Please visit <https://www.dlmpd.com/> for instructional resources to learn more about the Dynamic Learning Maps® alternate assessment system for students with significant cognitive disabilities.

The site was developed to provide professional development for educators. It focuses on teaching and learning in the areas of English Language Arts (Reading and Writing), Mathematics and Science, while also providing information regarding components of the Dynamic Learning Maps alternate assessment system.

The site contains training and informational modules in two formats:

- self-directed for individuals; and
- facilitated materials to be presented to groups.

Remember that you can submit these PD opportunities for CTLE hours. See the CTLE information document.
