INTRODUCTION

The mission of Success Academy Charter School – Harlem 3 (“SA Harlem 3”) is to provide students in New York City with an exceptionally high-quality education that gives them the knowledge, skills, character, and disposition to meet and exceed New York State Common Core Learning Standards and the resources to lead and succeed in school, college, and a competitive global economy.

ENGLISH LANGUAGE ARTS

Goal 1: English Language Arts

Students will demonstrate proficiency in reading, writing, and comprehending the English language.

Background

Believing that all students can succeed, SA Harlem 3 goes above and beyond Common Core standards. SA Harlem 3 uses THINK Literacy, a comprehensive balanced literacy program, in all grades. THINK Literacy was developed in-house by the Instructional Management team at Success Academy Charter Schools, the charter management organization. There are many components of THINK, including Shared Text, Guided Reading, Read Aloud with Discussion, Reading Workshop, and Writing Workshop. During Shared Text, the teacher displays a text and the whole class reads and analyzes it together, giving students practice interpreting brief, engaging texts. During Guided Reading, the teacher works with a small group of students to read and comprehend a book that is one level above what they can read and understand independently. During Read Aloud with Discussion, the teacher models the internal thinking that excellent readers exhibit, and students discuss their ideas about the book with their classmates. During Reading Workshop and Writing Workshop, students internalize key aspects of great reading and writing, through direct instruction, independent work, and partner work. All THINK components press students to read, write, think, and speak with clarity and precision.

In kindergarten and first grade, students also receive extensive phonics instruction. This early literacy curriculum is modeled on an enhanced version of Success For All (SFA), which has a proven track record in urban schools and has been implemented in 1,300 schools around the United States.

Students are assessed in reading regularly. They progress to the next instructional reading level when ready. Thus, children are assigned to appropriate reading levels based on reading performance, not age or grade.

SA Harlem 3 enforces specific protocols for how it collects, distributes, and analyzes data. These protocols work to help teachers and school leaders freely access information in real-time. In a fast-paced and constantly changing school environment, having ready access to academic data empowers the staff to better decide how to expend time and resources so as to maximize student achievement.

SA Harlem 3 views its teachers as Olympic athletes who must constantly train and improve their skills. Professional development is a regular part of their professional responsibilities as it develops skills, provides content area knowledge, and improves pedagogical techniques so that the teachers are prepared to “win the race” that is educating children. Further information is available in the school’s charter.

Goal 1: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at proficiency on the New York State English language arts examination for grades 3-8.

This measure assumes that the general format and structure of the State ELA exam will remain consistent. To the extent that there are significant format and structure changes to the exam, the school understands that its authorizer will take such changes into account when assessing the school's performance.

Method

The school administered the New York State Testing Program English language arts assessment to students in 3rd through 7th grade in April 2015. Each student's raw score has been converted to a grade-specific scaled score and a performance level.

The table below summarizes participation information for this year's test administration. The table indicates total enrollment and total number of students tested. It also provides a detailed breakdown of those students excluded from the exam. Note that this table includes all students according to grade level, even if they have not enrolled in at least their second year (defined as enrolled by BEDS day of the previous school year).

7	63	0	0	0	63
8	3	0	0	0	3
All	483	0	0	0	483

Results

Based on scores from 2014-15, SA Harlem 4 did not meet the 75 percent proficient rate goal for English language arts. However, as noted below, this is due to significant changes to the exam.

³ Students exempted from this exam according to their Individualized Education Program (IEP), because of English Language Learners (ELL) status, or absence for at least some part of the exam.

8	100.00%	3	100.00%	3
All	71.52%	483	71.15%	456

Evaluation

Schools across New York State experienced significantly lower scores on state exams in 2012-13, 2013-14, and 2014-15 due to the shift to assessments that measure the Common Core Learning Standards. These lower scores were anticipated by the New York State Department of Education as the new examination was expected to “effectively create a new baseline measurement of student learning.”⁴

Like the majority of other schools in the state, SA Harlem 3 students scored lower than in years prior to 2012-13. Despite the drop in pass rate, SA Harlem 3 ranks high among elementary schools statewide (by overall proficiency rate) and has outperformed other schools in its district in the 2014-15 school year by a wide margin.

