Program Requirements for Nonpublic Schools Seeking an Absolute Charter

- ✓ **A nonpublic school must have an Education Corporation, i.e., Provisional Charter, in good standing**, except in certain rare circumstances where a long term, well established nonpublic school operating under a not-for-profit incorporation may be eligible to apply for an Absolute Charter in the first instance;
- ✓ **A nonpublic school must have authorization for each grade level in operation and there must be student enrollment at every grade level** – there must be a significant enough number of students at each grade level to constitute a class, however, combined grade levels may be considered;
- ✓ **A nonpublic school must submit three prior years of audited financial statements;**
- ✓ **A nonpublic school must provide visual documentation of facilities and grounds, which includes photographs off all inside and outside spaces; and**
- ✓ **A nonpublic school must submit documentation for all items on the 21 Item Checklists.**

Additionally

An amendment would also need to be filed if there are changes to the current provisional charter including those made to:

- ✓ Addresses of school buildings (this includes both moves and the addition/closing of a school building site);
- ✓ Ages and/or grades being served; and/or
- ✓ Educational purpose.

If an amendment is needed, please review the following links:
