NOTICE TO ADMINISTRATORS

Grades 3- 8 Mathematics Tests

School Administrator's Manuals for Public and Nonpublic Schools 2007 Editions

Rules to Determine Whether a Student Receives a Valid Score

This notice is to inform you that an adjustment has been made to the rules to determine whether a student receives a valid score on the Grades 3-8 Mathematics Tests. The updated information may be found in Appendix L (for nonpublic schools) and Appendix M (for public schools) of the respective online editions of the *Grades 3-8 Mathematics Tests, School Administrator's Manuals, 2007 Editions*.

In accordance with the rules that have been established for the 2006-07 school year, students who were present for an administration, including make-ups, of all sessions of the test and who responded to at least one test item on the assessment will receive valid scores and be counted as tested.
