

BUREAU CHIEF
Office of State Assessment

June 2018

TO: Principals of Secondary Schools
FROM: Clara DeSorbo *Clara DeSorbo*
SUBJECT: Procedures for Requesting and Storing the August 2018 Regents Examinations and Regents Competency Tests

Essential information is provided in this memorandum concerning requesting and storing the August 2018 Regents Examinations and Regents Competency Tests (RCTs). In addition, all persons coordinating the administration of State examinations should be familiar with the [School Administrator's Manual](#) available on the Department's website.

Important telephone and fax numbers for the Office of State Assessment (OSA) are listed the last page of this memorandum.

This memorandum is accompanied by the School Record of Examinations Requested (DET 501), the Instructions for Submitting Your Examination Request Online (DET 502), and the Examination Schedule: August 2018 (DET 504). These [forms](#) are also available on the Department's website.

ACCESSING THE ONLINE EXAMINATION REQUEST SYSTEM

A username and password are required to access the [online examination request system](#). If you were the principal of the same school during the January 2018 or June 2018 Regents Examination period or were the summer school principal in August 2017 and submitted your school's examination request, the expectation is that you know your username and password.

If you have forgotten or need to reset your password, use the "Reset Password" utility available at <http://portal.nysed.gov>. More information on this utility may be obtained from the Department's Delegated Account System (SEDDAS) [Help Desk](#).

If you are a new principal for your school and do not have a valid username and password, determine which of the following situations applies to you.

- **Principals of New York City Public Schools.** Contact your Borough Assessment Implementation Director (BAID) at your Borough Assessment Office (BAO) to obtain your username and password.
- **Principals of Public Schools or BOCES Programs Located Outside of New York City.** Contact your School Superintendent or Delegated Administrator to request a username and password.
- **Principals of Religious and Independent or Charter Schools.** Contact the (SEDDAS) Help Desk seddas@nysed.gov to obtain a username and password. If you are a new principal for your school and have not yet done so, you must notify the Department's Office of Information and Reporting Services via e-mail to datasupport@nysed.gov that you are the new principal. This notice must be written on the school letterhead stationery and must include your school's BEDS Code, your full name, your e-mail address and phone number, the effective date of change, and the signature of the current superintendent or principal.

All questions regarding usernames and passwords for public schools **must** be directed to your Delegated Administrator in your local school district or, for religious and independent schools, or charter schools, the SEDDAS [Help Desk](#).

REQUESTING EXAMINATION MATERIALS

Request only the quantities of examinations actually needed for administration to students in August. Schools are **not** permitted to request examinations for other schools. The quantity of examinations requested should match your school's course enrollment plus the quantity needed for students who have completed the course of study and are retaking the examination and for proctors of students with accommodations who may need extra copies.

RCTs may be administered only to students with disabilities who first entered Grade 9 prior to September 2011 and who have completed the unit of study requirements specified under "Admission Requirements" in Section One of the [School Administrator's Manual](#). RCTs are being administered for the final time in August 2018. Further information on this topic can be found in the memorandum "[Local Diploma Safety Net Options for Students with Disabilities who Enter Grade 9 in September 2011 and Thereafter](#)".

Online requests for August examination materials must be submitted no later than July 11. Specific directions for using the online examination request system are included with this memorandum. Within three business days after your request has been processed, you will be sent a confirmation notice via e-mail indicating the number of examinations to be shipped to the school. **It is of utmost importance that you carefully check the confirmation notice to ensure that the correct quantities of examination materials will be shipped to the school.**

Principals who find they need additional materials may return to the online examination request system until July 11 to revise or add any supplemental quantities needed. Telephone requests will not be accepted. The Department will accept and enter online on the school's behalf *only* those requests submitted by fax for examinations or quantities that cannot, because of Department policies, be submitted online by the school. For example, alternative language editions of the RCTs cannot be requested online.

Check all confirmation notices as soon as you receive them so supplemental requests, if needed, may be placed no later than July 11. Administrators determining the need for additional examination materials after that date will likely have to obtain them from a nearby regional center on the day of the examination.

