**STATE OF NEW YORK
MASTER CONTRACT FOR
GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or

greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2¹, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2², Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

D. Funding: Funding for the term of the Master Contract shall not exceed the amount specified as “Contract Funding Amount” on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Master Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

E. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Master Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Master Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

F. Modifications: To modify the Attachments or Face Page, the parties mutually agree to record, in writing, the terms of such modification and to revise or complete the Face Page and all the

appropriate attachments in conjunction therewith. In addition, to the extent that such modification meets the criteria set forth in Section I.B herein, it shall be subject to the approval of the AG and OSC before it shall become valid, effective and binding upon the State. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Master Contract.

G. Governing Law: The Master Contract shall be governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

H. Severability: Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

I. Interpretation: The headings in the Master Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered to be gender neutral. The Master Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

J. Notice:

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
 - a) by certified or registered United States mail, return receipt requested;
 - b) by facsimile transmission;
 - c) by personal delivery;
 - d) by expedited delivery service; or
 - e) by e-mail.
2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).
3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).
4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

K. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

L. Set-Off Rights: The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Master Contract up to any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

M. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

N. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

O. Legal Action: No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Master Contract. The term “litigation” shall include commencing or threatening to commence a lawsuit, joining or threatening to join as a party to ongoing litigation, or requesting any relief from any of the State of New York, the State Agency, or any county, or other local government entity. The term “regulatory action” shall include commencing or threatening to commence a regulatory proceeding or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

P. No Arbitration: Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

Q. Secular Purpose: Services performed pursuant to the Master Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

R. Partisan Political Activity and Lobbying: Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

S. Reciprocity and Sanctions Provisions: The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.³

T. Reporting Fraud and Abuse: Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

U. Non-Collusive Bidding: By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor’s behalf.

V. Federally Funded Grants and Requirements Mandated by Federal Laws: All of the Specific Federal requirements that are applicable to the Master Contract are identified in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto. To the extent

that the Master Contract is funded, in whole or part, with Federal funds or mandated by Federal laws, (i) the provisions of the Master Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable Federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto.

II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. **General Renewal:** The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a “Simplified Renewal Contract”). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

2. Renewal Notice to Not-for-Profit Contractors:

a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State’s intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State’s intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State (“Unusual Circumstances”), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, “Unusual Circumstances” shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

b) Notification to the not-for-profit Contractor of the State’s intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

C. Termination:

1. Grounds:

- a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

- b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.

- c) Non-Responsibility: In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Master Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

- d) Convenience: The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.

- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

- f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a "force majeure." For purposes of the Master Contract, "Force majeure" shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

2. Notice of Termination:

- a) Service of notice: Written notice of termination shall be sent by:
 - (i) personal messenger service; or

(ii) certified mail, return receipt requested and first class mail.

b) Effective date of termination: The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

(i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or

(ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid, in a depository under the care and control of the United States Postal Service.

3. *Effect of Notice and Termination on State's Payment Obligations:*

a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

b) The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

4. *Effect of Termination Based on Misuse or Conversion of State or Federal Property:*

Where the Master Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Master Contract for the purposes set forth herein, the State may, at its option, require:

a) the repayment to the State of any monies previously paid to the Contractor; or

b) the return of any real property or equipment purchased under the terms of the Master Contract; or

c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

Nothing herein shall be intended to limit the State's ability to pursue such other legal or equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance for a reasonable period of time. In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor shall comply with the particulars of the notice. The State shall have no obligation to reimburse Contractor's expenses during such suspension period. Activities may resume at such time as the State issues a formal written notice authorizing a resumption of performance under the Master Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, the State Agency agrees to pay and the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.
2. The State has no obligation to make payment until all required approvals, including the approval of the AG and OSC, if required, have been obtained. Contractor obligations or expenditures that precede the start date of the Master Contract shall not be reimbursed.
3. Contractor must provide complete and accurate billing invoices to the State in order to receive payment. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Billing invoices submitted to the State must contain all information and supporting documentation required by Attachment D (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.
4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of the State Agency, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments.
5. If travel expenses are an approved expenditure under the Master Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.
6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.
7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Attachment D (Payment and Reporting Schedule).
2. Initial advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the first day of the Contract Term or, if renewed, in the period identified on the Face Page. Subsequent advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the dates specified in Attachment D (Payment and Reporting Schedule).
3. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year. For simplified renewals, the payment schedule (Attachment D) will be modified as part of the renewal process.
4. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Attachment D (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
5. If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1. The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Master Contract in accordance with this Section and the applicable claiming schedule in Attachment D (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Attachment B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

