TEACH Accounts and TEACH IDs

Does a teacher, leader or other certified school personnel have a teacher ID?

If a teacher, leader or other certified school personnel has gained NYS certification since 1982, there will be a TEACH account. The person may or may not have a user ID and password to access their TEACH account.

If a teacher, leader or other certified school personnel gained NYS certification prior to 1983, the person may or may not have a TEACH account. If the person does have a TEACH account, the person may or may not have a user ID and password to access their TEACH account.

If a teacher, leader or other certified school personnel applied for certification on or after July 1, 2006, the person will have a TEACH account and a user ID and password to access their TEACH account.

If a teacher, leader or other certified school personnel applied for certification prior to July 1, 2006, the person may have created a user ID and password to access their TEACH account.

If a person believes she created a User ID and password at one time and does not remember the User ID, they should first try to find their user ID by using this link: https://my.ny.gov/bin/MyNy.

If a person believes he created a User ID and password at one time and does not remember the password, their password must be reset by using this link: https://my.ny.gov/bin/MyNy.

For those individuals that need to create an account and receive a TEACH ID, visit http://www.highered.nysed.gov/tcert/ and self-register with TEACH.