TRANSITION REGENTS EXAMINATION IN GLOBAL HISTORY AND GEOGRAPHY—GRADE 10

The Transition Regents Examination in Global History and Geography—Grade 10 will be based on one year of study, the NYS Learning Standards for Social Studies (1996), and the skills and content for Grade 10 found in the [Social Studies Resource Guide and Core Curriculum \(1998\)](#) in Units 5–8 (pages 105–120). Skills-based questions from the Methodology unit (pages 92–93) may also be included in this examination if the content of the questions relates to Units 5–8. The essays will be based on the themes on page 89 and topics in Units 5–8. This includes human and physical geography.

NOTE: Themes and concepts are defined on pages 8–11 and skills are presented on pages 12–18.

Please note that Unit 5 (1750-1914) includes:

- The Scientific Revolution (Copernicus, Galileo, Newton, Descartes)
- The Enlightenment (Locke, Voltaire, Rousseau, and Montesquieu)
- Independence Movements in Latin America and the post-independence period
- Agricultural and Industrial Revolutions in Europe and other parts of the world
- Meiji Restoration
- Imperialism

Historical time periods overlap depending on the periodization scheme being used. Some information included in Unit 5 is pre-1750. Be sure to examine the [Social Studies Resource Guide and Core Curriculum \(1998\)](#) for specifics. Unit 5 begins on page 105.

GUIDELINES FOR REQUESTING SPECIFIC MATERIALS

- *Regular test booklets:* Request the exact quantity needed, plus not more than 10% for unanticipated increases.
- *Restricted editions:* The regular, large-type, and braille editions of the RCTs in Global Studies, Mathematics, Reading, Science, and United States History and Government; all alternative language editions of RCTs; and the braille editions of the Regents Examinations in Physical Setting/Earth Science and Living Environment are available only in restricted form. Each copy of a restricted test is numbered and sealed in its own individual envelope and must be returned, whether used or unused, to the Department. The student answer booklets and the rating guides for all restricted examinations are also restricted and must be returned to the Department. Photocopying and/or school retention of copies of restricted examination booklets and/or notes pertaining to their contents is strictly prohibited. Schools must not request any more copies of these editions than they require for administration to students in August 2018. However, be sure to include a copy for the proctor(s) as well if the restricted test will be read to the student(s) as a testing accommodation. **Administrators are responsible for returning to the Department all restricted examination materials shipped to their school.**
- *Large-type and braille test booklets:* With the exception of translated editions, large-type and braille test booklets are available for all examinations. Request the exact number of booklets needed for students whose Individualized Education Programs (IEPs) or Section 504 Accommodation Plans (504 Plans) specifically require either of these accommodations. Sample copies of past examinations in large type and braille may be obtained from the New York State Resource Center for the Visually Impaired, 2-A Richmond Avenue, Batavia, New York 14020 (585-343-5384).

Answer sheets:

- ◆ *Regents Examinations:* The Department does not provide hand-scorable answer sheets for **any** non-restricted Regents Examinations. Schools are required to contract with a Regional Information Center (RIC) or large-city scanning center for answer sheets and examination data processing services. The complete list of [RICs and large-city scanning centers](#) is available on the Department's website. New York City religious and independent schools must contract with a scanning center outside the city. For additional information, please see the memorandum "[Scanning Regents Examination Answer Sheets: June 2011](#)". Questions about the requirement to scan Regents Examination answer sheets should be directed to the OSA. Questions about data collection and reporting services should be directed to your RIC or large-city scanning center, or the Office of Information and Reporting Services at 518-474-7965.
- ◆ *RCTs:* The Department does not provide machine-scorable answer sheets for RCTs. Instead, the Department provides a hand-scorable answer sheet as the last page of the test booklet. Schools may substitute other types of answer sheets that have been designed for use with these tests.
- *Essay booklets:* The Department does not provide printed copies of the essay booklets for the Regents Examinations in English Language Arts and United States History and Government, the Transition Examination in Global History and Geography – Grade 10, or the answer booklet for the RCT in Writing. The [essay booklets](#) and answer booklet are available on the Department's website. Schools must print enough copies to supply one to each student during testing.
- *Scoring keys for all RCTs and the restricted braille editions of the Regents Examinations in Living Environment and Physical Setting/Earth Science:* Sufficient quantities of these materials will be included in the examination shipment, based on the number of test booklets requested. Scoring materials for all other examinations will be available online. Printed copies of scoring keys for all of the non-restricted Regents Examinations will not be sent to schools.