2. Consistent with the selected reimbursement claiming schedule in Attachment D (Payment and Reporting Schedule), the Contractor shall comply with the appropriate following provisions:
 - a) Quarterly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Attachment C (Work Plan). The

Contractor shall submit to the State Agency quarterly voucher claims and supporting documentation. The Contractor shall submit vouchers to the State Agency in accordance with the procedures set forth in Section III(A)(3) herein.

b) Monthly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Attachment C (Work Plan).

The Contractor shall submit to the State Agency monthly voucher claims and supporting documentation. The Contractor shall submit vouchers to the State Agency in accordance with the procedures set forth in Section III(A)(3) herein.

c) Biannual Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Attachment C (Work Plan).

The Contractor shall submit to the State Agency biannually voucher claims and supporting documentation. The Contractor shall submit vouchers to the State Agency in accordance with the procedures set forth in Section III(A)(3) herein.

d) Milestone/Performance Reimbursement: Requests for payment based upon an event or milestone may be either severable or cumulative. A severable event/milestone is independent of accomplishment of any other event. If the event is cumulative, the successful completion of an event or milestone is dependent on the previous completion of another event.

Milestone payments shall be made to the Contractor when requested in a form approved by the State, and at frequencies and in amounts stated in Attachment D (Payment and Reporting Schedule). The State Agency shall make milestone payments subject to the Contractor's satisfactory performance.

e) Fee for Service Reimbursement:⁵ Payment shall be limited to only those fees specifically agreed upon in the Master Contract and shall be payable no more frequently than monthly upon submission of a voucher by the contractor.

f) Rate Based Reimbursement:⁶ Payment shall be limited to rate(s) established in the Master Contract. Payment may be requested no more frequently than monthly.

g) Scheduled Reimbursement:⁷ The State Agency shall generate vouchers at the frequencies and amounts as set forth in Attachment D (Payment and Reporting Schedule), and service

⁴ A milestone/ performance payment schedule identifies mutually agreed-to payment amounts based on meeting contract events or milestones. Events or milestones must represent integral and meaningful aspects of contract performance and should signify true progress in completing the Master Contract effort.

⁵ Fee for Service is a rate established by the Contractor for a service or services rendered.

 - e) to require the Contractor to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. By signing the Master Contract, the Contractor agrees

to comply with any such additional conditions that have been made a part of the Master Contract.

5. The State, in its sole discretion, reserves the right to suspend any or all activities under the Master Contract, at any time, when it discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor shall be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under the Master Contract.

6. The State, in its sole discretion, reserves the right to make a final Determination of Non-Responsibility at any time during the term of the Master Contract based on:

a) any information provided in the Questionnaire and/or in any updates, clarifications or amendments thereof; or

b) the State's discovery of any material information which pertains to the Contractor's responsibility.

7. Prior to making a final Determination of Non-Responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination and shall provide the Contractor with an opportunity to be heard.

PURPOSE

According to [§2814](#) of the Education Law of New York State, the commissioner is “authorized and directed to award grants on a competitive basis to school districts” for the “implementation of extended day programs and school violence prevention programs” consistent with the purposes of the school safety plans and extended day activities. “School districts shall be prohibited from using funds awarded pursuant to this section to displace school district after-school funding in existence as of the effective date of this article.”

