

Extension Summary

High School ELA Extension 92111

Student: Rosita
High School ELA

CCLS Code: RI.11.1
Extension 92111

Extension: Identify an emotion (e.g., happy, sad) or a qualifier (e.g., good, bad) shown in informational text. (92111)

Task: The student will identify an emotion (e.g., happy, sad) shown in informational text. (AT92111B)

Note: In this sample, the informational texts chosen have very clear emotions for the student to identify. The notations indicate that the student will be making her responses by eye gaze. Teachers should have the student respond using the mode of communication that is most typical for the student. The notations also indicate that the informational text will be read to the student. This is acceptable. Students do not need to independently read a text.