- *Performance test for the Regents Examination in Physical Setting/Earth Science:* Sufficient quantities of the performance test materials will be included in the shipment of nonsecure materials, based on the number of test booklets requested.
- *Braille or large-type auxiliary test materials:* Teacher directions, scoring keys, etc., for English editions of State examinations may be requested for use by teachers with visual disabilities. These materials will be prepared only when a written request from the principal is received via fax no later than July 11.
- *Reference tables for the Regents Examination in Physical Setting/Sciences:* The Department does not provide printed copies of these reference tables. The [reference tables](#) are available on the Department's website. The online editions must be used during testing and schools must print sufficient copies to supply one clean copy to each student for use during the examination. Note that the Department will continue to provide schools with the braille and large-type editions in the shipment of nonsecure test materials. [Additional information](#) on the online editions of reference tables can be found on the Department's website.
- *Teacher's Directions:* The Department does not provide printed copies of Directions for Administering Regents Examinations, Directions for Administering RCTs, or the Information Booklets for Scoring Regents Examinations. These [documents](#) are available on the Department's website. Schools must print sufficient copies to supply one to each staff member involved in the administration and/or scoring of the examinations.

REQUESTING MATERIALS FOR CURRENT AND ELIGIBLE FORMER ENGLISH LANGUAGE LEARNERS/ MULTILINGUAL LEARNERS (ELLS/MLLS)

The testing accommodations that may be provided to ELLs/MLLs may also be provided to Former ELLs/MLLs who met the exiting criteria specified in Part 154-2 of the Regulations of the Commissioner of Education and were exited from English Language Learner status following their participation in one of the two most recent administrations (Spring 2016 or Spring 2017) of the New York State English as a Second Language Achievement Test (NYSESLAT). Such students either achieved an overall level of Commanding on the NYSESLAT, or achieved an overall level of Expanding on the most recent administration of the NYSESLAT and scored at Level 3 or higher on the New York State Grades 3–8 English Language Arts Test or earned a score of 65 or higher on the Regents Examination in English Language Arts.

These accommodations may not be provided to Former ELLs/MLLs who were identified as English language Commanding prior to any NYSESLAT administration more than two years ago. [Additional guidance](#) on identification of Former ELLs/MLLs on our website.

Current and eligible Former ELLs/MLLs may take State examinations either in an alternative language edition or in English, whichever is more appropriate to the student's reading skills. For August, the Transition Examination in Global History and Geography Grade – 10 and the Regents Examinations in Algebra I, Living Environment, Physical Setting/Earth Science, and United States History and Government are available in Spanish. Only English-language editions are available for the Regents Examinations in English Language Arts, Geometry, Physical Setting/Chemistry, and Algebra II.

The alternative-language editions of the RCTs cannot be requested via the online examination request system. These editions must be requested in a separate letter signed by the principal and faxed to OSA. The letter must specify the *exact quantity* of each test needed in each language.

The RCT in Global Studies and the RCT in U.S. History and Government are offered in six languages other than English: Chinese (Traditional), French, Haitian Creole, Korean, Spanish, and Vietnamese. The RCT in Science is offered in four languages other than English: Chinese (Traditional), Haitian Creole, Korean, and Spanish. The RCT in Mathematics is available in the 29 languages listed below:

Albanian	Hebrew	Romanian
Amharic	Hindi	Russian
Arabic	Italian	Serbo-Croatian
Burmese	Japanese	Spanish
Chinese (Traditional)	Khmer (Cambodian)	Tagalog
Farsi	Korean	Thai
French	Lao	Turkish
German	Malay	Urdu
Greek	Polish	Vietnamese
Haitian Creole	Portuguese	

The Spanish editions of Regents Examinations and the alternative language editions of the RCTs cannot be obtained via the online examination request system. These editions must be requested in a separate letter, signed by the principal and faxed to the Department. The letter must specify the *exact quantity* of each test needed in each language.

Since the Spanish editions of Regents Examinations offered in August 2018 are direct translations of the English editions, current and eligible Former ELLs/MLLs may be permitted to use both editions simultaneously. However, the alternative language editions of the RCTs in Global Studies, Mathematics, Science, and United States History and Government may not be direct translations of the English language editions: students *may not* be given both.