NYSED CONSORTIUM POLICY FOR STATE AND FEDERAL DISCRETIONARY GRANT PROGRAMS

Applicants may form a consortium to apply for the grant. In order to do so, the consortium must meet the following requirements:

1. The consortium must designate one of the participants to serve as the applicant and fiscal agent for the grant. The applicant must be an eligible grant recipient. All other consortium members must be eligible grant participants, as defined by the program statute or regulation.
2. In the event that a grant is awarded to a consortium, the grant or grant contract will be prepared in the name of the applicant fiscal agent, not the consortium, since the group may not be a legal entity.
3. The applicant fiscal agent must meet the following requirements:
 - a. Must be an eligible grant recipient as defined by statute;
 - b. Must receive and administer the grant funds and submit the required reports to account for the use of grant funds;
 - c. Must require consortium partners to sign an agreement with the fiscal agent that specifically outlines all services each partner agrees to provide.
 - d. Must be an active member of the consortium, except where SUNY or CUNY Research Foundations are the fiscal agent.
 - e. Cannot act as a flow-through for grant funds to pass to other recipients. NYSED has established a minimum level of direct service of 15% to be provided by the fiscal agent.
 - f. Is PROHIBITED from sub-granting funds to other recipients. The fiscal agent is permitted to contract for services with other consortium partners or consultants to provide services that the fiscal agent cannot provide itself.
 - g. Must be responsible for the performance of any services provided by the partners, consultants, or other organizations and must coordinate how each partner plans to participate.

Grantees who fail to carry out the priorities and requirements of ESD/SVP as identified in the Request for Proposal (RFP) and the subsequent grant or grant contract may have their funding suspended or discontinued.

FUNDING

The availability of annual appropriations funding for years two through five is dependent upon satisfactory performance, legislative appropriation, and the submission of the budget documents and work plans to be approved by NYSED. NYSED may suspend funding to any project that fails to provide the required reports or carry out the priorities and requirements of ESD/SVP as identified in the Request for Proposal (RFP) and the subsequent grant or grant contract.

- An eligible entity may submit more than one proposal, including membership in consortia projects, for a maximum total amount of \$1,200,000. The maximum award for an individual application will be \$350,000.

- For ESD applicants, the maximum amount of funding that may be requested in any one application will be determined by the minimum number of unique participants between July 1 and June 30 of each program year that the project commits to serve contractually on an annual basis. The number of students will be based on the “unduplicated count,” which is the number of students participating (enrollment) in the summer plus all academic year student participants who did not attend in the summer. The project may propose a budget that reflects a lower funding amount if the project deems it suitable for the scope of their project services.

Shortfalls in enrollment goals:

Beginning in year 2 and continuing in each subsequent program year, the ESD/SVP award recipient must submit to NYSED a roster of students enrolled in its program no later than April 1. The number of students listed in the roster will be compared with the number of students proposed to be served in the RFP’s 2021-2022 Budget. If the current roster is less than 95% of the number set forth in the composite budget, the grantee’s budget will be proportionally reduced by the amount of the percentage of the deficiency from the composite budget. For example: if the actual roster is 94% of the projected number, the grantee’s budget will be reduced by 1% in the year of the deficiency.

PROGRAM REQUIREMENTS

Extended School Day Model

The maximum award for an individual ESD project will be \$350,000 at a maximum allocation of \$1,600 per student. Applicants are expected to increase student achievement, provide extracurricular enrichment activities, and contribute to school violence prevention; successful proposals will include school safety activities in their extended day programs.

The number of students will be based on the “unduplicated count,” which is the number of unique participants from July 1st to June 30th of each program year.

In addition, the application must meet the following requirements:

- Serve children within the range of grades Pre-K-12;
- Operate outside the regular school day; programs may operate before or after school, on Saturdays, Sundays, school breaks, and/or during the summer;
- Operate for a minimum of two hours a day, 3 days per week (if operating a weekend-only program, the minimum requirement of 6 total program hours per week must be met);
- Provide extracurricular enrichment activities including but not limited to athletics, academic enrichment, social emotional learning, art, music, drama, academic tutoring, mentoring, community services and related programs that will increase student achievement and contribute to school violence prevention; and
- Serve a minimum of 50 children.

