June 2006

**TO:** Principals of Public and Nonpublic Schools  
**FROM:** Steven E. Katz *SEK*  
**SUBJECT:** Administration of the June 2006 Regents Examinations,  
Regents Competency Tests, and Proficiency Examinations

**IMPORTANT:** Test booklets for the June Regents Examination period will be shipped so as to arrive at schools (or approved storage locations) between 8:00 a.m. and 5:00 p.m. on June 12 or June 13. See "Shipment of Examination Materials" below for further information.

This memorandum provides essential information about the administration of the June examinations. In addition, all persons coordinating the administration of the June 2006 examinations should be familiar with the publication *Regents Examinations, Regents Competency Tests, and Proficiency Examinations: School Administrator's Manual, 2001 Edition*. This manual is available on the Department's web site at: <http://www.emsc.nysed.gov/osa/hsinfo/gen/hsinfo/genarch/sam2001.pdf>.

Also posted with this memorandum are the list of regional centers, a memorandum regarding the content of each June examination, and the schedule for the June 2006 examination period.

### SHIPMENT OF EXAMINATION MATERIALS

Testing materials are delivered to schools in several shipments, depending on the examinations requested. The performance test (Part One) of the Second Language Proficiency Examinations (SLPs) and of the Comprehensive Regents Examinations in languages other than English have already been shipped to schools that requested those examinations.

Nonsecure materials for the June examinations are shipped to schools in cardboard cartons and/or padded mailers and were delivered in May. This shipment included student identification sheets and answer pads for the Regents Competency Test (RCT) in Writing; answer sheets for all other RCTs; answer booklets for the Regents Examinations in English, social studies, and languages other than English; Earth Science Performance Test materials; science reference tables; directions for administering and scoring all examinations; and Regents diplomas.

The final shipment, comprising secure materials for June examinations, will be delivered in locked Regents boxes to arrive at schools or approved storage locations between 8:00 a.m. and 5:00 p.m. on June 12 or June 13. Please be sure that someone in your school or approved storage location is available during those hours to accept the examination shipment. Should any problems occur in connection with the delivery of examination materials, please call this office at 518-474-8220 or 474-5902 immediately.

All packages containing secure examination materials for your school will be shipped via UPS and will be delivered between 8:00 a.m. and 5:00 p.m. on either or both of the dates indicated on the previous page.

The locked plastic sliding-lid Regents boxes will be secured with two locks and a plastic crimp. Padlock keys are mailed to the principal and should arrive no later than June 12. Please call the Test Distribution Unit at 518-474-5914 if padlock keys have not been received by 12:00 noon on that date.

### **CHECKING THE EXAMINATION SHIPMENT**

Enclosed in each delivery is a shipping notice listing the materials included. As soon as you receive the Regents box(es), use the shipping notice and your School Record of Examinations Requested to ensure that all appropriate examination materials have been received for each subject. Under no circumstances may the sealed packages of secure examination materials be opened during this inventory. The number of test booklets contained in each of the sealed packages is indicated below.

- *English editions of Regents Examinations, Second Language Proficiency Examinations, and RCTs in Reading, United States History and Government, and Writing:* Each sealed package contains 25 booklets.
- *Spanish editions of the Regents Examinations in Mathematics A, Living Environment, Physical Setting/Earth Science, Global History and Geography, and United States History and Government:* Each sealed package contains 25 booklets.
- *Braille and large-type editions, and translations (other than Spanish) of Regents Examinations:* The exact quantity requested will be shipped to the school.
- *Restricted editions — The English editions and large-type editions of the RCTs in Global Studies, Mathematics, and Science, the alternative language editions of all RCTs, and the braille editions of all RCTs except Reading and Writing:* Each test booklet is numbered and sealed in a separate envelope. The exact quantities requested are shipped to the school.

### **EMERGENCY SUPPLIES OF EXAMINATION MATERIALS**

If your school's shipment does not include all the materials needed, additional materials must be obtained from a nearby regional center. The regional center must be contacted immediately to ensure that a sufficient supply of examination materials will be available when your representative arrives. A list of regional centers is attached to the same e-mail as this memorandum. Supplies will be available at regional centers of all examination materials *other than:* the Native Language Writing Test (NLWT) and braille, large-type, and alternative language editions of all examinations. If you require an emergency supply of materials that are *not* available at the regional centers or if you require more than 25 booklets of an examination that is available at the regional center, please send a fax to the Office of State Assessment at 518-474-2021.

