II. INTRODUCTION

The New York State MBK Native American program is one of the initiatives established under the Board of Regents to increase the academic achievement and college and career readiness of disadvantaged youth, particularly boys and young men of color.

III. PURPOSE AND PROJECT COMPONENTS

The purpose of the Native American Program is to increase the academic achievement and college/career readiness of Native American students, with emphasis on boys and young men. Funded projects will be open to all Native American students residing within the boundaries of the applicant school district, including any

students who have self-identified as Native American (even if they are not on an official tribal roll or living on the reservation). All school districts and Tribal Nations are expected to participate in two or more project components, including the following:

1. **Attend and partake in the NYSED Native American College/Career/Trade Fair in the fall of 2018**
(mandatory for all funded projects)

AND

2. Pick **one or more** of the following components;
 - Create a program that assists individuals with disabilities in achieving and maintaining employment and to support independent living.
 - Provide K-12 Native American male students with academic support services.
 - Create a student leadership program that helps recruit, train and mentor students to take leadership roles in the community.
 - Create a mentoring program pairing Native American males with role models from the local community, including local colleges and universities.
 - Provide activities aimed at promoting and strengthening cultural awareness and education.
 - Provide activities that support vocational and technical education programs and promote job readiness, job placement, and job retention for Native Americans.

IV. RATIONALE AND GOALS

New York State, through actions by the Board of Regents, the Governor and Legislature, is the first in the nation to adopt a statewide version of My Brother's Keeper, an initiative from President Obama to boost the educational futures of disadvantaged youth, particularly young minority men and boys. As part of the national initiative launched in February 2014, My Brother's Keeper seeks to close the persistent achievement gap in educational achievement and opportunity between disadvantaged youth, particularly young minority men and boys and their peers. MBKNAP has three goals:

1. An overarching goal is to encourage and support young men in making good choices, becoming more resilient, overcoming educational and community obstacles, and achieving their dreams in life, thereby improving their communities and the state. As far back as 1975 the Board of Regents adopted educational policies which seek to alleviate the achievement gaps of Native American students ([Position Paper #22](#)). The principles included in the Regents' nine directives sit firmly as the foundation for many of the activities which are now ideally to be implemented for all disadvantaged youth, particularly boys and young men of color.
2. While there has been slight improvement on educational measures of academic skills, one of the consistent features of any type of analysis has been and continues to be the significant achievement gap between minority and non-minority students. The achievement gap refers to the observed, persistent

disparity of educational measures between the performances of groups of students, especially groups defined by socioeconomic status, race/ethnicity and gender. The specific goal of the My Brother's Keeper Native American Program is to address the academic achievement gap by providing activities that support academic instruction and vocational and technical education programs and promote job readiness, job placement, and job retention for Native Americans.

3. The ultimate goal of success for the MBKNAP is for Native American students to gain knowledge and skills to promote academic achievement and life skills needed for successfully entering the college and ultimately the workforce.

V. OBJECTIVES, STRATEGIES, AND ACTIVITIES

Through this application process, the eligible school districts must submit plans on how they will partner with local Tribal Nations to address activities listed above in section III.

For each project component, be sure to address the following:

Objectives and Strategies

List specific objectives to be accomplished and the strategies to be used in accomplishing them. Objectives must support the MBK Native American Program goals and must be measurable.

Activities and Services

List and describe each activity and service that supports the achievement of each objective. Include required instructional, support, and advocacy services needed for staff, student, family, and community member engagement and growth.

Staff Responsible: Indicate staff responsible for the implementation of each activity or service.

Timeframe: Indicate the start and end dates, the timeframe, and the duration of each activity or service

Measures: For each objective, describe the performance measures sources that will assess its efficacy.

VIII. FUNDING LIMITATIONS AND METHOD OF DETERMINING AWARD AMOUNTS

Funds will be allocated to each eligible school district by formula, based on the number of Native American students it serves, if the district has met the requirements of this RFA and submitted sufficient detail regarding a minimum of two components. If all eligible districts are fully funded, the amount of funding available per student is \$208.