School Violence Prevention Model

School safety activities include goods and services to provide safe corridors, diversity programs, collaboration with law enforcement agencies or community-based organizations, metal detectors, intercom systems and other intra-school communication devices, devices to increase the security and safety of program personnel and students; **grantees may not use funds to purchase, maintain, or modify facial recognition software, devices, etc.** School safety activities may also include comprehensive school-based intervention models that reduce violence and improve school safety. Goods and services must be itemized in the budget narrative. The maximum award for an individual SVP project will be \$350,000. Each applicant is also subject to the cap of the

number of applications and total funding requested of applications as described in the eligibility section. SVP projects are exempt from the \$1,600 per student maximum allocation.

Nutritional Component

While not required, ESD/SVP applicants are encouraged to build a nutritional component into their programs, and to seek federal funds to support them. Information on federal after school nutritional funding can be obtained by visiting <http://www.frac.org>.

Safety and Health Requirements:

If the applicant is a school district, the applicant must adhere to New York State's Safe Schools Against Violence in Education (SAVE) laws, including provisions related to the fingerprinting of staff. Programs located in school buildings will be governed by the district's School Safety Plan and any related building-level plans. If the proposed program is located at a site other than the school building, the provisions for School-Age Child Care (SACC) Registration detailed below for community organization applicants may apply.

If the applicant is a community organization or college/university, and proposes to serve only children ages thirteen and older, the applicant must work with its partnering school(s) to ensure the safety and health of all participants, including reasonable staff-to-student ratios and background clearances for staff.

If the ESD/SVP activities take place in a school building, all staff must be trained in and familiar with the School Emergency Response Plan and its emergency procedures.

The applicant must address how students will travel safely to and from the center and their homes.

School-Age Child Care Registration (SACC) with the New York State Office of Children and Family Services:

Not-for-profit organizations must provide proof of SACC licensure before funding/programming is to begin operation. For more information on SACC Registration, see Policy Statement – [What Constitutes a School-Age Program](#).

SACC Registration Definitions: A School-age child care program is defined as a program or facility that is not a residence, in which child day care is provided to an enrolled group of seven or more children under 13 years of age during the school year, before and/or after the period such children are ordinarily in school or during school lunch periods.

Age of children: A school-age child care program may provide care for school-age children of any age. If the program provides care for children over 13 years of age, the program must meet all regulatory standards which apply to such children just as if the children were under 13 years of age. Children may receive care through the conclusion of high school.

SACC Regulations: The minimum requirements to run a SACC program in New York State can be found at the New York State [Office of Children and Family Services website](#).

BUDGET

The applicant must complete and submit the FS-10 Budget Form. The [FS-10 Budget Form](#) and information about the categories of expenditures and general information on allowable costs, applicable cost principles and administrative regulations are available in the [Fiscal Guidelines for Federal and State Aided Grants](#) found at <http://www.oms.nysed.gov/cafe/forms/> and <http://www.oms.nysed.gov/cafe/guidance/>

The grant award period will begin on July 1, 2021, and end on June 30, 2026. The initial project period will be July 1, 2021 to June 30, 2022. **Applicants must submit with this application an FS-10 budget for the initial project period only.**

The budget will be reviewed and scored. Only proposed expenditures that are reasonable, necessary, and consistent with the purposes and goals in the grant application will be funded. If any inappropriate and/or unallowable items are included in the budget, they will be deleted, and the budget will be scored accordingly.

Grants will be continued in the subsequent four years *contingent upon satisfactory performance in the previous year and availability of funds*.

A. Use of Funds

1. Activities funded by an ESD/SVP grant will be administered pursuant to a written agreement between NYSED and the successful applicant.
2. ESD/SVP funds may not be used for purposes that have not been described in the authorizing statute, the Regulations of the Commissioner of Education, this RFP or the applicant's program narrative and approved budget. Amendments to the program narrative or approved budget which occur during the course of the year and that involve changes in the manner in which ESD/SVP funds are expended must have prior written approval from NYSED.
3. For the ESD and the SVP programs, no more than 5% of the total annual funding can be used for professional development, including conferences. No more than 5% of the total annual funding can be used for administrative costs, which includes indirect costs.
4. ESD/SVP budgets must include travel and lodging to attend NYSED's professional development and statewide meetings.

