## **My Brother's Keeper Exemplary School Models and Practices (ESMP) 2022-2024**

### **Application Guidance: Early Learning Initiative for Ages Birth to Eight-years-old**

#### **Introduction**

The My Brother's Keeper ESMP was initially established under an initiative of the Board of Regents to increase the academic achievement and college and career readiness of boys and young men of color. For the purposes of this RFP a 'boy or young man of color' includes, male students in NYS public schools who are identified in their school records with race/ethnicity described as Black or African-American, Hispanic/Latino, Asian, Native Hawaiian or other Pacific Islander, American Indian or Alaska Native, or two or more races. School districts are required to ensure that the official school record accurately identifies the student in the category that the student has identified and not a category identified by a school or district official.

#### **Purpose**

This announcement is intended to assist public school districts and BOCES in applying for the Exemplary School Models and Practices Grant (ESMP) for 2022-2024. The purpose of this development, dissemination and replication request for proposal (RFP) is to support innovative approaches to identifying, understanding, and overcoming barriers to the adoption, adaptation, integration, scale-up and sustainability of evidence-based interventions, tools, policies, and guidelines that improve outcomes for youth placed at risk with an emphasis on boys and young men of color. Conversely, this grant process will also aid in understanding conditions that create a need to "de-implement" or decrease the use of strategies and procedures that are not evidence-based, have been prematurely widely adopted, or are harmful or inefficient. For example, some schools have extremely strict suspension policies which do not promote improved outcomes for students. The applicant may include information that would indicate that they are or will move away from harsh suspension strategies.

The primary objective of this program is to investigate and replicate educational programs and models that build academic identity and social capital for underachieving youths.

#### **Rationale**

New York State, through actions by the Board of Regents, the Governor and Legislature, has taken steps to become the first in the nation to adopt a statewide version of My Brother's Keeper, an initiative from President Obama to boost the educational futures of young minority men and boys. As part of the national initiative launched in February 2014, My Brother's Keeper seeks to close the persistent achievement gap in educational access, achievement and opportunity between young minority men and boys and their peers. An overarching goal is to encourage and support young men in making good choices, becoming more resilient, overcoming educational and community obstacles, and achieving their dreams in life thereby improving their communities and the state. As far back as 1975

the Board of Regents adopted educational policies which seek to alleviate the achievement gaps of Native American students (Position Paper #22). The principles included in those nine Regent's directives, sit firmly as the foundation for many of the activities which are now ideally to be implemented for all boys and young men of color.

While there has been slight improvement in educational measures of academic skills, one of the consistent features of any type of analysis has been and continues to be the significant achievement gap between minority and non-minority students. The achievement gap refers to the observed, persistent disparity of educational measures between the performances of groups of students, especially groups defined by socioeconomic status, race/ethnicity, and gender. The approach in the My Brother's Keeper Program is to engage, head on, specific factors that perpetuate the continuing achievement gap. It is hoped that significant actions on these concrete factors will result in finally closing the persistent achievement gap for boys and young men of color in New York State.

As there is no conclusive cause of the achievement gap, the approach for this RFP is a model of Development, Dissemination and Replication grants to empower LEAs, P-12 schools, institutions of higher education (IHE), and community-based programs (CBP) to broadly share proven best practices information and assistance that improve outcomes for New York State students placed at risk with an emphasis on boys and young men of color.

Replication is a dynamic process for improving the quality of local services by developing credible knowledge about effective program models and reproducing those models in a variety of local settings by a process that includes adaptation and evolution while maintaining the results of the original. Successful replication requires: (1) evidence of the effectiveness of the model to be replicated; (2) reasonable input costs; (3) availability of a qualified replicating agent; (4) an identifiable market need for the program or service to be replicated; (5) choice of a replication strategy appropriate to both the product and the institutional context in which the replication will occur; and (6) provision for continuing evaluation.

Over the past several years, diverse groups representing foundations, think tanks, and national/local leaders from a variety of arenas have emphasized an aggressive agenda dedicated to improving college readiness rates of our nation's students. Also, the increasing demands for accountability, both locally and nationally, together with the ever-expanding lists of evidence-based programs and policies, have created an increased demand for school districts, schools, IHE, and CBPs to identify effective programs and policies to better serve their most vulnerable youth populations. Despite the aggressive calls for more accountability and the proliferation of research/evidence-based practices, our nation's most vulnerable students continue to experience persistent access and opportunity gaps. This is most acutely apparent for boys and young men of color.