Examination materials are available at the regional centers only on the day of the examination. Secure materials for morning examinations will be released in the morning; secure materials for afternoon examinations will not be released until after 11:00 a.m. Scoring keys will not be released by regional centers until after the Uniform Statewide Admission Deadlines (10:00 a.m. for morning examinations, 2:00 p.m. for afternoon examinations). Subject to these limitations, materials may be picked up at regional centers between 8:00 a.m. and 3:00 p.m.

In order to obtain examination materials at a regional center, an individual must present a letter of authorization written on his/her school's letterhead and signed by the principal. The letter must identify the person picking up the materials and list the specific materials requested. Anyone obtaining examination materials must provide identification with a photograph and countersign the authorization letter before the examination materials will be released.

### **SAFEGUARDING EXAMINATION MATERIALS**

The principal of each school requesting examinations must make the necessary arrangements to safeguard the materials requested for the school. Upon delivery, the locked Regents boxes must immediately be placed in the Department-approved safe or vault at the storage location designated by the school. Examination materials may be removed from locked Regents boxes only for inventory and for administration of the examinations on the scheduled date.

If the locked Regents boxes containing a school's shipment of secure examination materials are found to be too large for the approved storage location, the principal who requested the examinations must contact this office immediately at 518-474-8220 or 474-5902 to make arrangements for storage of the boxes in an alternative approved location.

The Regents box keys and the combination or key to the safe or vault must be maintained under strict security conditions to preclude access to examinations by students and other unauthorized persons. When the safe or vault where the Regents boxes are stored is unlocked, it must be kept under continuous supervision by school personnel. Additionally, the locked Regents boxes must be visually checked daily by the person in charge of the administration of the examinations to ensure that they have not been tampered with and that their contents remain secure.

The sealed packages containing examination booklets and teacher dictation copies must not be opened until the day each examination is scheduled to be administered, and no earlier than is necessary for distribution to proctors. Scoring key packages must be kept secure and may not be opened until after the Uniform Statewide Admission Deadlines of 10:00 a.m. for morning examinations and 2:00 p.m. for afternoon examinations. The principal must notify the Department by fax to 518-474-2021 if any of the packages of secure examination materials were not sealed properly when received.

Department personnel will make unannounced visits to some schools after the examination materials have been delivered in order to verify that they are being properly stored. If a violation of storage procedures is found, all examination materials will immediately be removed from the school and transferred to a location designated by the Department. The school principal will have to arrange to pick up examination materials from that location each morning and afternoon during the Regents Examination period and to pick up scoring keys after the morning and afternoon Uniform Statewide Admission Deadlines on the appropriate days. The school will then be required to store all examination materials at a location designated by the Department for a period of at least one year. In addition, the Department may rescind the school's authorization to administer examinations.

Following the examination period, the principal must return to the Department the completed Examination Storage Certificate and Deputy and Proctor Certificate (included in the shipment of secure materials).

## **ADMINISTERING AND SCORING EXAMINATIONS**

The general administration procedures for secondary-level examinations are provided in the *School Administrator's Manual*. Specific directions for administering regular and restricted examinations were included in the shipment of nonsecure examination materials. These materials must be distributed to teachers before the examination date in order to give them time to become familiar with the instructions.

Schools will receive no more than eight scoring keys for each State examination. Scoring keys and rating guides, where applicable, for the restricted RCTs in Mathematics, Science, Global Studies, and the braille and alternative language editions of the RCT in United States History and Government may not under any circumstances be photocopied or reproduced in any way. Should the necessity arise, all other scoring materials may be photocopied, but only after the Uniform Statewide Admission Deadline for the corresponding examination.