Administrative Cost Cap

Administrative costs can be direct or indirect. No more than 5% of the total annual award may be used for administrative costs for school or agency administrative or support staff who do not provide direct service to participants in the program but whose cost can be identified and directly associated with the program. Examples of administrative expenses include the cost of a principal who is required to remain in the building during program hours, audit or fiscal employees, or other staff members whose role is strictly oversight of program and staff.

Each application must include the position of Program Director. The Program Director's salary will not be included in the 5% administrative cap. For the purposes of this grant, program space rental and school usage fees are also considered a direct cost and are not included in the 5% administrative cap.

Indirect Cost Cap

Lead Applicant Agencies may include indirect costs in the budget. Indirect costs are costs of activities that benefit more than one program or objective and therefore cannot be readily assigned to only one specific program or objective. Indirect costs are generally classified under functional categories such as general maintenance and operational expenses, general office and administration expenses, general overhead expenses and other allowable general expenses. **Indirect cost rates are included in calculating the 5% administrative cap.**

- School districts must use the restricted indirect cost rates calculated by the NYSED.
- Not for Profit Organizations must prepare their budgets using an indirect cost rate of up to 2.6%. If they are notified that they have been selected to receive an ESD/SVP funding award, they may apply for a higher indirect cost rate of up to 5% by completing and submitting an FS-87-R Form to the Department, bearing in mind the 5% administrative cap. Please note that approval for a higher indirect cost rate must be requested

and approved each year. The Form may be obtained by calling Grants Finance at 518-474-4815. For more information, visit the [NYSED website](#).

Professional Development Cost Cap

Up to 5% of the total annual award may be used for professional development related directly to ESD/SVP programs. Costs related to professional development provided for the program staff must be included in the budget.

Minimum Direct Service Level Participation

As stated in the NYSED Consortium Policy, a lead agency cannot act as a flow-through for grant funds to pass to other recipients. NYSED has established a minimum level of direct service of 15% to be provided by the fiscal (lead) agent. Direct services can include costs connected with the Program Director, teachers, activity leaders, rent for program space and school usage fees, the provision of specific activities for students and families, etc.

Program Evaluation Cost Cap

Up to 3% of the total annual award is required for use in an independent program evaluation.

EVALUATION AND SELF-ASSESSMENT REQUIREMENTS

The evaluation requirements for ESD/SVP consist of the components described below:

1. A periodic independent evaluation, contracted by the grantee, is required to assess the ESD/SVP grantee's progress toward achieving its objectives to provide a high-quality after school and/or school violence prevention program. The cost of the independent evaluator may not exceed 3% of the grantee's total annual budget. The contracted independent evaluator shall not be the primary grant writer of your proposal.

The results of the evaluation must be:

- (1) used to refine, improve, and strengthen the program; and
- (2) made available to the public upon request.

Using both quantitative and qualitative measures, the evaluation must measure both program implementation and program outcomes:

- **Implementation Evaluation Design** should include measuring whether the program is being implemented with fidelity to the program design. For example:
 - are all components of the program being delivered as described in the grant application?
 - is the program serving the target population and meeting enrollment numbers for extended school day programs?
 - have all goods and services been purchased that have a proven record of effectiveness based on data for school violence prevention, school safety, student achievement and/or youth development programs, depending on the program focus?
- **Outcome Evaluation Design** should include performance indicators and measures that support the program's overall academic focus and align with the program's goals of increased student achievement, school violence prevention, and school safety, as applicable