### **Description of Program**

The purpose of the Exemplary School Models and Practices grant is to close the achievement gap in New York State, with an emphasis on boys and young men of color. Additionally, this grant seeks to increase college and career readiness (CCR) by replicating

the exemplary school models, programs, and practices of higher-performing schools with graduation rates for boys and young men of color that exceed the statewide graduation rate of 80% in schools in other districts that have not yet reached that milestone.

There are two options that may be pursued to achieve this goal: Options 1 (A or B) and Option 2.

### **Option 1**

Districts or BOCES will implement or grow an existing **early learning initiative for ages birth to eight-years-old** that is developmental, research-based, includes cross-municipal agencies, and has demonstrated positive outcomes, with a level of fidelity that will make them exemplary, with the goal of **EITHER:**  
**A)** entering Kindergarten ready to learn; **OR**  
**B)** reading on grade level by third grade.

NYS public school districts may apply for Option 1: an early learning initiative for ages birth to eight-years-old **OR** Option 2: a high school with exemplary practices **OR** BOTH Options. **Districts applying for more than one grant must submit a separate application for each program.**

BOCES may apply for Option 1 ONLY, an early learning initiative for ages birth to eight-years-old.

### **Option 2**

New York State Public school districts that have demonstrated an ability to close the achievement gap between boys and young men of color and the overall rest of state populations may apply if they have at least one high school with exemplary practices that are significant factors in improving the academic achievement and college and career readiness (CCR) of students, with an emphasis on boys and young men of color. These exemplary practices will be demonstrated by graduation rates for boys and young men of color that exceed the NYS average graduation rate for all students of 80% for at least three years, between 2016-2017 through 2019-2020. The applicant district will **replicate** their exemplary high-quality practices in **another** district.

The eligible applicant's demonstration site school **must partner with** a demographically similar school that is in another district, and is either:

- a **Comprehensive Support and improvement (CSI) or Targeted Support and Improvement (TSI)** school; or

- a school with a **graduation rate for boys and young men of color that is 10 or more percentage points below the New York State graduation rate for all students of 80%.**

NYS public school districts may apply for Option 1: an early learning initiative for ages birth to eight-years-old OR Option 2: a high school with exemplary practices OR BOTH Options. **Districts applying for more than one grant must submit a separate application for each program.**

BOCES may apply for Option 1 ONLY, an early learning initiative for ages birth to eight-years-old.

### **Funding Amounts**

The total allocation for **2022** is expected to be **\$2,000,000**.

The initial project period will be from **January 1, 2022 – August 31, 2022**, and for two subsequent years beginning **September 1, 2022**, subject to the continuation of the State appropriation.

There will be ten (10) awards of up to \$200,000 annually for the three-year grant term. These awards will be made as follows:

**Option 1: Five (5) awards** to districts or BOCES that can and will implement or grow an existing **a researched based early learning initiative for ages birth to eight-years-old;**

**Option 2: Five (5) awards** to districts with at least one high school with exemplary practices that are significant factors in improving the academic achievement and college and career readiness (CCR) of students, with an emphasis on boys and young men of color. These exemplary practices will be demonstrated by graduation rates for boys and young men of color that exceed the NYS average graduation rate for all students of 80% for at least three years, between 2016-2017 through 2019-2020. The applicant district will **replicate** their exemplary high-quality practices in **another** district.

### **Allowable Expenditures**

Allowable expenditures include the following:

1. **Program administration:** including professional and non-professional salaries, fringe benefits, staff travel, purchased services/consultant services, regional and statewide professional development; reimbursement for “release time” for school personnel engaged in program planning and implementation reported as a purchased service. Out of state travel requires prior approval by SED.
2. **Program activities:** including educational services, academic enrichment, tutoring and other support services, and professional development, project brochures/materials and promotional activities, expenses related to program

attendance and technical assistance costs of the MBK such as participant transportation, and evaluation materials and activities.

