\*Districts must code any ELA course culminating in either the Regents Exam in ELA (Common Core) or the Regents Comprehensive Exam in English (2005 Learning Standards) to indicate which assessment the curriculum is designed to prepare students for.

\*\*Districts must code any Mathematics courses culminating in either the Regents Examination or the Regents Examination (Common Core) to indicate which assessment the curriculum is designed to prepare students for.

\*\*\*For science courses that culminate in a Regents examination and where the lab is scheduled separately from the course or the teachers for the course and the lab are different, use the science lab course codes. If the lab is scheduled separately, do not report a separate course grade for the lab.