2. For ESD programs, the program Quality Self-Assessment (QSA) Tool, a research-based planning and self-assessment tool developed by the [New York State Network for Youth Success \(NYSNYS\)](#), should be used by representatives of all stakeholders involved in the program to promote program quality. Although the QSA Tool is not considered to be an evaluation tool, the feedback from the QSA does contribute to the overall understanding of the outcomes of the program. The QSA tool and User's guide are available at: <http://networkforyouthsuccess.org/qa/>

PAYEE INFORMATION FORM/NYSED SUBSTITUTE W-9 FORM

The [Payee Information Form](#) is a packet containing the Payee Information Form itself and an accompanying NYSED Substitute W-9. The NYSED Substitute W-9 may or may not be needed from your agency. Please follow the specific instructions provided with the form. The Payee Information Form is used to establish the identity of the applicant organization and enables it to receive federal (and/or State) funds through NYSED.

REPORTING

Each entity receiving an ESD/SVP award will be required to submit two program reports annually to the NYSED ESD/SVP program office, a mid-year report and a final report. The mid-year report is to be received by NYSED no later than January 31st every year. This report specifies the enrolled ESD/SVP students as well as the initial expenditures and activities in operating the ESD/SVP in a form and manner prescribed by ESD/SVP-NYSED. The ESD/SVP student enrollment indicated on the report will be used to ensure that the grantee is on track to meet their budgeted ESD/SVP student enrollment. The mid-year report shall cover the period from July 1 through December 31. **Failure to provide required reports may result in the suspension of funding.**

- a) For ESD programs, a roster of student participants, including the names and number of hours of participation in the program, is to be received by NYSED no later than July 15 in years 2-5 of the award period. At a minimum, grantees must have an enrollment form and parental permission on file for ESD programs. ESD program attendance must reflect student attendance of 15 hours or more from the start of the current program year to qualify as an enrolled student. SVP-only programs during the school day must provide a list of impacted students. If the roster is less than 95% of the number set forth in the composite budget, the grantee's budget will be proportionally reduced. For example: if the actual roster is 94% of the projected number, the grantees budget will be reduced by 1% in the year of the deficiency.
- b) The final program report is due on September 15 of the following school year. The final report shall cover the period from July 1 through June 30 (the entire program year). This report, in a form and manner prescribed by NYSED, outlines the grantee's expenditures and activities in the ESD/SVP program for the program year to include, but not limited to, the following elements:
 - A summary of the involvement of parents and other community members and organizations in program development and implementation;
 - A report on the progress made toward achieving the objectives, activities and outcomes outlined for each of the program goals;
 - Outcome data supporting the program's goals of increased student achievement, school violence prevention, and school safety

1. Compliance with Law.

Contractor may receive PII regulated by several New York and federal laws and regulations, among them, the Family Educational Rights and Privacy Act ("FERPA") at 12 U.S.C. § 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. §§ 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. § 1232h (34 CFR Part 98); the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. § 1400 et seq. (34 CFR Part 300); New York Education Law § 2-d; the Regulations of the Commissioner of Education at 8 NYCRR Part 121; the New York General Business Law at article 39-F; and the New York Personal Privacy Protection Law at Public Officers Law article 6-A. The Parties enter into this DPA to address the requirements of New York law. Contractor agrees to maintain the confidentiality and security of PII in accordance with applicable New York, federal and local laws, rules and regulations. Neither the Services provided nor the manner in which such Services are provided shall violate New York law.

2. Authorized Use.

Contractor has no property or licensing rights or claims of ownership to PII, and Contractor must not use PII for any purpose other than to provide the Services.

3. Contractor’s Data Privacy and Security Plan.

Contractor shall adopt and maintain administrative, technical and physical safeguards, measures and controls to manage privacy and security risks and protect PII in a manner that complies with New York State, federal and local laws, rules and regulations, and the NYS Education Department’s (“NYSED”) policies. Education Law § 2-d requires that Contractor provide NYSED with a Data Privacy and Security Plan that outlines such safeguards, measures and controls including how the Contractor will implement all applicable state, federal and local data privacy and security requirements. Contractor’s Data Privacy and Security Plan is attached to this DPA as DPA Exhibit 1.

