

State Course Codes for Courses Ending in State Exams

As referenced in the May 2011 memo “Updated Guidance on the Collection and Reporting of Teacher and Course Data in the Student Information Repository System (SIRS)” at: <http://www.p12.nysed.gov/irs/sirs/documentation/Teacher-CourseDataCollection-final-5-2-11-2.pdf>, below are the course codes required to be used for mapping courses ending with State exams.

Please note that the course codes for the identified courses in grades 3-8 will change starting in 2012-2013 to match the codes in the new NYSED Comprehensive Course Catalog. Course codes for secondary courses ending in Regents Exams already match the new NYSED Comprehensive Course Catalog and will not need to change.
