Teacher Access and Authorization (TAA) Administration Application User Guide <mark>(Revised 11/24/14)</mark>

The Teacher Access and Authorization (TAA) platform provides an identity authentication process for teachers to log in to NYSED systems and applications, such as the Teachers Student Roster Verification (TSRV) system and ePMF (electronic Personnel Master File). The TAA Administration Application allows Data Coordinators and other LEA administration level staff to **log in to TAA** *using* ***SEDDAS credentials*** and support teachers using TSRV and ePMF. This guide provides directions on how to use the features of this application.

For more information on TSRV and ePMF please visit the following links:

TSRV- http://www.p12.nysed.gov/irs/teacher/

ePMF- http://www.p12.nysed.gov/irs/beds/2014/PMF/home.html

Please send questions about this guide and the TAA Administration application to NYSED Information and Reporting Services (IRS) to datasupport@nysed.com

Search Feature

Located in the upper right corner of the main page, this feature allows users to search all columns of data at once to narrow the list of teachers. When you enter either letters or numbers in the search box the list will shrink by displaying only teachers with data from any column containing the letters or numbers you entered in the order you entered them. **(Important note: This means letters entered will be matched to columns other than *Name*.)** For example, in the screenshot below the letters "ed" were entered in the search box. Sample teachers Murlisa Iordanou and Nayleah Martynovich populate the list from this search not because "ed" appears in their names, but because "ed" appears in their account/TSRV statuses.

The teacher's PIN is also displayed along with the date it was generated. The PIN is required for TAA account creation. (For more information on PINs please go to http://www.p12.nysed.gov/irs/TSDL/TSRV-AdministratorApplication-FAQs.pdf)

Account/TSRV Status Feature- *Confirmation Sent*

After a teacher uses their PIN to submit personal authentication data (SSN and DOB), and chooses a username (email address) and password, a confirmation email is sent to their username/email address. Teachers need to click on a link in this confirmation email before they can log in to TAA. When a confirmation email was sent but the teacher has not yet clicked on the confirmation link the he/she will show up in the Administration Application with the Account/TSRV status of *Confirmation Sent*. Clicking on their *Confirmation Sent* status will display **steps 1-3** checked in the Teacher Account status box**. Step 2** now indicates what day the teacher submitted their account information. **Step 3** indicates the email address (username) where the confirmation email was sent.

Account/TSRV Status Feature- Deactivating an Account (cntd.)

IMPORTANT NOTE* As the green note above explains, a confirmation email is sent to the username/email address displayed. The teacher opens the email **AND** clicks on the confirmation link a new PIN will be sent to the district IRSP the next business day. When the district distributes the new PIN to the teacher he/she can use it to create a new account.

IMPORTANT NOTE* In cases where a teacher cannot confirm an account deactivation because the username/email address associated with the account is no longer active, the teacher must follow these instructions to deactivate the account:
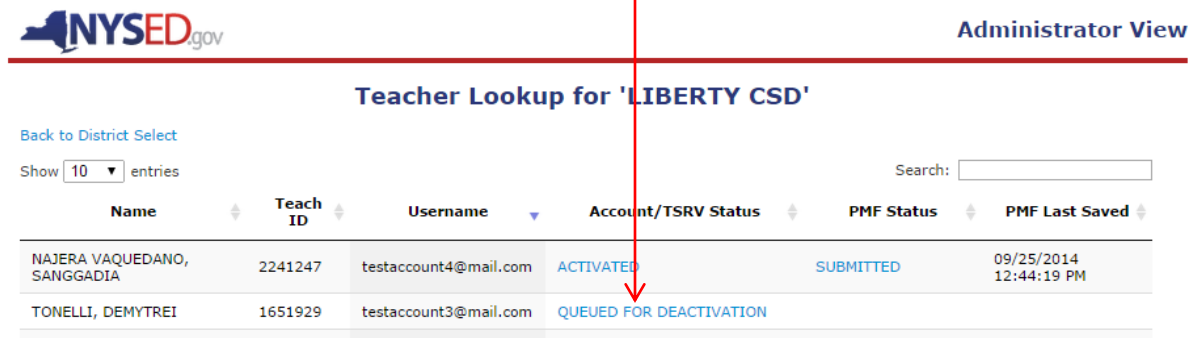

Send an email message to support@nysed.zendesk.com with "Can't confirm deactivation" in the subject line, and include:

- first and last name,
- username (the inactive email used to create the account),
- TEACH ID
- former district (if applicable) and current district.

