

“I’m Just Like You” :45

I may not look like you. I may not look like you.
Or dress like you. Or sound like you. Or sound like you.
But that doesn’t mean I don’t think like you. Or play like you.
Or laugh. Or love. Or smile like you. Or smile like you.
I’m just like you. I’m just like you.
You just don’t know it yet.
Some people judge me. Some people judge me because of how I look.
Or where I’m from. Or where I’m from.
And that’s just silly.
So don’t think you already know me,
before you even get a chance to know me.
Because I might just end up being your best friend.
All you have to do is be kind.
We’ll both be happier for it.
We’ll both be happier for it.