For an increase in available funding:

If all available funds are not allocated, or if new or additional funding becomes available, and NYSED chooses to distribute this funding to eligible entities, NYSED will allocate the funds by allocating additional funds to currently funded school districts who accept the challenge for an additional component.

IX. BUDGET

Budget Form (FS-10)

Applicants must submit a FS-10 budget with this application, for the initial project period of March 19, 2018–December 31, 2018. The budget will be reviewed and scored.

The applicant must complete the FS-10 Budget Form. Budgeted costs must be in compliance with applicable State and federal laws and regulations and the Department’s Fiscal Guidelines. These guidelines, as well as the FS-10 form, are available online at the following URL:

<http://www.oms.nysed.gov/cafe>. The FS-10 must bear the original signature of the Chief School/Administrative Officer.

Information about the categories of expenditures and general information on allowable costs, applicable cost principles and administrative regulations are available in the Fiscal Guidelines for Federal and State Aided Grants at <http://www.oms.nysed.gov/cafe/guidance/guidelines.html>.

The budget should be reasonable and appropriate to cover program expenses.

For more information, visit the website

<http://www.oms.nysed.gov/cafe/guidance/faqs.html>

A. Use of Funds

1. Activities funded under a MBKNAP award will be administered according to a written agreement between the State Education Department and the participating school district.
2. Amendments to the proposal during the course of the year that involve changes in the manner in which MBKNAP funds are expended must have prior written approval from the MBKNAP-SED. Expenses for activities not included in the approved budget will not be reimbursed by the State.

Allowable Expenses

Allowable costs include the following:

1. **Program administration:** including as allowable: professional and non-professional salaries, fringe benefits, staff travel, purchased services/consultant services, regional and statewide professional development; reimbursement for “release time” for school personnel engaged in program planning and implementation reported as a purchased service. Out of state travel requires prior approval by SED.
2. **Program activities:** including as allowable: educational services, academic enrichment, tutoring and other support services, career related internships, and professional development, program achievement/awards, project brochures/materials and promotional activities, expenses related to program attendance and technical assistance costs of the MBKNAP such as participant transportation, and evaluation materials and activities.

 - a. When durable goods (to include computer equipment) are purchased with MBKNAP-SED funds, it is the responsibility of the district to ensure that the Equipment Inventory Form is completed and that a copy is submitted to the MBKNAP-SED.
 - b. If a program closes, any durable goods purchased with MBKNAP-State funds must be released for transfer to another MBKCG program so that the durable goods continue to support MBKNAP students.
 - c. MBKNAP-SED staff will assist District staff in arranging the transfer of such durable goods.

6. MBKNAP funds are intended to establish new efforts or to enrich or expand existing ones. They may not be used to supplant funding of other existing efforts.
7. MBKNAP funds cannot be used to pay for the salary or stipend of the MBKNAP Director's Supervisor or someone designated as a Principal Investigator for the grant.

Form FS-10-A: Proposed Amendment for a Federal or State Project must be used to request a budget amendment and must be submitted to MBKNAP-SED for review. All FS-10-A forms must be submitted anytime between the start date of any funding year and November 1st of that year. Funds should not be expended until the budget amendment has been approved in writing.
2. Funds up to 10 percent of line categories may be transferred between approved line categories without prior written approval. However, MBKNAP-SED must be informed in writing of all amendments made to an approved budget within 30 days of each occurrence, but no later than November 1, 2018.

F. Institutional Funds

1. Program Support: The district or a partner must provide sufficient space and other resources for the effective operation of the project activities.
2. Institutional Obligation: Districts approved for funding will have an obligation to honor the district amount committed in support of the program in each budget category. This obligation will be

reflected in the approved budget agreed to by the State Education Department and the institution. The budget may be amended during the year following the procedures stated in *Budget: E*.

G. MBKNAP Payment Schedule

Please refer to the **FISCAL GUIDELINES FOR FEDERAL AND STATE AIDED GRANTS** at:

<http://www.oms.nysed.gov/cafe/guidance/guidelines.html>

The following M/WBE requirements apply when an applicant submits an application for grant funding that exceeds \$25,000 for the full grant period.