3. **Administrative and instructional supplies, materials, and durable goods:** including instructional or administrative computer software and computers, etc., which are used principally in the operation and administration of the project.
  - a. When durable goods (to include computer equipment) are purchased with MBK ESMP-SED funds, it is the responsibility of the district to ensure that the Equipment Inventory Form is completed and that a copy is submitted to the MBK ESMP-SED.
  - b. If a program closes, any durable goods purchased with MBK ESMP-State funds must be released for transfer to another MBK ESMP program so that the durable goods continue to support MBK ESMP students.
  - c. MBK ESMP-SED staff will assist District staff in arranging the transfer of such durable goods.

#### Non-Allowable Expenditures:

1. Funds may not be used for indirect costs.
2. Funds may not be used for construction or renovation of classroom or office space.
3. Funds may not be used for equipment (items with a per-unit cost of \$5000 or more).
4. Funds are not available for rental of office or meeting space, storage facilities, equipment or fixtures.
5. Funds cannot be used for items which previously had been assumed by the institution. The purpose of a MBK award is to supplement rather than supplant monies previously or presently allocated to MBK related activities.
6. MBK funds are intended to establish new efforts or to enrich or expand existing ones. They may not be used to supplant funding of other existing efforts.
7. MBK funds cannot be used to pay for the salary or stipend of the MBK ESMP Program Director's Supervisor or someone designated as a Principal Investigator for the grant.
8. Funds may not be used for purposes other than those described in the approved grant.
9. MBK funds cannot be used for organizational dues or items not specifically allowed under the categories identified above.

#### Use of Funds

Amendments to the proposal during the course of the year that involve changes in the manner in which MBK ESMP funds are expended must have prior written approval from the MBK ESMP-SED, and may require approval by the Office of the State Comptroller. Expenses for activities not included in the approved budget will not be reimbursed by the State.

## Transfer of Funds

1. Budget transfers of more than 10 percent in any category must be submitted as a budget amendment. Form FS-10-A: Proposed Amendment for a Federal or State Project must be used to request a budget amendment and must be submitted to MBKESMP-SED for review. All FS-10-A forms must be submitted between the start date of any funding year and **July 31<sup>st</sup>** of that year. Funds should not be expended until the budget amendment has been approved in writing.
2. Funds up to 10 percent of line categories may be transferred between approved line categories without prior written approval. However, MBKESMP-SED must be informed in writing of all amendments made to an approved budget within 30 days of each occurrence, but no later than **July 31<sup>st</sup>** of the program year.

## Institutional Funds

1. Matching Funds: A **minimum 15 percent match** of the approved MBK ESMP grant is required. The matching requirement may be met through the district's own resources, private sources, other governmental sources, and/or in-kind services. Other State funds may be used in this match with the exception of state grant funds from educational opportunity programs but may not duplicate services currently being provided. All matching contributions must be used for activities related exclusively to the MBK ESMP project, and institutional accounts must be structured to reflect this contribution by the appropriate line item. **With high school awards, the 15% match is to come from the replication district.**
2. Program Support: The district must provide sufficient space and other resources for the effective operation of the project activities.
3. Institutional Obligation: Districts approved for funding will have an obligation to honor the district amount committed in support of the program in each budget category. This obligation will be reflected in the approved budget agreed to by the State Education Department and the institution. The budget may be amended during the year following the procedures stated in *Transfer of Funds*.

## MBK ESMP Payment Schedule

Please refer to the [FISCAL GUIDELINES FOR FEDERAL AND STATE AIDED GRANTS](#).

Funds will be provided through a 25% initial payment, up to 90% based upon submitted FS-25 forms as interim payments, with the final 10% will be reimbursed upon completion of the required reports and FS-10F.

## Reporting and Monitoring

Each institution receiving an MBKESMP grant will be required to submit an interim and final report to MBKESMP-SED. The interim and final reports annually will outline the scheduled

activities in the program period identifying tasks, assignments, data on student achievement and movement toward the project expectations, and specific objectives accomplished within the reporting period. A format and reporting schedule for the reports will be provided by MBKESMP-SED and will include a monitoring of the educational markers used to measure success.

