Description: Identifies a student whose LEP eligibility ended because the student scored at the Commanding level on the NYSESLAT.

Purpose: Identifies students who were identified as LEP but tested out of LEP status using the NYSESLAT. These students will be considered LEP in the current school year, former LEP in the following two school years, and ever LEP in future years for reporting and research purposes.

Date: June 30 of the reporting year.

2. *LEP Eligibility Exit Using NYSESLAT score and a NYSTP or Regents score — Code 2022*

Description:

In 2014–15, identifies a student whose LEP eligibility ended because the student scored at the

- 1) Advanced level on the 2013–14 NYSESLAT AND either Proficient (Level 3 or 4) on the 2013–14 NYSTP grades 3-8 ELA assessment OR 65 or higher on a 2013–14 Regents examination in English,

OR

- 2) Expanding level on the 2014–15 NYSESLAT AND either Proficient (Level 3 or 4) on the 2014–15 NYSTP grades 3-8 ELA assessment OR 65 or higher on a 2014–15 Regents examination in English.

Beginning in 2015–16, identifies a student whose LEP eligibility ended because, in the same reporting year, the student scored

- 1) at the Expanding level on the NYSESLAT,

AND

- 2) either Proficient (Level 3 or 4) on the NYSTP grades 3-8 ELA assessment OR 65 or higher on a Regents examination in English.

For more information, see Commissioner's Regulations Part 154-2.3(m)(1)(ii). Optional in 2014–15; required in 2015–16.

Purpose: Identifies students who were identified as LEP but tested out of LEP status using the NYSESLAT and NYSTP or a Regents test. These students will be considered LEP in the current school year, former LEP in the following two school years, and ever LEP in future years for reporting and research purposes.

Date: Any time during the school year.

3. *LEP Eligibility Exit due to determination by CSE — Code 2033*

Description: Identifies a student whose LEP eligibility ended because the student had been designated as LEP eligible but was subsequently identified by the CSE as not appropriate for LEP eligibility status, not appropriate to take the NYSESLAT, but eligible to take another assessment as decided by the Commissioner.

Purpose: Identifies students who were identified as LEP but who were removed from LEP status based on CSE decision. These students will be considered LEP in the current school year, former LEP in the following two school years, and ever LEP in future years for reporting and research purposes.

Date: Any time during the school year.

4. *LEP Eligibility Exit based on review of identification determination — Code 2045*

Description: Identifies a student whose LEP eligibility ended because the student was determined by the district to have been misidentified as LEP following the Review of Identification Determination pursuant to Commissioner's Regulations Part 154-2.3(b). Students exited with a 2045 program service code will not be considered former LEPs and will not qualify for transition services.

Purpose: Identifies students who were incorrectly identified as LEP and who were removed from LEP status based on re-evaluation of LEP appropriateness. These students will NOT be considered LEP in the current school year and will NOT be considered ever LEP or former LEP in future years for reporting and research purposes.

Date: Within 45 school days, schools must initiate the process of determining if the student should be removed from LEP status.

NOTE: If a student's 0231 record is closed, the following program service codes must also be closed: 1232 – *Students with Interrupted Formal Education (SIFE)*, 5720 – *Title III: Services to Non-Immigrant LEP Students*, 5731 – *Title III: Language Instruction Immigrant LEP Students*, and 5676 – *Bilingual Program*. If a student's 0231 record is closed, the following program service codes should be closed if the student is no longer in the program but left open if the student continues to be in the program: 5742 – *Title III - Part B, subpart 4: Emergency Immigration Education Program*; 5709 – *English as a Second Language*; and 5687 – *Two-way Bilingual Education Program*.
