Increases to CAP Payments for the 2005-06 School Year

Thanks to the legislation passed in June 2015 which authorized NYSED to make additional payments to prior years, payment increases will be made to all schools that received CAP reimbursement for the 2005-06 school year.

As was the case for the similar payments which were made in September 2015 and March 2016, the MSA online system will be used to calculate the payment adjustment. This process is scheduled to begin Wednesday September 21, 2016. Schools will receive a notice upon invoicing that there has been an adjustment made to their CAP payments for that school year. Schools should expect to receive the additional payment within two weeks of receiving the notice.

Questions regarding this notice should be submitted in writing to EMSCMSA@mail.nysed.gov
