille edition of this test.

We apologize for any inconvenience that this may cause you, and we thank you for your hard work on behalf of the students in New York State.
