

Scoring Clarifications for Teachers

Regents Examination in Physical Setting/Physics Wednesday, June 25, 2008, 9:15 a.m. (Updated 3:30 p.m.)

This notice is to provide clarification for the scoring of Questions 63 and 67 of the June 2008 Regents Examination in Physical Setting/Physics.

Scoring Key and Rating Guide, Page 7, Question 63

In the first row of the example of a 2-credit response, v_i^2 should appear in place of the v_f^2 immediately after the equal sign.

Scoring Key and Rating Guide, Page 8, Question 67

In the third row of the example of a 2-credit response, the Ω symbol should appear in place of the W.

Please photocopy this notice and give a copy of it to each teacher scoring the June 2008 Regents Examination in Physical Setting/Physics.