The account will then be deactivated without a confirmation email being sent.

Account/TSRV Status Feature- *Queued for Deactivation*

When a teacher's account has been deactivated as described in the previous entry, but he/she has not yet clicked on the link in the deactivation confirmation email, his/her *Account/TSRV Status* will display as *Queued for Deactivation* on the main page of the application.

Clicking on the *Queued for Deactivation* status link will display the more detailed view of the account status with a message in orange text giving the date the account was queued for deactivation.

Account/TSRV Status Feature- *New PIN Pending*

The *New PIN Pending* status appears when an account was deactivated and the teacher confirmed the deactivation (If NYSED staff deactivate an account the teacher will not need to confirm), but the new PIN has not been generated yet. PINs are typically generated in the early morning on Business days (Monday through Friday). If you see this message a new PIN for the teacher should be in your district's IRSP then next business day.

Please Note The *New PIN Pending* status means the account is inaccessible. You cannot click on the TAA/TSRV status for account details and you will **NOT** see an ePMF account status. ***But, if the teacher has saved or submitted his/her ePMF form the saved information will be available when the new PIN is used to create a new account***.

Disabling a Teacher Account:

In the event a teacher leaves the district, you would be able to prevent him/her from viewing data in the prior district without deactivating his/her account.
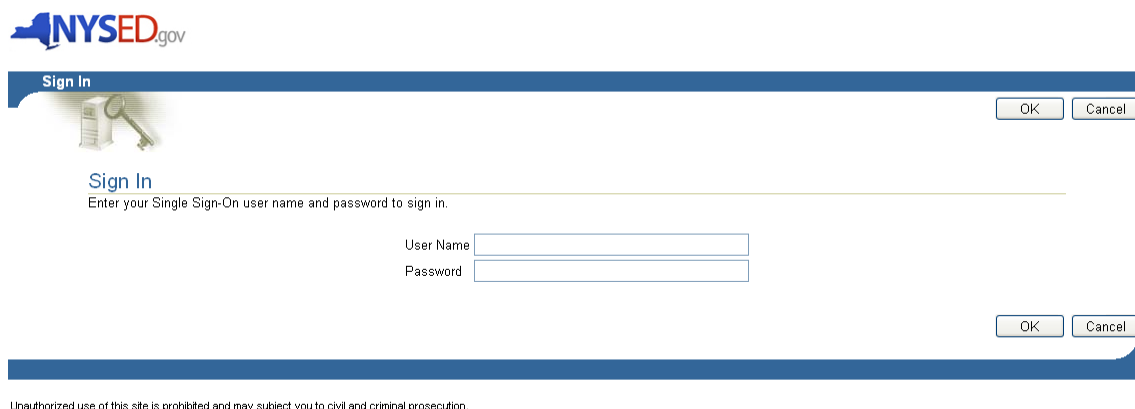

STEP 1

To disable a teacher's account, a delegated administrator at the district, BOCES, or charter school where the teacher is employed must log in to the State Education Department Delegated Account System (SEDDAS) system through the NYSED Portal http://portal.nysed.gov/portal/page/pref/PortalApp. Use the Log On link in the upper right hand corner.

STEP 2
Enter your User Name and Password on the sign in page.

STEP 3
Once you have logged in successfully you will want to select the *State Education Department Delegated Account System (SEDDAS)* link. Your list of applications may vary from the ones in this screenshot depending on what applications you have permissions to view.

STEP 4

You will want to select the *Disable Teacher* link in the left menu bar. You want to search for the teacher for whom you want to disable the account. The search will return teachers with classes at the institutions in the jurisdiction of the logged in administrator.