Grantees must submit an annual performance report at the end of each grant period but no later than thirty (30) days after the conclusion of the project year, each year of the grant. The performance report should demonstrate that substantial progress has been made toward meeting the project goals and the program performance indicators. Additional information about the annual performance report will be made available to grantees by SED after grant awards are made. Grantees who do not demonstrate adequate performance may be discontinued.

### **Entities' Responsibility**

Projects must operate under the jurisdiction of the local board of education, or other appropriate governing body, and are subject to at least the same degree of accountability as all other expenditures of the local agency. The local board of education, or other appropriate governing body, is responsible for the proper disbursement of, and accounting for, project funds. Written agency policy concerning wages, mileage and travel allowances, overtime compensation, or fringe benefits, as well as State rules pertaining to competitive bidding, safety regulations and inventory control must be followed. Supporting or source documents are required for all grant-related transactions entered into the local agency's recordkeeping systems. Source documents that authorize the disbursement of grant funds consist of purchase orders, contracts, time and effort records, delivery receipts, vendor invoices, travel documentation and payment documents.

Supporting documentation for grants and grant contracts must be kept for at least six years after the last payment was made unless otherwise specified by program requirements. Additionally, audit or litigation will "freeze the clock" for records retention purposes until the issue is resolved. All records and documentation must be available for inspection by State Education Department officials or their representatives.

For additional information about grants, please refer to the [Fiscal Guidelines for Federal and State Aided Grants](#).

### **Accessibility of Web-Based Information and Applications**

Any documents, web-based information and applications development, or programming delivered pursuant to the contract or procurement, will comply with New York State Education Department IT Policy NYSED-WEBACC-001, Web Accessibility Policy as such policy may be amended, modified or superseded, which requires that state agency web-based information, including documents, and applications are accessible to persons with disabilities. Documents, web-based information and applications must conform to NYSED-WEBACC-001 as determined by quality assurance testing. Such quality assurance testing will be conducted by NYSED employee or contractor and the results of such testing must be satisfactory to NYSED

before web-based information and applications will be considered a qualified deliverable under the contract or procurement.

**Minority and Women-Owned Business Enterprise (M/WBE) Participation Goals Pursuant to Article 15-A of the New York State Executive Law**

***The following M/WBE requirements apply when an applicant submits an application for grant funding that exceeds \$25,000 for the full grant period.***

***All forms referenced here can be found in the M/WBE Documents section at the end of this RFP.***

All applicants are required to comply with NYSED's Minority and Women-Owned Business Enterprises (M/WBE) policy. Compliance can be achieved by one of the three methods described below. Full participation by meeting or exceeding the M/WBE participation goal for this grant is the preferred method.

M/WBE participation includes services, materials, or supplies purchased from minority- and women-owned firms certified with the NYS Division of Minority and Women Business Development. Not-for-profit agencies are not eligible for this certification. For additional information and a listing of currently certified M/WBEs, see the [NYS MWBE Directory](#).

The M/WBE participation goal for this grant is 30% of each applicant's total discretionary non-personal service budget each year of the grant. Discretionary non-personal service budget is defined as total annual budget, excluding the sum of funds budgeted for:

1. direct personal services (i.e., professional and support staff salaries) and fringe benefits; and
2. rent, lease, utilities and indirect costs, if these items are allowable expenditures.

The M/WBE Goal Calculation Worksheet is provided for use in calculating the dollar amount of the M/WBE goal for this grant application.

All requested information and documentation should be provided at the time of submission. If this cannot be done, the applicant will have to submit the necessary documents and respond satisfactorily to any follow-up questions from the Department. Failure to do so may result in loss of funding.

**METHODS TO COMPLY**

An applicant can comply with NYSED's M/WBE policy by one of three methods:

- 1. Full Participation** - This is the preferred method of compliance. Full participation is achieved when an applicant meets or exceeds the participation goals for this grant.

## GOOD FAITH EFFORTS

Applicants must make a good faith effort to solicit NYS certified M/WBE firms as subcontractors and/or suppliers to achieve the goals for this grant. Solicitations may include, but are not limited to: advertisements in minority and women-centered publications; solicitation of vendors found in the [NYS Directory of Certified Minority and Women-Owned Business Enterprises](#); and the solicitation of minority and women-oriented trade and labor organizations.

