## GRADE 7 ELA Extension 71311

Student: Trevon  
Grade 7 ELA

CCLS Code: RL.7.9  
Extension 71311

Extension: Recognize time, place, and/or character in a fictional portrayal that is set in a true historical period. (71311)

Task: The student will indicate a place in a fictional portrayal of a historical period (e.g., given an excerpt from Laura Ingalls Wilder's *Little House on the Prairie*, the student recognizes that the story is set in the Midwest or Kansas, from a set of choices. (AT71311D)

Note: In this sample, the same story was used for the Baseline and Final assessment. This is acceptable. Teachers should evaluate whether doing this is the best way to assess the student. The teacher used only an excerpt from the whole story. This is a good way to use age-appropriate/age-neutral text for a student. Teachers have flexibility in the type and length of text used. Refer to the definition of "text" in the ELA glossary. The notation indicates that the student made his response by smiling. Teachers should have the student respond using the mode of communication that is most typical for the student.
