PreK Contact Information Update

It is the policy of the NYS Education Department (SED) to use e-mail for all bulk correspondence to school districts, including but not limited to policy notices, applications, funding opportunities and important deadlines. Therefore, it is imperative that we have correct contact information, including email addresses and that your district's system allow delivery of email from SED. Please help us keep you up-to-date on the many changes happening in the various prekindergarten programs by completing this form. Completed forms may be emailed to oel@nysed.gov or faxed to 518-473-7737. Thank you.