- *Regents Examinations*. The same scoring materials are provided to score the regular English editions and the alternative language and braille editions.
- *RCT in Mathematics*. Two scoring keys are provided: one for the English edition, the second for the alternative language and braille editions.
- *RCT in Science*. Two scoring keys are provided: one for the English and braille editions, the second for the alternative language editions.
- *RCT in Reading*. The same scoring key is provided for the regular English edition and for the braille edition.

- *RCT in Writing*. The same scoring key is provided for the regular English edition and for the braille edition.
- *RCT in Global Studies*. The same set of scoring materials is provided for all editions: the semi-transparent overlay for the Part One multiple-choice questions, and the sequentially numbered restricted rating guide for the Part Two essays.
- *RCT in United States History and Government*. Two sets of scoring materials are provided: one set for the English edition, the second set for the alternative language and braille editions. Each set includes a semi-transparent overlay for the Part One multiple-choice questions, and a rating guide for the Part Two essays. The restricted rating guide for the alternative language and the braille editions is sequentially numbered.

## **REPORTING ADMINISTRATION AND SCORING IRREGULARITIES TO THE DEPARTMENT**

The building principal is responsible for all aspects of the school's administration of State examinations and must take appropriate measures both to prevent, as much as possible, and to investigate all irregularities associated with the administration and scoring of these examinations. In addition, the principal must report the following events in writing to the Office of State Assessment:

- All student infractions of the Department's policy prohibiting the use of cell phones and other communications devices during State examinations.
- All confirmed cases of students having committed fraud on State examinations.
- All interruptions of testing sessions including those caused by power outages or fire alarms.
- All suspected or confirmed cases of teachers, administrators, or paraprofessionals giving aid to students during a State examination or altering student responses on an examination paper.
- All instances in which a State examination is administered without Department authorization at a time outside the published Statewide schedule.
- All instances in which a school does not conform to the Uniform Statewide Admission Deadline in administering a State examination.
- All instances in which scorers do not rate State examinations in accordance with the scoring materials provided by the Department.
- All cases in which a school official or staff member alters or otherwise misrepresents a student's earned examination score during scoring, recording, or reporting.
- All cases in which student answer papers are lost prior to either the scoring of the papers or recording of the scores in students' permanent records.

Principals must report all such occurrences in writing by fax to 518-474-1989 or via e-mail to [emscassessinfo@mail.nysed.gov](mailto:emscassessinfo@mail.nysed.gov).

More complete information on strategies for avoiding the occurrences listed above and for addressing them should they occur may be found in the *School Administrator's Manual* and in the *Directions for Administering Regents Examinations*.

## **TESTING ACCOMMODATIONS**

### *Students with Disabilities*

Principals must ensure that students with disabilities are provided the testing accommodations specified in their Individualized Education Programs or Section 504 Accommodation Plans when they take State examinations. Under certain conditions, special examination arrangements may be made for general education students taking State examinations. The guidelines to be followed in such circumstances are provided on page 16 of the *School Administrator's Manual*.

### *Limited-English-Proficient (LEP) Students*

Schools may provide the following testing accommodations to LEP students:

- *Time Extension:* Schools may extend the test time for LEP students. Principals may use any reasonable extensions, such as “time and a half” (the required testing time plus half that amount), in accordance with their best judgment about the needs of the LEP students. Principals should consult with each student’s classroom teacher in making these determinations.
- *Separate Location:* Schools are encouraged to provide optimal testing environments and facilities for LEP students. Schools may administer State examinations to LEP students individually or in small groups in a separate location.
- *Third Reading of Listening Selection:* Proctors may read the listening passage a third time to LEP students who are taking the Regents Comprehensive Examination in English. This accommodation is **not** permitted on State examinations in languages other than English.
- *Bilingual Dictionaries and Glossaries:* LEP students may use bilingual dictionaries and glossaries when taking State examinations in all subjects **except** languages other than English. The bilingual dictionaries and glossaries may provide **only** direct translations of words. Bilingual dictionaries or glossaries that provide definitions or explanations are **not** permitted.
- *Simultaneous Use of English and Alternative Language Editions:* For those Regents Examinations for which the Department provides direct written translations, LEP students may use both an English and an alternative language edition of the test simultaneously. However, they should be instructed to record all of their responses in only one of the two editions. The alternative language edition used by the student should be so indicated on the student’s answer document. (Note: the alternative language editions of RCTs provided by the Department are **not** direct translations of the English editions being administered during the same examination period and therefore may **not** be used simultaneously with an English edition.)
- *Oral Translation for Lower Incidence Languages:* Schools may provide LEP students with an oral translation of a State examination when there is no translated edition provided by the Department. This accommodation is permitted for State examinations in all subjects **except** English language arts and languages other than English. All translations must be oral, direct translations of the English editions; written translations are not allowed. No clarifications or explanations may be provided. Translators should receive copies of the English edition of the tests one hour prior to administration. The Department’s Office of Bilingual Education and Foreign Language Studies and the Bilingual/ESL Technical Assistance Centers (BETACs) can assist schools in locating suitable translators.
- *Writing Responses in the Native Language:* LEP students making use of alternative language editions or of oral translations of State examinations may write their responses to the open-ended questions in their native language. Scoring the tests is the responsibility of the school. However, the Department’s Office of Bilingual Education and Foreign Language Studies and the BETACs can assist schools in locating persons who can translate the students’ responses into English to facilitate scoring of the answer papers.

