## **IMPORTANT NOTICE**

**2018 Grade 7 Mathematics Test  
Chinese Edition, Only  
Session 1, Question 26**

This notice pertains to Question 26 on the Chinese edition of the 2018 Grade 7 Mathematics Test, Session 1.

For the Chinese edition, only, Question 26 has two possible correct answers. At the time of scoring the multiple-choice questions on this test, the Department's contractor, Questar Assessment Inc., will ensure that all students who used the Chinese edition of this test and selected either of the two possible correct answers are given credit for this question. This will apply to both the print-based and computer-based Chinese editions of this test.

Please make sure to darken the circle for "Chinese" in the box labeled "Alternate Language" on the answer sheet, for all students who used a print-based Chinese edition of this test, either exclusively or in conjunction with an English edition. For students who used a computer-based Chinese edition of this test, the computer record will automatically include this information.

We apologize for any inconvenience that this may cause you, and we thank you for your hard work on behalf of the students in New York State.