Additional Evidence

As noted above, the New York State English language arts examination increased in difficulty in 2012-13. As a result, pass rates on the 2014-15 English language arts test were lower than pass rates in 2011-12. But, as noted elsewhere, SA Harlem 3 ranks high among elementary schools statewide.

Goal 1: Absolute Measure

Each year, the school's aggregate Performance Level Index ("PLI") on the State English language arts exam will meet the Annual Measurable Objective ("AMO") set forth in the state's NCLB accountability system.

Method

The federal No Child Left Behind law holds schools accountable for making annual yearly progress towards enabling all students to be proficient. As a result, the state sets an AMO each year to determine if schools are making satisfactory progress toward the goal of proficiency in the state's learning standards in English language arts. To achieve this measure, all tested students must have a Performance Level Index ("PLI") value that equals or exceeds the 2014-15 English language arts AMO of 97. The PLI is calculated by adding the sum of the percent of all tested students at Levels 2 through 4 with the sum of the percent of all tested students at Levels 3 and 4. Thus, the highest possible PLI is 200.⁵

Results

For 2014-15, SA Harlem 3 achieved a PLI of 169. This is substantially greater than the target AMO of 97.

PLI =	26%	+	55%	+	17%	=	97
		/	55%	+	17%	=	72

⁵ In contrast to SED's Performance Index, the PLI does not account for year-to-year growth toward proficiency.

					PLI	=	169
--	--	--	--	--	------------	----------	------------

Evaluation

SA Harlem 3 met this goal by achieving a PLI of 169.

Goal 1: Comparative Measure

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of all students in the same tested grades in the local school district.

Method

A school compares tested students enrolled in at least their second year to all tested students in the surrounding public school district. Comparisons are between the results for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.⁶

Results

SA Harlem 3 achieved an overall proficiency rate of 71% (for students enrolled in at least their second year), approximately 48 percentage points higher than District 4's proficiency rate of 23%.

Evaluation

⁶ Schools can acquire these data when the New York State Education Department releases its Access database containing grade level ELA and math test results for all schools and districts statewide. The NYSED announces the release of the data on its [News Release webpage](#).

SA Harlem 3 met this goal with a proficiency rate that exceeded the local district's proficiency rate of 23% by approximately 48 percentage points.

Additional Evidence

SA Harlem 3 considerably outperformed District 4 in the 2012-13, 2013-14, and 2014-15 school years.

Goal 1: Comparative Measure

Each year, the school will exceed its predicted level of performance on the state English language arts exam by an Effect Size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.

Method

The Charter Schools Institute conducts a Comparative Performance Analysis, which compares the school's performance to demographically similar public schools state-wide. The Institute uses a regression analysis to control for the percentage of economically disadvantaged students among all public schools in New York State. The Institute compares the school's actual performance to the predicted performance of public schools with a similar economically disadvantaged percentage. The difference between the schools' actual and predicted performance, relative to other schools with similar economically disadvantaged statistics, produces an Effect Size. An Effect Size of 0.3 or performing higher than expected to a meaningful degree is the requirement for achieving this measure.

Given the timing of the state’s release of economically disadvantaged data and the demands of the data analysis, the 2014-15 analysis is not yet available. This report contains 2013-14 results, the most recent Comparative Performance Analysis available.

Results

For the 2013-14 academic year, SA Harlem 3 demonstrated an effect size of 3.36, greatly exceeding the target value of 0.3.

School’s Overall Comparative Performance:
Higher than expected to a large degree

Results

SA Harlem 3 met this goal with an effect size of 3.36. This value is substantially greater than the target effect size of 0.3.

Additional Evidence

In every academic year for which data has been provided, SA Harlem 3’s effect size has been rated as “higher than expected to a large degree.” SA Harlem 3 believes that it will demonstrate consistently high effect sizes in the years to come.

English Language Arts Comparative Performance by School Year

2013-14	3-6	77.3	395	69.6	22.7	3.36

Goal 1: Growth Measure⁷

Each year, under the state’s Growth Model, the school’s mean unadjusted growth percentile in English language arts for all tested students in grades 4-8 will be above the state’s unadjusted median growth percentile.