4. NYSED’s Data Privacy and Security Policy.

State law and regulation require NYSED to adopt a data privacy and security policy that complies with Part 121 of the Regulations of the Commissioner of Education and aligns with the NIST Cyber Security Framework. Contractor shall comply with NYSED’s Data Privacy and Security Policy located at <http://www.nysed.gov/data-privacy-security/nysed-data-privacy-and-security-policy> and other applicable policies.

5. Right of Review and Audit.

Upon NYSED’s request, Contractor shall provide NYSED with copies of its policies and related procedures that pertain to the protection of PII in a form that does not violate Contractor’s confidentiality obligations and applicable laws. In addition, Contractor may be required to undergo an audit of its privacy and security safeguards, measures and controls as it pertains to alignment with the requirements of New York State laws and regulations, NYSED’s policies applicable to Contractor, and alignment with the NIST Cybersecurity Framework performed by an independent third party at Contractor’s expense, and provide the audit report to NYSED. In lieu of performing an audit, Contractor may provide NYSED with an industry standard independent audit report on Contractor’s privacy and security practices that is no more than twelve months old.

6. Contractor’s Employees and Subcontractors.

- (a) Contractor shall only disclose PII to Contractor’s employees and Subcontractors who need to know the PII in order to provide the Services and the disclosure of PII shall be limited to the extent necessary to provide such Services. Contractor shall ensure that all such employees and Subcontractors comply with the terms of this DPA.
- (b) Contractor must ensure that each Subcontractor performing Services where the Subcontractor will receive or have access to PII is contractually bound by a written agreement that includes confidentiality and data security obligations equivalent to, consistent with, and no less protective than, those found in this DPA.
- (c) Contractor shall examine the data privacy and security measures of its Subcontractors prior to utilizing the Subcontractor. If at any point a Subcontractor fails to materially comply with the requirements of this DPA, Contractor shall: notify NYSED and remove such

Subcontractor's access to PII; and, as applicable, retrieve all PII received or stored by such Subcontractor and/or ensure that PII has been securely deleted and destroyed in accordance with this DPA. In the event there is an incident in which the Subcontractor compromises PII, Contractor shall follow the Data Breach reporting requirements set forth herein.

- (d) Contractor shall take full responsibility for the acts and omissions of its employees and Subcontractors.
- (e) Other than Contractor's employees and Subcontractors, Contractor must not disclose PII to any other party unless such disclosure is required by statute, court order or subpoena, and the Contractor makes a reasonable effort to notify NYSED of the court order or subpoena in advance of compliance but in any case, provides notice to NYSED no later than the time the PII is disclosed, unless such disclosure to NYSED is expressly prohibited by the statute, court order or subpoena.

7. Training.

Contractor shall ensure that all its employees and Subcontractors who have access to PII have received or will receive training on the federal and state laws governing confidentiality of such data prior to receiving access.

8. Termination.

The obligations of this DPA shall continue and shall not terminate for as long as the Contractor or its Subcontractors retain PII or retain access to PII.

9. Data Return and Destruction of Data.

- (a) Contractor is prohibited from retaining PII or continued access to PII or any copy, summary or extract of PII, on any storage medium (including, without limitation, in secure data centers and/or cloud-based facilities) whatsoever beyond the term of the Master Contract unless such retention is either expressly authorized for a prescribed period by the Master Contract, expressly requested in writing by NYSED for purposes of facilitating the transfer of PII to NYSED, or expressly required by law. As applicable, upon expiration or termination of the Master Contract, Contractor shall transfer PII, in a format agreed to by the Parties to NYSED.
- (b) When the purpose that necessitated the receipt of PII by Contractor has been completed or Contractor's authority to have access to PII has expired, Contractor shall ensure that all PII (including without limitation, all hard copies, archived copies, electronic versions, electronic imaging of hard copies) as well as any and all PII maintained on behalf of Contractor in a secure data center and/or cloud-based facilities that remain in the possession of Contractor

or its Subcontractors is securely deleted and/or destroyed in a manner that does not allow it to be retrieved or retrievable, read or reconstructed. Hard copy media must be shredded or destroyed such that PII cannot be read or otherwise reconstructed, and electronic media must be cleared, purged, or destroyed such that the PII cannot be retrieved. Only the destruction of paper PII, and not redaction, will satisfy the requirements for data destruction. Redaction is specifically excluded as a means of data destruction.

