INDEPENDENT AUDITOR'S REPORT

Board of Trustees
True North Troy Preparatory Charter School

Report on the Financial Statements

We have audited the accompanying financial statements of True North Troy Preparatory Charter School, which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of True North Troy Preparatory Charter School as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited True North Troy Preparatory Charter School's June 30, 2016 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated October 7, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016 is consistent, in all material respects, with the financial statements from which it has been derived.

Other Report Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2017 on our consideration of True North Troy Preparatory Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2017 AND 2016

NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Charter School

True North Troy Preparatory Charter School (the “Charter School”), is an educational corporation operating as a charter school in Troy, New York. On March 11, 2008, the Board of Regents of the University of the State of New York granted the Charter School a provisional charter valid for a term of five years and renewable upon expiration. During the year ended June 30, 2013, the charter was extended through July 31, 2014. During the year ended June 30, 2014, the charter was approved for a full-term renewal for a period of five years to commence August 1, 2014.

The Charter School’s mission is to prepare all students to enter and succeed in college through effort, achievement, and the content of their character.

Financial Statement presentation

The financial statements of the Charter School have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP). The Charter School reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

These classes of net assets are defined as follows:

Permanently restricted – Net assets resulting from contributions and other inflows of assets whose use by the Charter School is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Charter School. The Charter School had no permanently restricted net assets at June 30, 2017 or 2016.

Temporarily restricted – Net assets resulting from contributions and other inflows of assets whose use by the Charter School is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Charter School pursuant to those stipulations. The Charter School had no temporarily restricted net assets at June 30, 2017 or 2016.

Unrestricted – The net assets over which the Governing Board has discretionary control to use in carrying on the Charter School’s operations in accordance with the guidelines established by the Charter School. The Board may designate portions of the current unrestricted net assets for specific purposes, projects or investment.

Revenue and support recognition

Revenue from state and local governments resulting from the Charter School’s charter status and based on the number of students enrolled is recorded when services are performed in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts are recorded by the Charter School when qualifying expenditures are incurred and billable.

JUNE 30, 2017 AND 2016

NOTE A: THE CHARTER SCHOOL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES,

Cont'd

Contributions

Contributions received are recorded as unrestricted, temporarily or permanently restricted support depending on the existence of any donor restrictions. A contribution that is received and expended in the same year for a specific purpose is classified as unrestricted revenue.

Contributions are recorded as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions.

Cash

Cash balances are maintained at a financial institution located in New York and are insured by the FDIC up to \$250,000 at each institution. In the normal course of business, the cash account balances at any given time may exceed insured limits. However, the Charter School has not experienced any losses in such accounts and does not believe it is exposed to significant risk in cash.

Escrow account

A savings account is held by the Charter School as an escrow account in accordance with the terms of their charter agreement. The amount in escrow as of June 30, 2017 and 2016 was \$75,314 and \$75,171, respectively. The escrow account is restricted to fund legal and other costs should the Charter School cease operations and dissolve.

Grants and contracts receivables

Grants and contracts receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts based on its assessment of the current status of individual receivables from grants, agencies and others. Balances that are still outstanding after management has used reasonable collection efforts are written off as bad debt expense or against the allowance for doubtful accounts. There was no allowance for doubtful accounts at June 30, 2017 or 2016.

Property and equipment

Property and equipment are recorded at cost. Depreciation and amortization are computed using the straight-line method on a basis considered adequate to depreciate the assets over their estimated useful lives, which range from three to ten years.

Tax exempt status

The Charter School is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code and applicable state regulations and, accordingly, is exempt from federal and state taxes on income.

The Charter School files Form 990 tax returns in the U.S. federal jurisdiction. The tax returns for the years ended June 30, 2014 through June 30, 2017 are still subject to potential audit by the IRS. Management of the Charter School believes it has no material uncertain tax positions and, accordingly it will not recognize any liability for unrecognized tax benefits.

Contributed services

The Charter School receives contributed services from volunteers to develop its academic program and to serve on the Board of Trustees. These services are not valued in the financial statements because they do not require “specialized skills” and would typically not be purchased if they were not contributed.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain prior year amounts have been reclassified to conform with the current year presentation.

Comparatives for the year ended June 30, 2016

The financial statements include certain prior year summarized comparative information in total but not by functional classification. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Charter School’s financial statements for the year ended June 30, 2016, from which the summarized information was derived.