All forms referenced here can be found in the M/WBE Documents section at the end of this RFP.

All applicants are required to comply with NYSED's Minority and Women-Owned Business Enterprises (M/WBE) policy. Compliance can be achieved by one of the three methods described below. Full participation by meeting or exceeding the M/WBE participation goal for this grant is the preferred method.

M/WBE participation includes services, materials, or supplies purchased from minority and women-owned firms certified with the NYS Division of Minority and Women Business Development. Not-for-profit agencies are not eligible for this certification. For additional information and a listing of currently certified M/WBEs, see the [NYS MWBE Directory](#).

The M/WBE participation goal for this grant is 30% of each applicant's total discretionary non-personal service budget each year of the grant. Discretionary non-personal service budget is defined as total annual budget, excluding the sum of funds budgeted for:

1. direct personal services (i.e., professional and support staff salaries) and fringe benefits; and
2. rent, lease, utilities and indirect costs, if these items are allowable expenditures.

COMPLETE FORMS:

M/WBE 105 Contractor's Good Faith Efforts

GOOD FAITH EFFORTS

Applicants must make a good faith effort to solicit NYS certified M/WBE firms as subcontractors and/or suppliers to achieve the goals for this grant. Solicitations may include, but are not limited to: advertisements in minority and women-centered publications; solicitation of vendors found in the [NYS Directory of Certified Minority and Women-Owned Business Enterprises](#); and the solicitation of minority and women-oriented trade and labor organizations.

Good faith efforts include actions such as setting up meetings or announcements to make M/WBEs aware of supplier and subcontracting opportunities, identifying logical areas of the grant project that could be subcontracted to M/WBE firms, and utilizing all current lists of M/WBEs who are available for and may be interested in subcontracting or supplying goods for the project.

Applicants should document their efforts to comply with the stated M/WBE goals and submit this with their applications as evidence. Examples of acceptable documentation can be found in form M/WBE 105, Contractor's Good Faith Efforts. NYSED reserves the right to reject any application for failure to document "good faith efforts."

REQUEST FOR WAIVER

When full participation cannot be achieved, applicants must submit a Request for Waiver (M/WBE 101). Requests for Waivers must be accompanied by documentation explaining the good faith efforts made and reasons they were unsuccessful in obtaining M/WBE participation.

NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable applicants to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total budget.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) should be reported to the NYSED M/WBE Program Unit using the M/WBE 104G Quarterly M/WBE Compliance Report. This report should be submitted on a quarterly basis and can be requested at MWBEGrants@nysed.gov.

NYSED's M/WBE Coordinator is available to assist applicants in meeting the M/WBE goals. The Coordinator can be reached at MWBEGrants@nysed.gov.

Equal Employment Opportunity Reporting (EEO) Pursuant to Article 15-A of the New York State Executive Law

Applicants must complete and submit form EEO 100: Staffing Plan.

M/WBE Goal Calculation Worksheet

Project Name: New York State MBK Native American Program

Applicant Name: _____

The M/WBE participation goal is 30% of each grantee's total discretionary non-personal service budget. Discretionary non-personal service budget is defined as the total budget, excluding the sum of funds budgeted for direct personal services (i.e., professional and support staff salaries); fringe benefits; the portion of the budget in purchased services representing stipends, student tuition, and financial assistance; indirect costs; room and board, if these are allowable expenditures.

For the purposes of the grant, the salary and fringe benefit exclusion applies to the expenses of the lead applicant as well as any approved partner organization. For example, the salaries of project staff employed by any approved partner should be excluded from the total budget, along with the lead applicant's project staff salaries, when calculating the discretionary non-personal service budget. Therefore, **lines 2-4 below will include any project salaries and fringe benefits of the lead applicant AND members of the partnership.** (Please note that the indirect costs of partner organizations are not allowable expenses under this grant program.)

Please complete the following table to determine the dollar amount of the M/WBE goal for this grant application.

Attachment VII. Appendix A Standard Clauses for NYS Contracts

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. 26. **IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“[Prohibited Entities List](#)”).
