Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

2002 Total Cohort - 5 Year Outcome	30	77%	NA	NA	7%	17%
2002 Total Cohort - 6 Year Outcome	30	77%	NA	NA	7%	17%

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

2004 Total Cohort as of June of the 4th year of school and as of August 2008,
2003 Total Cohort as of June of the 4th and 5th years of school,
2002 Total Cohort as of June of the 4th, 5th and 6th years of school.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

2003 Total Cohort - 5 Year Outcome	1	#	#	#	#	#

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

2004 Total Cohort as of June of the 4th year of school and as of August 2008,
2003 Total Cohort as of June of the 4th and 5th years of school,
2002 Total Cohort as of June of the 4th, 5th and 6th years of school.

Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

2002 Total Cohort - 6 Year Outcome	97	35%	2%	1%	4%	58%

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

2004 Total Cohort as of June of the 4th year of school and as of August 2008,
2003 Total Cohort as of June of the 4th and 5th years of school,
2002 Total Cohort as of June of the 4th, 5th and 6th years of school.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

2002 Total Cohort - 5 Year Outcome	1	#	#	#	#	#
2002 Total Cohort - 6 Year Outcome	1	#	#	#	#	#

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

2003 Total Cohort - 5 Year Outcome	1	#	#	#	#	#

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

2002 Total Cohort - 6 Year Outcome	885	63%	1%	3%	2%	30%

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate and Enrollment Outcome Summary - 2007-08 School Year All Students

2002 Total Cohort - 6 Year Outcome	1	#	#	#	#	#

Data presented in this report are based on data submitted by school districts to the data repository for the 2007-08 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on November 15, 2008. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.
