

IMPORTANT NOTICE TO TEACHERS

Grade 8 Intermediate-Level Science Written Test Rating Guide English Edition

June 2003

There is a printing error in the diagram of the water cycle in question 57, page 20. Due to this error, the diagram does not clearly illustrate the water cycle.

All students taking the English edition of this test should be given two credits for question 57.

If you have already scored your students' tests, please do the following:

- If a student received 2 credits for question 57, make no change on the student's test booklet or answer sheet.
- If a student received 1 credit or 0 credit for question 57, change the number of credits on the student's test booklet and answer sheet to 2 credits.

NOTE: This adjustment applies to the English edition *only*. The diagram is printed correctly on the translated editions of the test.

Please communicate this information to all persons responsible for scoring the Grade 8 Intermediate-Level Science Written Test, English Edition.