Method

This measure examines the change in performance of the same group of students from one year to the next and the progress they are making in comparison to other students with the same score in the previous year. The analysis only includes students who took the state exam in 2013-14 and also have a state exam score from 2012-13 including students who were retained in the same grade. Students with the same 2012-13 score are ranked by their 2013-14 score and assigned a percentile based on their relative growth in performance (student growth percentile). Students’ growth percentiles are aggregated school-wide to yield a school’s mean growth percentile. In order for a school to perform above the statewide median, it must have a mean growth percentile greater than 50.

Given the timing of the state’s release of Growth Model data, the 2014-15 analysis is not yet available. This report contains 2013-14 results, the most recent Growth Model data available.⁸

Results

For 2013-14, SA Harlem 3 achieved a school-wide mean growth percentile of 59.7.

Action Plan

In order to continue improving in English language arts, SA Harlem 3 will make the following improvements to its literacy program:

- More effectively use shared text to enhance student discussions around literature that are truly student-driven and less directed by the teacher.
- Provide students with more opportunities to respond to literature in writing.
- Promote genre variety in the classroom by giving students short excerpts of non-fiction, realistic fiction, folktales, interviews, plays, pamphlets, advertisements, etc.
- Help students identify the main idea of what they read in order to better understand author's purpose and connect details to a cohesive narrative.
- Deepen class discussions around literature to transcend the literal and have students infer character traits, feelings and other aspects of literature not explicitly written.
- Provide students with opportunities to write across genres. Across a year, scholars will write narrative, argumentative, and informational pieces.

MATHEMATICS

Goal 2: Mathematics

Students will show competency in their understanding and application of mathematical computation and problem solving.

Background

SA Harlem 3 uses Cognitively Guided Instruction (CGI) and the Investigations math program. Some of its key elements are described below:

- Problem Solving – CGI offers students a chance to solve real world, contextualized mathematical problems using conceptual understanding. Students learn the basics of problem solving strategies by solving daily word problems that require critical thinking and both written and verbal expression of mathematical reasoning. Students work individually to solve a problem and then share their strategies with their peers. The teacher leads a discussion based on student strategies that leads to understanding of mathematical properties.
- Assessment – SA Harlem 3 administers Math Interim Assessments and weekly quizzes to determine the progress of students with respect to the Common Core standards. Teachers use the data to inform future instruction.

- Common Core State Standard Alignment – SA Harlem 3 has mapped the scope and sequence of CGI and the Investigations math program to closely align with the Common Core. This scope and sequence closely follows the state and national requirements of what students should know and be able to do at each administration of the state math assessments. By aligning closely with the Common Core and assessments, teachers will have a much better sense of where their students stand in SA Harlem 3’s goal of preparing all students for college-track level mathematics in middle and high school.
- Conceptual Understanding – Investigations math places an emphasis on open-ended exploration and interactive learning components to each lesson to let students make sense of mathematics by building on ideas and observations from previous experiences. By learning mathematical ideas and procedures that is grounded in meaning, students are able to apply their thinking to new situations and unfamiliar problems. CGI uses daily world problems to give students meaning, understanding, and application to the math they learn.
- Computational Fluency – SA Harlem 3 also provides students with regular math facts practice because it recognizes the importance of computational fluency. Math facts quizzes emphasize both accuracy and speed.

Goal 2: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at proficiency on the New York State mathematics examination for grades 3-8.

This measure assumes that the general format and structure of the State mathematics exam will remain consistent. To the extent that there are significant format and structure changes to the exam, the school understands that its authorizer will take such changes into account when assessing the school’s performance.

Method

The school administered the New York State Testing Program mathematics assessment to students in 3rd through 7th grade in April 2015. Each student’s raw score has been converted to a grade-specific scaled score and a performance level.

The table below summarizes participation information for this year’s test administration. The table indicates total enrollment and total number of students tested. It also provides a detailed breakdown of those students excluded from the exam. Note that this table includes all students according to grade level, even if they have not enrolled in at least their second year.

Goal 2: Absolute Measure

Each year, the school's aggregate Performance Level Index (PLI) on the State mathematics exam will meet the Annual Measurable Objective (AMO) set forth in the state's NCLB accountability system.