ADMISSION OF STUDENTS TO EXAMINATIONS

Students not enrolled in your summer school program and those from other districts must provide you with written permission from their home school principal to be admitted to an August examination. Public school districts may not charge resident students a fee for admission to the August examinations. Nonresident students may be charged a reasonable fee to cover administrative and scoring costs.

STUDENT IDENTIFICATION AND RECORDKEEPING

Plans should be made well before August 16 to verify the identity of each student entering the examination room. This precaution is especially important in the case of students who are not enrolled in the summer school program, but who are taking the August examinations at your school. The test site administrator must retain the written permission from the home school administrator for a minimum of one year from the date of testing. Accurate attendance records must be kept for each examination. A summer school principal should be able to use the attendance records to verify the presence or absence of a student for any August examination.

SHIPPING OF EXAMINATION MATERIALS

Examination materials may be delivered in multiple shipments; approximate delivery dates are indicated on the following list. These delivery dates are contingent upon submission of your school's online request prior to the ordering deadline.

- *Late July*: Nonsecure test materials, including the Physical Setting/Earth Science performance tests requested for your school
- *Just prior to the examination dates*: Locked Regents boxes containing the secure examination materials

EXAMINATION STORAGE REQUIREMENTS

Every principal requesting State examinations must provide any information or affirmations required on the online examination request system. Your agreement to the security pledge on the first screen indicates that you understand and agree to comply with the examination security requirements described in this memorandum and in the [School Administrator's Manual](#).

Secure examination materials must be stored in locked Regents boxes, which must in turn be stored in a Department-approved safe or walk-in vault that meets *all* of the specifications listed on the following page. Newly constructed vaults, existing vaults that have been modified, or newly purchased safes must be inspected by a Department representative and approved by the Department before secure materials may be stored in any such facility. Approval of such a storage facility is contingent upon its having met *all* of the criteria outlined on the following page. If your school's safe or vault has not been approved but you believe it meets the criteria outlined on the following page, please arrange for an inspection by faxing a written request on school letterhead signed by the principal to OSA. Once your school's safe or vault is approved by the Department, your school will be notified and the secure storage location will be reflected on the "School Information" page of the online examination request system.

WALK-IN VAULTS must have all of the following:

- poured concrete floor
- no windows or access panels
- walls of reinforced cement block or concrete, sealed to a poured concrete floor below and structural floor or roof deck above
- metal door in a metal frame with interior or welded-pin hinges
- built-in dead-latch (deadbolt) with combination or key lock that allows exiting at all times

SAFES must meet or exceed Underwriters Laboratories (UL) TRTL-30 performance standards for burglary resistance, and must have:

- steel door at least 1½" thick
- steel walls at least 1" thick
- 750 lbs. minimum weight
- built-in combination lock
- capacity to store the Regents boxes for the school's largest examination request (minimum acceptable unobstructed inside dimensions of 11"Hx20"Wx27"D to store one Regents box)

Principals of schools with approved storage facilities must inform all school building personnel permitted to accept delivery of Regents boxes of the procedures for safeguarding secure examination shipments whether they arrive during or after school hours. Access to any safe or vault where locked Regents boxes are stored must be restricted so as to prohibit entry by students and other unauthorized persons. The locked Regents boxes must be visually inspected daily by the person in charge of the examinations to ensure that they have remained secure. Schools with approved storage facilities that are storing examination materials for another school may not remove those materials from the locked Regents boxes or release them to the school until the morning of the day on which the examination is scheduled to be administered.

The principal of a school building that does not have a Department-approved safe or vault must arrange to store Regents boxes containing secure examination materials in an approved safe or vault in another school, school district building, or BOCES building. Principals experiencing difficulty making arrangements for secure storage of examination materials should notify this office.

Please review the "School Information" page on the online examination request system. If the fields indicating where your examinations will be shipped are blank, your school must submit a new *Examination Storage Plan* (DET 599) for August 2018 Regents Examination period. (See the message at the bottom of the "School Information" page for instructions; Adobe Reader® required.) Your school also should submit a new *Examination Storage Plan* if you need to amend pre-approved storage information. Your *Examination Storage Plan* must be sent via fax complete with the school name and address where you have arranged for the examinations to be securely stored. This office will then request written verification of the storage arrangements from the person in charge of your proposed "host" storage location before secure examination materials can be shipped to that address.
