Entry 4 Expenditures per Child

Last updated: 07/31/2017

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2016-17 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: <http://www.p12.nysed.gov/psc/AuditGuide.html>

Line 1: Total Expenditures	1339387
Line 2: Year End FTE student enrollment	118
Line 3: Divide Line 1 by Line 2	11365

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2016-17 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:
<http://www.p12.nysed.gov/psc/AuditGuide.html>.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	70644
Line 2: Management and General Cost (Column)	207617
Line 3: Sum of Line 1 and Line 2	278261
Line 5: Divide Line 3 by the Year End FTE student enrollment	2361

Thank you.

[Instructions for Reporting Enrollment and Retention Strategies](#)

Describe the efforts the charter school has made in 2016-2017 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2017-2018.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Efforts Toward Meeting Recruitment Targets 2016-17)	Describe Plans Toward Meeting Recruitment Targets 2017-18)
Economically Disadvantaged	We advertise for our school(s) admission/lottery in various Bronx newspapers in order to reach different families thus allowing all to apply for Bronx Excellence Schools. In addition, our schools are located in areas where economically disadvantaged families live.	BCSE will continue to advertise in and around CSD 11. We will also continue our sibling preference for our incoming families. This will continue the outreach for economically disadvantaged families "in house" as well as out.
English Language Learners	We advertised in City News, Bronx Times and Parkchester News. This year we also did radio advertising on both English and Spanish stations. During this time, bilingual staff members from BCSE visit various early childhood education centers to distribute applications and share knowledge about what the school has to offer for students who are English Language Learners (ELL). In addition to the above, our applications are translated in both Spanish and Bengali to reach out to those families who may not completely read, write or speak English. We also plan on translating our applications in other languages as the need arises.	Our advertising efforts will continue via Bronx papers, facebook, twitter and visitation to early childhood centers. Our applications will continue to be distributed in multiple languages. Those languages will expand as the need for them increases.
Students with Disabilities	One major concern for parents who are interested in applying for their child, who has a disability, is whether or not we can accommodate their child at BCSE. During family chats/open enrollment, the Principal sits down with families to discuss their child's specific IEP plan and what the school can do to accommodate it.	Operations will work with the Sped Coordinator, Director of Sped and the Marketing Associate to figure out the best way to market our current Sped offerings. We will continue to have the Principal do a one on one meeting with each individual family to review and discuss what's on the specified plan for the child and how the school can best accommodate it.

Retention Efforts Toward Meeting Targets

	Describe Efforts Toward Meeting Retention Targets 2016-17)	Describe Plans Toward Meeting Retention Targets 2017-18)
Economically Disadvantaged	<p>BCSE has maintained an average of 70-75% for it's economically disadvantaged student population. This is mainly due to our sibling preference and overall retention rate. Families are appreciative to the fact that they can get a great education at no cost to them. Because of this, they continue to stay with BCSE, enroll any other siblings they may have and also make other family connections they can.</p>	<p>BCSE will continue to uphold it's sibling preference. We will continue to hire certified teachers to provide the best education allowable. Keeping this practice helps for better retention towards these targets.</p>
English Language Learners	<p>BCSE stays in compliance by thoroughly testing all eligible ELL students through the NYSESLAT (New York State English as a Second Language Achievement Test). This test helps the school determine which students are in fact ELL's as well as the level that they are on. Because of this, teachers make accommodations, such as making sure students have visuals during their lessons. With the additional help, a student eventually "phases out" and is no longer an ELL student. In addition, there a multicultural day in which the school and families share into on a yearly basis.</p>	<p>BCSE will continue to test it's students through the NYSESLAT. Teachers will continue to provide accommodations and extra help where needed. We will keep in this tradition so that students continue to phase out.</p>
Students with Disabilities	<p>BCSE mainstreams students with special needs. Additionally, BCSE serves students who have special learning needs and provides services including: Integrated Co-Teaching (ICT), Special Education Teacher Support Services (SETSS), Counseling, Speech, Occupational Therapy and Physical Therapy. Teachers also work with students after school. BCSE has a dedicated Special Ed Coordinator who works with the parent and the Committee on Special Education on changing, amending and closing out sped cases on a case by case basis.</p>	<p>BCSE will have the help of a Director of Special Education (via the CMO) who will support the Sped Coordinator as well as all Sped teachers with the needs of the students. They will continue to make sure all students are getting their required services and update/change those that need to be changed. The ultimate goal is get students the help they need.</p>
