2011-12 Statement of Certification of Teacher Student Data Linkage Verification Report(s) in the Student Information Repository System (SIRS)

I have reviewed the Teacher Student Data Linkage (TSDL) Verification Report(s) generated using the Level 2 reporting system on the date indicated in the table below for my LEA. I understand that the report(s) were generated from data in Level 2 of the Student Information Repository System. I also understand that *data within the report, including the data listed below, submitted to SIRS as of July 8th, 2012 will be used for teacher/principal evaluation purposes.* I have reviewed this information for accuracy and understand that data in the first four bullet points will be used for evaluation purposes for grades 4-8 ELA & Math, whereas linkage duration calculations and grade 3 ELA/math, grades 4/8 science, and secondary-level data (bullet points five and six respectively) will be used for research and modeling purposes this year.

- *Student with disability indicator*
- *English Language Learner indicator*
- *Economically Disadvantaged indicator*
- *Teacher-student linkage start and end dates for grades 3-8 course codes listed in Appendix A of the March NYSED memo entitled, "Updated Guidance on Reporting and Verifying Teacher-Student Data Linkages (TSDL) in the Student Information Repository System (SIRS)", located at <http://www.p12.nysed.gov/irs/teacher/TSDL-and-RosterVerification-final3-15-12.pdf>*
- *Teacher-student course, enrollment, and attendance linkage duration calculations (produced by my Student Management System) for grades 3-8 ELA, math, and science courses, as of the administration window of the relevant State assessment.*
- *Grade 3 ELA/Math, grades 4/8 science, and secondary-level data*
