**IRAN DIVESTMENT ACT CERTIFICATION**

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act’s effective date, at which time it will be posted on the OGS website.

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, Bidder/Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Bidder/Contractor is advised that once the list is posted on the OGS website, any Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to the solicitation, must certify at the time the Contract is renewed, extended or assigned that it is not included on the prohibited entities list.

During the term of the Contract, should the New York State Education Department (AGENCY) receive information that a person is in violation of the above-referenced certification, AGENCY will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then AGENCY shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

AGENCY reserves the right to reject any bid or request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

Any proprietary materials submitted as part of, or in support of, a bidder’s proposal, which bidder considers confidential or otherwise excepted from disclosure under the Freedom of Information Law, must be specifically so identified, and the basis for such confidentiality or other exception must be specifically set forth.

Please list **all** such documents for every portion of the proposal on the form below, and include a copy of this document with the technical proposal. Materials which are not indicated below may be released in their entirety upon request without notice to you.

According to law, the entity requesting exemption from disclosure has the burden of establishing entitlement to confidentiality. Submission of this form does not necessarily guarantee that a request for exemption from disclosure will be granted. If necessary, NYSED will make a determination regarding the requested exemptions, in accordance with the process set forth in Public Officers Law §89(5).

## Technical Assistance Center (TAC) Certification

1. The TAC agrees to provide a substantial amount of the contract through direct services by its employees and not to subcontract with third parties. In those instances where a subcontract is required to satisfy the mission of the TAC, the subcontract must be for the provision of direct support to the activities of the TAC.
2. All tasks and activities required to be provided by the TAC will be explicitly listed in each contract. Changes in scope, amount, period or budget are subject to review by the Contract Administration Unit and may also require an amendment approved by the Office of the State Comptroller.
3. TACs will be reimbursed for allowable expenses that are actual, reasonable and necessary as authorized in the contract and based on documentation specified by Fiscal Management and described in each contract.
4. The TAC must file a program performance report that must identify achievement towards specific activities and objectives listed in the contract to be approved by the Deputy Commissioner and filed with the final payment.
5. The TAC must include an initial disclosure statement listing the names of owners and employees who are former State Education Department employees and any subcontractors used whose business is owned by former Education Department employees. Failure to comply will be grounds for withholding payments and/or termination of the contract. If awarded a contract, amended disclosure statements must be submitted as changes occur.
6. The TAC will not hire employees to work directly for this Department or any other State agency nor may TAC staff be directly supervised by Department staff.
7. The TAC will not allow the Department to direct the hiring of or participate in hiring TAC staff beyond requiring that the TAC provide staff with certain required education and skills as specified in the solicitation document.  
Note, Department staff or Department advisory council members may meet with the TAC to plan, discuss goals and objectives and to monitor outcomes.
8. TACs will not allow the Department to direct the TAC to enter into subcontracts with specific contractors.
9. The TAC will not procure a Department sponsored or co-sponsored conference. TAC staff may assist with administrative tasks associated with running the conference (i.e. registration, mailings, etc.).
10. TACs may provide services that directly benefit local education agencies and their staff, parents, students, teachers or other appropriate Department customers. Appropriate activities include: training and staff development; technical assistance through on-site visits, distance learning techniques, and/or written or verbal communications; evaluations; and the dissemination of information needed by the constituency served to achieve goals and standards established by the Commissioner and the Board of Regents.
11. TACs are prohibited from making purchases for the direct use or benefit of the Department or any other State agency or any member of their staff. This includes, but is not limited to, equipment, travel, supplies and materials, leasing space, contractual services etc. TACs may not enter into subcontracts that provide direct services to the Department.
12. Allowable costs will be detailed in the contract. Allowable travel expenses may not exceed the amounts allowed by NYS Travel Guidelines. Allowable costs of training seminars or conferences will be limited to necessary trainers and their expenses, meeting rooms, supplies and materials incidental to the training, and light beverages and snacks for breaks. Meals will be allowed when the training necessarily requires a full day (6 hours of actual training time). The maximum reimbursable amount will be based on the Federal meal rates used by NYS for travel reimbursement. The maximum allowable lunch reimbursement will be 50% of the full Meals and

Incidental Expenses (M & IE) rate plus an 18% gratuity. The full M & IE rate is the sum of the full per diem amount for breakfast and dinner. The rates can be found at [GSA Per Diem Rates Look-Up website](#). Note, the amounts claimed must be actual expenses incurred. The per diems are maximums. Exceptions to these limitations require the prior approval of the Deputy Commissioner and the Chief Financial Officer.

13. Unallowable costs include, but are not limited to, gifts, contributions, alcoholic beverages, entertainment and expenses that violate the State’s Ethics Law.

**Note: During periods of fiscal stress in the State, costs that are otherwise allowable such as meals may be prohibited.**

**Proposals that do not include this signed certification will be disqualified and removed from further consideration.**

I certify that the contractor will comply with all of the above requirements for a Technical Assistance Center.
