AIIFT**TEST IN ALGEBRA II**Print Your Name: **Directions to Students:**

Print your name in the box above. Be sure you have completed the heading on the separate answer sheet for multiple-choice questions by providing the information requested according to the instructions below. Use a No. 2 pencil, only.

1. Complete the heading. Enter "Algebra II," your name, today's date, and the name of your school and city on the appropriate lines.
2. Write the school BEDS code as directed by your teacher. Then fill in the appropriate circle under each number.
3. Write the numbers for the year and day of your birth and then fill in the appropriate circle in each column for year, month, and day of birth. Fill in the appropriate circle for grade.
4. In the boxes for booklet number, write the number that appears in the upper left corner of this page. In the boxes for form number, write the number that appears in the upper right corner of this page. Then fill in the appropriate circle under each number.

Record your answers to the multiple-choice questions in *Section A* on the separate answer sheet. The answers and your work for all other questions should be written directly in this test booklet. No scrap paper will be permitted, but you may use the pages in this test booklet for computations.

The High School Math Reference Sheet (provided separately) should be used as needed.

A graphing calculator and a straightedge (ruler) must be available for you to use while taking this test.

The possession or use of any communications device is strictly prohibited when taking this examination.

Answer all questions on this test. You should budget your time so that you give every question careful consideration. Read all directions carefully before answering any of the questions. Do *not* put your answer sheet inside the test booklet. The test booklets, answer sheets, and reference sheets will be collected a few minutes before the end of the class period.

OPEN YOUR TEST BOOKLET AND BEGIN WORK.

ESFT**TEST IN PHYSICAL SETTING/EARTH SCIENCE****Directions**

This booklet contains TWO parts. Your answers for the Part A questions must be recorded in Section A of the separate answer sheet for multiple-choice questions. Your answers for the Part B questions must be recorded in the spaces provided on a second answer sheet, which is the last page of this test booklet.

On the separate answer sheet for Part A multiple-choice questions, be sure you have completed the heading by providing the information requested according to the instructions below. Use a No. 2 pencil, only.

1. Complete the heading. Enter "Earth Science," your name, today's date, and the name of your school and city on the appropriate lines.
2. In the boxes for booklet number, write the number that appears in the upper left corner of this page. In the boxes for form number, write the form number that appears in the upper right corner of this page. Then fill in the appropriate circle under each number.

Now, turn to the *last* page of this test booklet and detach the answer sheet *very carefully*. On this second answer sheet, fill in your name and the name of your school in the spaces provided.

The *2011 Edition of the Reference Tables for Physical Setting/Earth Science* and a four-function or scientific calculator should be used as needed.

The possession or use of any communications device is strictly prohibited when taking this examination.

Answer all questions. You should budget your time so that you give every question careful consideration. Do *not* put your answer sheets inside the test booklet. The test booklets and both answer sheets will be collected a few minutes before the end of the class period.

OPEN YOUR TEST BOOKLET AND BEGIN WORK.

GFT3-18**TEST IN GLOBAL HISTORY AND GEOGRAPHY**

This booklet contains **TWO** parts. In Part I, you will answer multiple-choice questions. In Part II, you will write an essay based on a specific theme. Follow the directions for each part.

Directions for Part I

On the separate answer sheet, provide the information requested according to the instructions below. Use a No. 2 pencil only.

1. Complete the heading. After the words "Test in," enter "Global History and Geography." Then enter your name, today's date, the name of your school, and city on the appropriate lines.
2. Fill in the boxes and circles for your school's 12-digit BEDS code.
3. Fill in the boxes and circles indicating your date of birth and grade level.
4. Fill in the boxes and circles for booklet number and form number. The 5-digit **booklet number** appears in the upper left corner of this page. The 3-digit **form number** appears in the upper right corner.

In Part I, each question is followed by four choices. In *Section A* on the separate answer sheet, mark your answer in the row of circles for each question by filling in the circle that has the same number as the answer you have chosen. Be sure to use a No. 2 pencil to mark the answer sheet. Fill in only one circle for each question. Erase completely any answer you want to change.

The test booklets and answer sheets will be collected a few minutes before the end of the examination period.

The possession or use of any communications device is strictly prohibited when taking this examination.
