Louis E. Yavner Citizen Award

The Board of Regents invites nominations for the **Louis E. Yavner Citizen Award** to recognize a citizen who has made an outstanding contribution to education about the Holocaust and other violations of human rights. This annual award was established by the Regents and funded by the late Regent Emeritus Louis E. Yavner to honor Holocaust survivors, scholars of the Holocaust and human rights issues from many professions, and self-taught experts who help to educate New York State students about these difficult topics. Elementary and secondary teachers and State Education Department staff are not eligible for this award.

Awards are presented to residents or nonresidents on the basis of their distinguished educational service to State institutions and organizations through classroom and public programs, school assemblies, workshops, exhibits, community service, scholarship, writings, and other related activities.

The following nomination application lists award criteria. **Please note that documentation must be provided to support the scope, breadth, quantity, and quality of the nominee's work.**

The deadline for submission of nominations is November 30 of each year. The award winner will be notified in March, with the name remaining confidential until the award ceremony in May.