Good faith efforts include actions such as setting up meetings or announcements to make M/WBEs aware of supplier and subcontracting opportunities, identifying logical areas of the grant project that could be subcontracted to M/WBE firms, and utilizing all current lists of M/WBEs who are available for and may be interested in subcontracting or supplying goods for the project.

Applicants should document their efforts to comply with the stated M/WBE goals and submit this with their applications as evidence. Examples of acceptable documentation

can be found in form M/WBE 105, Contractor's Good Faith Efforts. NYSED reserves the right to reject any application for failure to document "good faith efforts."

## **REQUEST FOR WAIVER**

When full participation cannot be achieved, applicants must submit a Request for Waiver (M/WBE 101). Requests for Waivers must be accompanied by documentation explaining the good faith efforts made and reasons they were unsuccessful in obtaining M/WBE participation.

NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable applicants to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total budget.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) should be reported to the NYSED M/WBE Program Unit using the M/WBE 104G Quarterly M/WBE Compliance Report. This report should be submitted on a quarterly basis and can be requested at [MWBEGrants@nysed.gov](mailto:MWBEGrants@nysed.gov).

NYSED's M/WBE Coordinator is available to assist applicants in meeting the M/WBE goals. The Coordinator can be reached at [MWBEGrants@nysed.gov](mailto:MWBEGrants@nysed.gov).

## **Equal Employment Opportunity Reporting (EEO) Pursuant to Article 15-A of the New York State Executive Law**

Applicants must complete and submit form EEO 100: Staffing Plan.

### **NYSED's Reservation of Rights**

NYSED reserves the right to: (1) reject any or all proposals received in response to the RFP; (2) withdraw the RFP at any time, at the agency's sole discretion; (3) make an award under the RFP in whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the state's investigation of a bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP; (7) prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the RFP in the best interests of the state; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent

errors for the purpose of assuring a full and complete understanding of an offerer's proposal and/or to determine an offerer's compliance with the requirements of the solicitation; (16) request best and final offers.

### **Debriefing Procedures**

All unsuccessful applicants may request a debriefing within fifteen (15) calendar days of receiving notice from NYSED. Bidders may request a debriefing letter on the selection process regarding this RFP by submitting a written request to [ModelRFP@nysed.gov](mailto:ModelRFP@nysed.gov).

The program staff will provide a written summary of the proposal's strengths and weaknesses, as well as recommendations for improvement. Within ten (10) business days, the program staff will issue a written debriefing letter to the bidder.

### **Grant Award Protest Procedures**

Applicants who receive a notice of non-award or disqualification may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.

2. The protest must be filed within ten (10) business days of receipt of a debriefing or disqualification letter. The protest letter must be filed with [ModelRFP@nysed.gov](mailto:ModelRFP@nysed.gov).

3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the bidder with written notification of the review team's decision within ten (10) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.

4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

### **Workers' Compensation Coverage and Debarment**

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements that provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to

ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

## **PROOF OF COVERAGE REQUIREMENTS**

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

***Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.***

### **Proof of Workers' Compensation Coverage**

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12** – Certificate of Workers' Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers' Compensation Group Self-Insurance; or
- **CE-200** – Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage.

### **Proof of Disability Benefits Coverage**

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** – Certificate of Disability Benefits Insurance; or
- **Form DB-155** – Certificate of Disability Benefits Self-Insurance; or
- **CE-200** – Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage.

For additional information regarding workers' compensation and disability benefits requirements, please refer to the [New York State Workers' Compensation Board website](#). Alternatively, questions relating to either workers' compensation or disability benefits coverage should be directed to the NYS Workers' Compensation Board, Bureau of Compliance at (518) 486-6307.

### **Form FS-10 Budget and Narrative (20 points)**

Using the Form FS-10 Budget Form, provide an itemized budget and brief narrative of how the requested funds will be used for the **first year** of the project, January 1, 2022- August 31, 2023.

