SUBJECT: 2019-20 Title I School Improvement Grant (SIG) 1003 Basic Allocation Increase

DATE: September 30, 2019

The New York State Education Department (NYSED or “the Department”) has increased the 2019-20 Title I SIG 1003 Basic allocations for eligible schools for the 2019-20 SIG project period (9/1/2019 – 8/31/2020) as follows:

- Comprehensive Supports and Improvement Schools (CSI): The initial allocation for eligible CSI schools has been increased from \$100,000 to \$200,000 for the 2019-20 SIG project period. A list of eligible CSI schools is included as Attachment A
- Targeted Supports and Improvement Schools (TSI): The allocation for TSI schools with **three or more identified** subgroups has increased by \$25,000 for a total allocation of \$75,000. The allocation for TSI schools with one or two identified subgroups will remain \$50,000. A list of TSI schools eligible for increased funding is included as Attachment B.

Only CSI and TSI schools that met the original eligibility requirements for the 2019-20 Title I SIG 1003 Basic will receive the allocation increase. Schools may begin planning for the use of the funds but cannot revise the initial SIG application to access the additional funds. The additional funds can be accessed with a budget amendment (FS-10A) after the initial 2019-20 SIG application and budget have been reviewed and approved.

Next Steps:

After the initial 2019-20 Title I SIG 1003 Basic application and budget have been approved, the district may submit an FS-10A budget amendment that details the additional activities planned for the eligible schools. Please submit one original and two copies of the amendment to:

NYS Education Department - Office of Accountability
Attn: 2019-20 SIG 1003 Basic Amendment

Please contact the Office of Accountability at 518-473-0295 or via email at SIGA@NYSED.GOV if you have any questions or concerns about the additional funds.