### **SPECIAL STUDY OF THE PERFORMANCE OF STUDENTS ON REGENTS EXAMINATIONS**

Most schools administering Regents Examinations have been selected to provide data for a special study of the performance of students on those examinations. Schools selected for the study were advised as to the specific Regents Examination titles for which their school had been selected. To administer the selected titles, schools were given the option of receiving the necessary scannable answer sheets from either a Regional Information Center or from Pearson Educational Measurement. In administering the Regents Examination titles for which the school was selected, the school must follow the supplemental instructions that are provided with these answer sheets.

## **HANDLING OF STUDENTS' COMPLETED EXAMINATION MATERIALS**

When a student has completed a State examination, the student's answer materials should be collected and confirmed, or "checked in," by a proctor and logged in to a list of examinees before that student is permitted to leave the testing room. When they are hand scored, answer papers for all State examinations must remain in the custody of teachers or administrators in the school building or regional scoring site until the rating process is complete and scores are recorded on the students' permanent records. When answer papers are scored in cooperation with another school, they may be transported to the cooperating school for such scoring. It remains the principal's responsibility to ensure the security of such papers while they are out of the building. Answer papers that are sent to a scanning center for scoring may be stored either at the scanning location or in the schools where the examinations were administered, as long as storage conditions are maintained that will not limit the principal's access to an individual student's answer paper. As an additional precaution, all scrap paper should be retained until all examination scores have been recorded.

If a student's answer paper is lost, the principal or superintendent must conduct an inquiry and file a written report with this office. This report must include (1) a description of the loss or disappearance, including a list of all students whose papers are missing; (2) the examination title and administration date; (3) the likely cause of the loss or disappearance; and (4) what steps will be taken to prevent a similar occurrence in the future.

## **MATERIALS RETURNED IN THE REGENTS BOXES**

The materials that must be returned to the Department in the Regents boxes are listed on page 22 of the *School Administrator's Manual*. Please combine all materials to be returned to the Department in one Regents box whenever possible.

Return all Regents boxes no later than July 17. Please check all storage locations for any boxes remaining from previous examination periods and return those boxes as well. Each school must pay for the return shipment of its own Regents boxes; the boxes may not be returned collect. The boxes may be returned by UPS or any other carrier. Regardless of the carrier, the school must call the carrier, make the necessary arrangements, and pay for the return shipment. If the Regents boxes for a school are returned collect, the Department will refuse delivery.

## **SUBMISSION OF TEACHER EVALUATIONS OF EXAMINATIONS**

Suggestions and feedback from teachers provide an important contribution to the test development process. The Department provides an online evaluation form for State assessments. It contains spaces for teachers to respond to several specific questions and to make suggestions. Instructions for completing the evaluation form are as follows:

1. Go to [www.emsc.nysed.gov/osa/exameval](http://www.emsc.nysed.gov/osa/exameval).
2. Select the examination title.
3. Complete the required demographic fields.
4. Complete each evaluation question and provide comments in the space provided.
5. Click the SUBMIT button at the bottom of the page to submit the completed form.