Grantees will not be allowed to substitute new items for those that have been eliminated.
5. Districts applying for **Option 2, a high school with exemplary practices**, must indicate which expenditures are benefiting the replication (partner) site (**≥40%**, a minimum of **≥\$80,000**) and which expenditures are benefitting the demonstration site/district (with exemplary practices) (**≤60%**, a maximum of **≤\$120,000**).

Budgeted costs must comply with applicable State and federal laws and regulations and the Department's Fiscal Guidelines. These guidelines, as well as the FS-10 form, are

available online on the [Grants Finance website](#). The FS-10 must bear the original signature of the Chief School/Administrative Officer.

Information about the categories of expenditures and general information on allowable costs, applicable cost principles and administrative regulations are available in the [Fiscal Guidelines for Federal and State Aided Grants](#).

### **Method of Award**

The proposals will be rated numerically, with a maximum possible score of 100 points: 80 points for the Narrative Application and 20 points for the Budget/Budget Narrative. Scores are recorded to two decimal places.

Each eligible proposal will be reviewed by at least two reviewers. Each reviewer will score the proposal according to the indicated point criteria in the Proposal Narrative and the Budget using the Proposal Evaluation Rubric. If individual scores are more than 15 points apart, another reviewer will score the application. The two scores closest in numeric value will be averaged to calculate the final average score of the application. If the third reviewer's score is equal to the average of the two original scores, the third reviewer's score will become the final score.

Proposals will be ranked in order of final average score from highest to lowest. In the event of tie scores, proposals with the highest score on in the Proposal Narrative will be ranked higher. If the scores remain tied after this step, the ultimate tiebreaker will be the greatest number of students to be served by the proposal.

**Proposals that receive a final average score of 60 or more will be considered for funding.**

The funds in the appropriation will be distributed to successful applicants according to the process indicated below.

There will be ten (10) awards of up to \$200,000 annually for the three-year grant term. These awards will be made as follows:

#### **Option 1**

**Five (5) awards** to districts or BOCES that can and will implement or grow an existing **early learning initiative for ages birth to eight-years-old** that is developmental, research-based, includes cross-municipal agencies, and has demonstrated positive outcomes, with a level of fidelity that will make them exemplary, with the goal of **EITHER**:

- A)** entering Kindergarten ready to learn; **OR**
- B)** reading on grade level by third grade;

**AND**

#### **Option 2**

**Five (5) awards** to districts with at least one high school with exemplary practices that are significant factors in improving the academic achievement and college and career readiness (CCR) of students, with an emphasis on boys and young men of color. These exemplary practices will be demonstrated by graduation rates for boys and young men of color that exceed the NYS average graduation rate for all students of 80% for at least three years, between 2016-2017 through 2019-2020. The applicant district will **replicate** their exemplary high-quality practices in **another** district.

The eligible applicant **must partner** with

**EITHER**

a **demographically similar Comprehensive Support and improvement (CSI) or Targeted Support and Improvement (TSI)** school in **another** district to replicate these practices.

**OR**

a **demographically similar** school with a **graduation rate for boys and young men of color that is 10 or more percentage points below the New York State graduation rate for all students**, in **another** district to replicate these practices.

In the event that fewer than five awards are made in either option, those remaining awards will be awarded to applicants in the other option based on the next highest ranked application score per the scoring method delineated above until all funds are exhausted.

**Increases or Decreases in Funding**

If new or additional funding becomes available, and NYSED chooses to distribute this funding to applicants of this current RFP, NYSED will allocate the funds in this order by:

1. Making whole any funded programs that have received a partial award;
2. Approving awards, in rank order, for eligible applicants (the combined pool of remaining Option 1 and Option 2 applicants) who received passing scores, but who did not rank high enough to receive the initial funding; and
3. Allocating additional funds among already awarded programs. Maximum request amounts will be established by distributing funding proportionally (based on total annual budget) to those currently funded projects.

Such plan will be subject to review and approval by the Office of the State Comptroller.

A decrease in funding for any subsequent funding year will result in a proportional reduction to all funded projects based on total annual budget.

**APPENDIX A**  
**STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

**4. WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department

in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.** In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

- (a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;
- (b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and
- (c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and
- (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

**22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

**23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.** If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("[Prohibited Entities List](#)").

Contractor agrees that should it seek to renew or extend this Contract; it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.
