Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

## **Public School District Total Cohort Graduation Rate - ARRA Reporting**

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

<b>County</b> <b>District Name</b> <b>Student Group</b>	<b>Count of Cohort Members</b>	<b>Students who Graduated with Regents or Local Diplomas</b>	
		<b>Count</b>	<b>%</b>
YATES COUNTY			
<b>PENN YAN CSD</b>			
All Students	167	136	81.4%
General Education Students	131	112	85.5%
Students with Disabilities	36	24	66.7%
<b>DUNDEE CSD</b>			
All Students	82	69	84.2%
General Education Students	68	64	94.1%
Students with Disabilities	14	5	35.7%

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information.