Subsequent events

The Charter School has conducted an evaluation of potential subsequent events occurring after the statement of financial position date through October 25, 2017, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted except as disclosed in Notes B and E.

NOTE B: RELATED PARTY TRANSACTIONS

Uncommon Schools, Inc. (“USI”), a not-for-profit organization dedicated to helping start and run charter schools, provides management and other administrative support services to the Charter School. The Charter School entered into a five year agreement with USI, dated July 1, 2009 which was renewed for an additional five years on July 1, 2014, under which the Charter School pays USI a service fee of a set percentage of the average number of students enrolled at the Charter School during the school year multiplied by the approved per pupil operating expenses for the school year, and a percentage of all other public entitlement funding receivable during the fiscal year, excluding in-kind contributions and funds from competitive public grants. This percentage is fixed at 8% for 2016-2019. The fees incurred for the years ended June 30, 2017 and 2016 were approximately \$689,000 and \$647,000, respectively. Approximately \$172,000 and \$140,000 were included in accounts payable, relating to USI, at June 30, 2017 and 2016, respectively. There were no amounts included in accounts receivable, relating to USI, at June 30, 2017 and 2016, respectively.

Effective August 1, 2011, the Charter School signed a lease agreement with True North Tyler Street, LLC, a wholly-owned subsidiary of USI. The lease requires monthly payments of \$42,175 through July 2036.

JUNE 30, 2017 AND 2016

NOTE B: RELATED PARTY TRANSACTIONS, Cont'd

Effective October 7, 2014, the Charter School signed a lease with True North Troy Real Estate, LLC, a wholly-owned subsidiary of USI for a parking lot. The lease requires yearly payments of \$5,750 through February 2018. After that point in time, the lease shall automatically be renewed for periods of five years, not to extend beyond July 2036. Parking lot rent for all future periods is not currently known, but shall be mutually agreed upon by the two parties no later than 90 days prior to the expiration of the lease.

Effective July 1, 2017, the Charter School signed a lease with True North River Street, LLC, a wholly-owned subsidiary of USI. The lease requires annual payments of \$40,000 through June 2018. In addition, the Charter School has committed to paying \$360,000 towards renovation work on the property. This amount was paid on October 11, 2017. Effective July 1, 2018, the annual rent increases to \$330,000 through June 30, 2019 with five automatic renewal periods for five years each.

Future minimum payments on these leases are as follows assuming all renewals are selected:

<u>Year ending June 30,</u>	<u>Amount</u>
2018	\$ 546,100
2019	836,100
2020	836,100
2021	836,100
2022	836,100
Thereafter	<u>14,387,575</u>
	<u>\$ 18,278,075</u>

Rent expense incurred was \$538,624 and \$506,100 for the years ended June 30, 2017 and June 30, 2016, respectively.

NOTE C: PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

	<u>June 30,</u>	
	<u>2017</u>	<u>2016</u>
Furniture and fixtures	\$ 232,292	\$ 159,645

JUNE 30, 2017 AND 2016

NOTE D: RETIREMENT PLAN

The Charter School sponsors a defined contribution 403(b) plan covering most employees. For employees who have 2 years of service or less the Charter School matches employees' contributions up to the lesser of 3% of gross payroll or \$3,500. Effective July 1, 2012, for employees who have 3 years of service or more the Charter School will match up to the lesser of 4% of gross payroll or \$4,000. Effective July 1, 2013, for employees who have 4 years of service or more the Charter School will match up to the lesser of 5% of gross payroll or \$5,000. The Charter School's total contribution to the Plan for the years ended June 30, 2017 and 2016 approximated \$101,800 and \$92,100, respectively.

NOTE E: CONTINGENCY

Certain grants and contracts may be subject to audit by funding sources. Such audits might result in disallowance of costs submitted for reimbursement by the Charter School. Management is of the opinion that such disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

There are amounts approximating \$391,000 and \$427,000 due from the Troy City School District and Lansingburgh Central School District, respectively, which are included in the accounts receivable balance at June 30, 2017. Historically the Charter School has had difficulty collecting receivables directly from these districts and has needed to file intercepts with New York State to collect the amounts due directly from the New York State Education Department. Intercepts will be filed for the outstanding amounts due from these districts as of June 30, 2017. Approximately \$300,000 of receivables from Lansingburgh Central School District date back to revenues earned in the years ending June 30, 2016 and 2015. The Charter School, through a law firm, made a formal demand for payment from New York State in August 2017. In October 2017, approximately \$78,000 was approved by the State Education Department to be paid. Historically the Charter School has been successful collecting intercept funds, and management believes that all remaining amounts due will eventually be received.

