Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009. The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.

The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.
