Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2017-18 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: *The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:* <http://www.p12.nysed.gov/psc/AuditGuide.html>

Line 1: Total Expenditures	3440923
Line 2: Year End FTE student enrollment	224
Line 3: Divide Line 1 by Line 2	15334

2. Administrative Expenditures per Child

To calculate '**Administrative Expenditures per Child**' To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2017-18 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:

The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:

<http://www.p12.nysed.gov/psc/AuditGuide.html>.

Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	249077
Line 2: Management and General Cost (Column)	47831
Line 3: Sum of Line 1 and Line 2	296908
Line 5: Divide Line 3 by the Year End FTE student enrollment	1323

Thank you.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2017-18	Describe Recruitment Plans in 2018-19)
Economically Disadvantaged	<p>Our students are recruited from District 11, which serves 74% economically disadvantaged students. This year, we reached out to Bronx Bethany Church members to hand out BBL applications to their members. Additionally, Bronx Bethany Church hosts a summer camp that accepts government vouchers.</p> <p>Just as we did in previous years, we distributed our school's information during the camp and camp registration. We also continued our recruitment initiative by having information sessions in local day care centers and preschools, whose population is predominantly economically disadvantaged, to establish and maintain a relationship with the parents and staff of these centers and expand the community's awareness of our school.</p>	<p>BBL2 will continue the recruitment outreach plan, as we have done this year.</p>
English Language Learners	<p>There were several ways in which we continued to recruit ELL students. We hosted information sessions in churches, community centers and UPKs in specifically chosen neighborhoods in the Bronx. We distributed flyers about our school to local businesses and apartment houses. And we provide our application in Spanish, which is the next most spoken language in our community.</p>	<p>BBL2 will continue the recruitment outreach plan, as we have done this year.</p>
Students with Disabilities	<p>We make a clear statement in all communications sent to families that all students are encouraged to apply for the enrollment lottery, including students currently on or being evaluated for IEPs. During our outreach, we explain to potential parents the systems we have in place to guarantee their child is going to receive the full services required by their IEPs. This includes but is not limited to, learning specialists, outside providers for speech and occupational therapy, and small group instruction. We also offer opportunities for potential parents to speak with our Director of Support services to provide an understanding of how services will be provided for their student.</p>	<p>BBL2 will continue the recruitment outreach plan, as we have done this year.</p>

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2017-18	Describe Retention Plans in 2018-19)
Economically Disadvantaged	We have in place a comprehensive Student Support program, which is staffed to provide services for the needs of our student population (e.g. guidance counselors, behavior consultants). Moreover, we maintained a small-school environment with a “warm/strict” school culture that offers close relationships between teachers and students, explicit instruction in positive character development, and clear and consistent behavioral expectations. We maintained frequent communication with parents about their child’s development.	We will continue to provide a supportive environment for all of our students that encourages close relationships between teachers and students, provides instruction in positive character development, and is inviting to parents and encourages them to maintain open communication with teachers.
English Language Learners	We have appointed an ELL coordinator to ensure that the needs of all ELL students are met. We ensured the academic needs of ELL students are met with support from our Academic Leaders and ELL teacher. We ensured that in addition to ELL requirements, ELL students received adequate academic support from their classroom teachers. We continued to provide parents/guardians of ELL students avenues to provide feedback and express concerns through our conferences, and Annual Parental Survey.	We will continue with our ELL Coordinator position who will work closely with our Academic Leaders to ensure that ELL's academic needs are met. We have also increased our bilingual staff to continue to effectively communicate with ELL parents. ELL parents are invited and encouraged to provide feedback and express concerns through our conferences and Annual Parent Survey.
Students with Disabilities	This school continued to engage parents in understanding their child’s IEPs and advocate on their behalf. IEP meetings were held on a yearly basis and we continued to meet the needs of all students with IEPs.	Our school's guidance department has expanded in order to provide social and emotional support to more students with behavioral challenges. In addition, we continue to partner with the community agencies that provide related services to our students. We will introduce music therapy to those students for whom it will benefit.

3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher's advancement up the ladder to a leadership position within the network or an administrator's movement to lead a new network charter school.

(No response)

4. Charter schools must ensure that all prospective employees receive clearance through [the NYSED Office of School Personnel Review and Accountability \(OSPRA\)](#) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

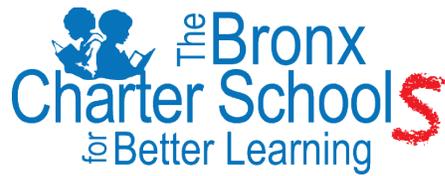

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Not Applicable
