

2011-12 New York State Alternate Assessment

Administration Training: The Measured Progress ProFile™ System

Office of Assessment Policy, Development and Administration

University of the
State of New York
State Education
Department

Measured Progress ProFile™ Software Overview

- Access from any computer with an Internet connection
- Compatible with IBM/PC and Mac platforms
- No special technical skill required
- Available to teachers statewide
- Includes all required NYSAA documents
- On-line during the Administration Period

– Taken off-line February 10, 2012 at 6:00 pm

Measured Progress ProFile™

Benefits

- Prevents most clerical errors
- Eliminates the need for transcription of information across multiple documents
- Allows password-protected access and management of student records from any computer
- Allows supervisors read-only access to designated student records
- There is no limit to the number of students a user may set up

Measured Progress ProFile™ – Modifying an SAT

1st ELA Required Component: Key Idea - Reading

Choice Component (select one):

- Standard 1:** Students will read, write, listen and speak for **information and understanding.**
- Standard 2:** Students will read, write, listen and speak for **literary response and expression.**

Alternate Grade Level Indicator (Choose one AGLI for the selection indicated above)

AGLI Code:

12103

AGLI Text: **recognize plot means the sequence of events or action of a narrative**

Assessment task:

Note: Sample assessment tasks can be modified to better suit the student performance of the assessed knowledge, skills, and understanding as demonstrated in the verifying evidence.

The student will recognize **the sequence of events** in a plot by using pictures from the book to identify the beginning and ending of the story.

358 characters left

Please reference the SAT located on page 9 of the Grade 05 ELA Frameworks for additional information.
