Guidelines on Reporting Student Race/Ethnicity

The racial/ethnic designations used in the Graduation Report for Nonpublic Schools do not denote scientific definitions of anthropological origins. For the purposes of these reports, a student should be included in the group to which he or she appears to belong, identifies with, or is regarded in the community as belonging. No person should be counted in more than one racial/ethnic group.

- **American Indian or Alaska Native** — A person having origins in any of the original peoples of North America, and who maintains cultural identification through tribal affiliation or community recognition.
- **Black or African American (not Hispanic origin)** — A person having origins in any of the black racial groups of Africa.
- **Asian or Pacific Islander** – A person having origins in any of the original peoples of East Asia, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This area includes for example, China, India, Japan, Korea, the Philippine Islands, and Samoa.
- **Hispanic or Latino** – A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.
- **White (not Hispanic origin)** — A person having origins in any of the original peoples of Europe, North Africa, or the Middle East.
- **Multi-Racial (not Hispanic origin)** – A person having origins in two or more of the categories of people classified as American Indian or Alaska Native, Black or African American (not Hispanic origin), Asian or Pacific Islander, or White (not Hispanic origin). Note: Any person of Hispanic or Latino origins, in whole or in part, should be reported as Hispanic or Latino.

Note: SED is in transition to the Census 2000 categories for race/ethnicity and to the categories that will be required for federal reporting in the near future. You may report in, but are not required to report in, the “Multi-Racial” category for 2007-08 Graduation reporting. The “Hispanic or Latino” category is just a renaming of the old “Hispanic” category. The “Black or African American” category is just a renaming of the former “Black” category. In future years the “Asian or Pacific Islander” category will be split into separate “Asian” and “Hawaiian or Other Pacific Islander” categories
