Student Achievement

Graduation Summary
After 4 Years
New York City Classes of 1996 - 2006

(Percent of cohort)

Year	NYC Traditional Calculation	NY State Rate Recreated
1996	48	36
1997	48	37
1998	50	38
1999	50	38
2000	50	38
2001	51	38
2002	51	41
2003	53	43
2004	54	43
2005	58	47
2006	60	49

Note: New York City's traditional calculation of the graduation rate includes August graduates, as well as students receiving GED and IEP certificates. It does not include special education students who are in self-contained classes or in District 75.

Note: New York State data on the City's graduation rate, adjusted by the City to reflect the State's current methodology. The State started using its current, comprehensive methodology in 2004. This rate includes all students in special education and does not include August graduates
