How to Use the Field Test Assignment Chart Above

1) Find the field test strand number (e.g., Strand 1) for your school on the Regents Examinations Field Test Strand List provided on the Department’s web site at:

<http://www.p12.nysed.gov/apda/fieldtest/regentsstrand11-12.html>

2) Locate your school strand (Column 1) in the chart above to ascertain the corresponding field test assignments for your school for the 2011–12 school year (Columns 2–4). For example, secondary schools in Strand 1 are scheduled to administer field tests in Comprehensive English, Physics, and Algebra 2/Trigonometry.
