# Entry 4 Expenditures per Child

Last updated: 07/27/2017

## Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

### 1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2016-17 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

**Note:** The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: <http://www.p12.nysed.gov/psc/AuditGuide.html>

Line 1: Total Expenditures	10235117
Line 2: Year End FTE student enrollment	589
Line 3: Divide Line 1 by Line 2	17407

## 2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2016-17 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

**Notes:**  
***The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:***  
**<http://www.p12.nysed.gov/psc/AuditGuide.html>.**  
**Employee benefit costs or expenditures should not be reported in the above calculations.**

Line 1: Relevant Personnel Services Cost (Row)	3695579
Line 2: Management and General Cost (Column)	1449435
Line 3: Sum of Line 1 and Line 2	5145014
Line 5: Divide Line 3 by the Year End FTE student enrollment	8750

***Thank you.***

# Entry 11 Enrollment and Retention of Special Populations

## Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2016-2017 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school’s plans for meeting or making progress toward meeting its enrollment and retention targets in 2017-2018.

## Recruitment/Attraction Efforts Toward Meeting Targets

In order to reach the families of special needs students, we utilize many networks that already exist in the community. Brooklyn Excelsior’s Student Recruitment Specialist will continue to build relationships with support organizations to gain familiarity with the services they provide. We do this both so we can recommend their support services to the families of accepted or interested students and so these organizations know about our school and its special education program – so that they may recommend our school to the families they serve. We know that most families hear about our school by word of mouth, and we believe that a relationship with these organizations lays the groundwork for informal communications and referrals. year. The school's parent meetings clearly indicate that we offer a free and appropriate education (FAPE) to all our students in the Least Restrictive Environment. Furthermore, the school has an established relationship with the Committee for Special Education (CSE) for children under its guise and has made materials and applications to Brooklyn Excelsior available for distribution to interested parents. We invite parents to meet with the school's Special Education Team and the CSE to develop an Individual Education Plan (IEP) for the child or to work within the parameters of the plan already in place from the child's previous school.

We will continue to monitor the efficacy of our recruitment and enrollment efforts by carefully tracking student enrollment numbers. Through our robust data warehouse, we collect detailed information on trends in at-risk student populations, report to the Board on enrollment trends, and adjust the marketing strategy, as needed, to ensure that parents of these children know that Brooklyn Excelsior is dedicated to serving their children's needs.

-The Admissions Representative works closely with the school's special education staff to provide parents with pertinent information for their specific needs. In addition, professional development to learn more about available resources will be provided to the Admissions Representative in the fall.

Enrollment Effective Target- 5.0%  
 Actual Enrollment- 4.2% (27 students)  
 In order to make progress toward our EL enrollment targets, we have implemented the following strategies, which will continue in the coming school year:

- Advertisements and notifications have been placed in the following publications: La Voz Hispana, Haiti Observateur, Weekly Sada - E Pakistan, World Journal, V Novom Svete, and Weekly Bangalee. In these publications we specifically mentioned that the school provides services to students for whom English is their second language.
- Fliers were distributed in Arabic, Bengali, English, French, Fulani, and Spanish to families throughout the community. Distribution sites included daycare centers, grocery stores, community centers, and churches. These fliers invited families to attend the Enrollment Information Meeting.
- An Enrollment Information Meeting was hosted for all parents interested in the school and we provided student applications in a number of languages: Arabic, Bengali,

We will continue the 2016-2017 initiatives. In addition, we will implement the following:  
 -Brooklyn Excelsior increased the FTE of the school's Admissions Representative to .75 (up from .25) to allow for more community outreach and parent engagement.

on caring for each student as a family cares for its children. We believe our school-wide behavior and classroom management practices –which we refer to as Behave with Care – help attract and retain special needs students. Our Behave with Care program is built on research-based programs for reinforcing positive behaviors, setting clear expectations, and building teacher- student relationships and peer relationships.

- Parent Involvement: To ensure that our families feel connected to the school, we have implemented several parent involvement strategies, including:
  - o Newsletters: Regular newsletters from the principal and teachers are distributed to parents. Important information regarding school-wide performance, initiatives, and programs is included in the newsletter.
  - o Social media: We have an excellent website, which gives parents quick and easy access to general information on the school as well as specific information about their children. In addition, we make cautious, appropriate use of Facebook and other social media sites to form connections between school leaders and parents. Parents without access to the internet can use the computer and internet available at the school.
  - o Classroom Communication: Teachers frequently send home communications for parents so that they know about everything from weekly schedules to educational goals for students. Teachers also share regular progress reports – via letter, online communication via the school’s AtSchool gradebook system, phone calls, and/or in-person meetings. These communications focus on each student's academic progress and performance.
  - o Conferences: Parent-teacher conferences are conducted twice each year. These conferences ensure that dedicated time is set aside for each parent to engage and interact with classroom teachers and discuss the progress of his or her child. As needed, staff may also conduct home visits. Each year, we conduct a family orientation at the end of the summer so new and enrolled families can meet the principal, their child's teacher and classmates, and other school staff.  We believe several core elements of our school culture function as linchpins of our recruitment and retention strategy for our special needs students. These elements include the high-quality educational program that we provide, the caring culture that we have established, and our many parent involvement initiatives.

- Culture and Climate: We have a school climate and culture that focus purposefully on caring for each student as a family cares for its children. We believe our school-wide behavior and classroom management practices –which we refer to as Behave with Care – help attract and retain special needs students. Our Behave with Care program is built on research-based programs for reinforcing positive behaviors, setting clear expectations, and building teacher- student relationships and peer relationships.
- Parent Involvement: To ensure that our families feel connected to the school, we have implemented several parent involvement strategies, including:
  - o Newsletters: Regular newsletters from the principal and teachers are distributed to parents. Important information regarding school-wide performance, initiatives, and programs is included in the newsletter.
  - o Social media: We have an excellent website, which gives parents quick and easy access to general information on the school as well as specific information about their children. In addition, we make cautious, appropriate use of Facebook and other social media sites to form connections between school leaders and parents. Parents without access to the internet can use the computer

- o Classroom Communication: Teachers frequently send home communications for parents so that they know about everything from weekly schedules to educational goals for students. Teachers also share regular progress reports – via letter, online communication via the school’s AtSchool gradebook system, phone calls, and/or in-person meetings. These communications focus on each student's academic progress and performance.
- o Conferences: Parent-teacher conferences are conducted twice each year. These conferences ensure that dedicated time is set aside for each parent to engage and interact with classroom teachers and discuss the progress of his or her child. As needed, staff may also conduct home visits. Each year, we conduct a family orientation at the end of the summer so new and enrolled families can meet the principal, their child's teacher and classmates, and other school staff. We believe these early contacts help establish and sustain a healthy rapport with parents.
