Note: In 2005-2006, the New York State Education Department expanded the ELA and mathematics testing programs to Grades 3-8. Previously, State tests were administered in Grades 4 and 8 and citywide tests were administered in Grades 3, 5, 6, and 7.

Note: Grade 7 ELA test scores were not released in 2002 because they appeared inconsistent with other available information. The 2002 results include Grades 3, 4, 5, 6 and 8 only.