NOTE F: CONCENTRATIONS

At June 30, 2017 and 2016 approximately 86% and 89% of accounts receivable were due from two school districts, respectively.

During the years ended June 30, 2017 and 2016, 90% of total operating revenue and support came from per-pupil funding provided by New York State. The per-pupil rate is set annually by the State based on the school district in which the Charter School's students are located.

Board of Trustees
True North Troy Preparatory Charter School

We have audited the financial statements of True North Troy Preparatory Charter School as of and for the year ended June 30, 2017, and we have issued our report thereon dated October 25, 2017, which expressed an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the 2017 financial statements as a whole. The 2017 financial information hereinafter is presented for purposes of additional analysis and is not a required part of the 2017 financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2017 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2017 financial statements or to the 2017 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements for the year ended June 30, 2017, as a whole.

We have also audited the financial statements of True North Troy Preparatory Charter School as of and for the year ended June 30, 2016, and our report thereon dated October 7, 2016, expressed an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the 2016 financial statements as a whole. The 2016 financial information hereinafter is presented for purposes of additional analysis and is not a required part of the 2016 financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2016 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the 2016 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements for the year ended June 30, 2016, as a whole.

ADVISORY COMMENT LETTER

JUNE 30, 2017

MENGEL METZGER BARR & CO. LLP

October 25, 2017

To the Board of Trustees
True North Troy Preparatory Charter School

In planning and performing our audit of the financial statements of True North Troy Preparatory Charter School (the "Charter School") as of and for the year ended June 30, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered the Charter School's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

REPORT TO THE FINANCE COMMITTEE

JUNE 30, 2017

MENGEL METZGER BARR & CO. LLP

Certified Public Accountants

October 25, 2017

The Finance Committee
True North Troy Preparatory Charter School

We have audited the financial statements of True North Troy Preparatory Charter School as of and for the year ended June 30, 2017, and have issued our report thereon dated October 25, 2017. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 7, 2017, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and *Government Auditing Standards*. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of True North Troy Preparatory Charter School solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate and our firm have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by True North Troy Preparatory Charter School is included in Note A to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2017. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are the collectability of grants and other receivables, as well as the allocation of costs for the statement of functional expenses. We evaluated the key factors and assumptions used to develop these estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting True North Troy Preparatory Charter School's financial statements relate to revenue and support recognition, which is referred to in the notes of the financial statements.

Identified or Suspected Fraud

We have not identified or obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to True North Troy Preparatory Charter School's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with True North Troy Preparatory Charter School, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the entity, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as True North Troy Preparatory Charter School's auditors.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

* * * * *

Should you desire further information concerning these matters, Ray Jacobi or Ryan Snyder will be happy to meet with you at your convenience.

This report is intended solely for the information and use of the Finance Committee, the Board of Trustees, and management of True North Troy Preparatory Charter School and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

Board of Trustees
True North Troy Preparatory Charter School

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of True North Troy Preparatory Charter School, which comprise the statement of financial position as of June 30, 2017 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended and the related notes to the financial statements and have issued our report thereon dated October 25, 2017.

Internal Control Over Financial Reporting

Management of True North Troy Preparatory Charter School is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements, we considered True North Troy Preparatory Charter School’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of True North Troy Preparatory Charter School’s internal control. Accordingly, we do not express an opinion on the effectiveness of True North Troy Preparatory Charter School’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether True North Troy Preparatory Charter School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS IN ACCORDANCE WITH THE UNIFORM GUIDANCE

Board of Trustees
True North Troy Preparatory Charter School

Report on Compliance for Each Major Federal Program

We have audited True North Troy Preparatory Charter School's compliance with the compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of True North Troy Preparatory Charter School's major federal programs for the year ended June 30, 2017. True North Troy Preparatory Charter School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of True North Troy Preparatory Charter School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about True North Troy Preparatory Charter School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of True North Troy Preparatory Charter School's compliance.

Opinion on Each Major Federal Program

In our opinion, True North Troy Preparatory Charter School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of True North Troy Preparatory Charter School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered True North Troy Preparatory Charter School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of True North Troy Preparatory Charter School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of the Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of True North Troy Preparatory Charter School as of and for the year ended June 30, 2017, and have issued our report thereon dated October 25, 2017, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.
