Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010. Students who are enrolled in portfolio variance schools are excluded from this calculation

2006 Total Cohort as of June of the 4th year of school.
