Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (*). District totals include results for students served outside the district, except when fewer than five such students were tested.

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (*). District totals include results for students served outside the district, except when fewer than five such students were tested.

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (*). District totals include results for students served outside the district, except when fewer than five such students were tested.

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (*). District totals include results for students served outside the district, except when fewer than five such students were tested.

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (*). District totals include results for students served outside the district, except when fewer than five such students were tested.

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (*). District totals include results for students served outside the district, except when fewer than five such students were tested.

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*

Federal Law prohibits the release of personally identifiable information. Therefore, if fewer than five students in a school or district were tested, their results are not printed nor are these students included in the district total. If results for fewer than five students have been excluded from the district totals, the "changed" column is marked with an asterisk (). District totals include results for students served outside the district, except when fewer than five such students were tested.*
