#### **2012 Grade 6 Mathematics Test Spanish Edition Only Book 2, All Forms (A, B, C, and D) Question 49**

This notice pertains to Question 49 on the Spanish edition **only** of the 2012 Grade 6 Mathematics Test Book 2, all forms (A, B, C, and D). Due to a translation error in the stem of this question, there is no correct answer.

At the time of the scoring of the multiple-choice questions, adjustments will be made by the Department's contractor so that all students who use a Spanish edition of the Mathematics Test, either by itself or in conjunction with the English edition, will be given credit for this question.

Please make sure to darken the circle for "Spanish" in the box labeled "Alternate Language" on the answer sheet for all students who used the Spanish edition of this test, either exclusively or in conjunction with the English edition.

We apologize for any inconvenience this may cause you and we thank you for your hard work on behalf of the students in New York State.