- (c) Contractor shall provide NYSED with a written certification of the secure deletion and/or destruction of PII held by the Contractor or Subcontractors to the contact and address for notifications set forth in the Master Contract.
- (d) To the extent that Contractor and/or its Subcontractors continue to be in possession of any de-identified data (i.e., data that has had all direct and indirect identifiers removed), they agree not to attempt to re-identify de-identified data and not to transfer de-identified data to any party.

10. Commercial or Marketing Use Prohibition.

Contractor agrees that it will not sell PII or use or disclose PII for a Commercial or Marketing Purpose.

11. Encryption.

Contractor shall use industry standard security measures including encryption protocols that comply with New York law and regulations to preserve and protect PII. Contractor must encrypt PII at rest and in transit in accordance with applicable New York laws and regulations.

12. Data Breach.

Contractor shall promptly notify NYSED of any Breach of PII in the most expedient way possible and without unreasonable delay no later than seven (7) business days after discovery of the Breach. Notifications required pursuant to this section must be in writing, given by personal delivery, e-mail transmission (if contact information is provided for the specific mode of delivery), or by registered or certified mail, and must to the extent available, include a description of the Breach which includes the date of the incident and the date of discovery; the types of PII affected and the number of records affected; a description of Contractor's investigation; and the name of a point of contact. Notifications required by this section must be sent to NYSED at the contact provided for contract related notifications with a copy to the Chief Privacy Officer, NYS Education Department, 89 Washington Avenue, Albany, New York 12234. Violations of the requirement to notify NYSED shall be subject to a civil penalty pursuant to Education Law § 2-d. The Breach of certain PII protected by Education Law § 2-d may subject the Contractor to additional penalties.

13. Cooperation with Investigations.

Contractor agrees that it will cooperate with NYSED, and law enforcement where necessary, in any investigations into a Breach. Any costs incidental to the required cooperation or participation of the Contractor will be the sole responsibility of the Contractor if such Breach is attributable to Contractor or its Subcontractors.

14. Notification to Individuals.

Where a Breach of PII occurs that is attributable to Contractor and/or its Subcontractors, Contractor shall pay for or promptly reimburse NYSED the full cost of NYSED's notification to Parents, Eligible Students, teachers, and/or principals, in accordance with Education Law § 2-d and 8 NYCRR Part 121.

15. Termination.

The confidentiality and data security obligations of the Contractor under this DPA shall survive any termination of this DPA but shall terminate upon Contractor's certifying that it has destroyed all PII.

ARTICLE III: PARENT AND ELIGIBLE STUDENT PROVISIONS

1. Parent and Eligible Student Access.

Education Law § 2-d and FERPA provide Parents and Eligible Students the right to inspect and review their child's or the Eligible Student's Student Data stored or maintained by NYSED. To the extent Student Data is held by Contractor pursuant to the Master Contract, Contractor shall respond within thirty (30) calendar days to NYSED's requests for access to Student Data necessary for NYSED to facilitate such review by a Parent or Eligible Student, and facilitate corrections, as necessary. If a Parent or Eligible Student contacts Contractor directly to review any of the Student Data held by Contractor pursuant to the Master Contract, Contractor shall refer the Parent or Eligible Student to NYSED and notify NYSED.

2. Bill of Rights for Data Privacy and Security.

As required by Education Law § 2-d, the Parents Bill of Rights for Data Privacy and Security and the Supplemental Information for the Master Contract is included as DPA Exhibit 2 and incorporated into this DPA. Contractor shall complete and sign DPA Exhibit 2 and it shall be appended to this DPA.