Method

The federal No Child Left Behind law holds schools accountable for making annual yearly progress towards enabling all students to be proficient. As a result, the state sets an AMO each year to determine if schools are making satisfactory progress toward the goal of proficiency in the state's learning standards in mathematics. To achieve this measure, all tested students must have a Performance Level Index (PLI) value that equals or exceeds the 2014-15 mathematics AMO of 94. The PLI is calculated by adding the sum of the percent of all tested students at Levels 2 through 4 with the sum of the percent of all tested students at Levels 3 and 4. Thus, the highest possible PLI is 200.¹¹

Results

For 2014-15, SA Harlem 3 achieved a PLI of 192. This is substantially greater than the target AMO of 94.

Mathematics 2014-15 Performance Level Index (PLI)

-----------	---

¹¹ In contrast to NYSED's Performance Index, the PLI does not account for year-to-year growth toward proficiency.

PLI =	8%	+	25%	+	67%	=	100
		/	25%	+	67%	=	92
					PLI	=	192

Evaluation

SA Harlem 3 met this goal by achieving a PLI of 192.

Goal 2: Comparative Measure

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state mathematics exam will be greater than that of all students in the same tested grades in the local school district.

Method

A school compares the performance of tested students enrolled in at least their second year to that of all tested students in the surrounding public school district. Comparisons are between the results for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.¹²

Results

SA Harlem 3 achieved an overall proficiency rate of 92% (for students enrolled in at least their second year), approximately 64 percentage points higher than District 4's proficiency rate of 28%.

Evaluation

SA Harlem 3 met this goal with a proficiency rate that exceeded the local district's proficiency rate of 28% by approximately 31 percentage points.

Additional Evidence

SA Harlem 3 considerably outperformed District 4 in the 2012-13, 2013-14, and 2014-15 school years.

Goal 2: Comparative Measure

Each year, the school will exceed its predicted level of performance on the state mathematics exam by an Effect Size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.

Method

The Charter Schools Institute conducts a Comparative Performance Analysis, which

compares the school's performance to demographically similar public schools state-wide. The Institute uses a regression analysis to control for the percentage of economically disadvantaged students among all public schools in New York State. The Institute compares the school's actual performance to the predicted performance of public schools with a similar economically disadvantaged percentage. The difference between the schools' actual and predicted performance, relative to other schools with similar economically disadvantaged statistics, produces an Effect Size. An Effect Size of 0.3 or performing higher than expected to a meaningful degree is the requirement for achieving this measure.

Given the timing of the state's release of economically disadvantaged data and the demands of the data analysis, the 2014-15 analysis is not yet available. This report contains 2013-14 results, the most recent Comparative Performance Analysis available.

Results

For the 2013-14 academic year, SA Harlem 3 demonstrated an effect size of 3.24, greatly exceeding the target value of 0.3.

Evaluation

SA Harlem 3 met this goal with an effect size of 3.24. This value is substantially greater than the target effect size of 0.3.

Additional Evidence

In every academic year for which data has been provided, SA Harlem 3's effect size has been rated as "higher than expected to a large degree." SA Harlem 3 believes that it will demonstrate consistently high effect sizes in the years to come.

Goal 2: Growth Measure¹³

Each year, under the state's Growth Model, the school's mean unadjusted growth percentile in mathematics for all tested students in grades 4-8 will be above the state's unadjusted median growth percentile.

Method

This measure examines the change in performance of the same group of students from one year to the next and the progress they are making in comparison to other students with the same score in the previous year. The analysis only includes students who took the state exam in 2013-14 and also have a state exam score in 2012-13 including students who were retained in the same grade. Students with the same 2012-13 scores are ranked by their 2013-14 scores and assigned a percentile based on their relative growth in performance (student growth percentile). Students' growth percentiles are aggregated school-wide to yield a school's mean growth percentile. In order for a school to perform above the statewide median, it must have a mean growth percentile greater than 50.

Given the timing of the state's release of Growth Model data, the 2014-15 analysis is not yet available. This report contains 2013-14 results, the most recent Growth Model data available.¹⁴

Results

For 2013-14, SA Harlem 3 achieved a school-wide mean growth percentile of 65.2.

Action Plan

Despite impressive state math test results, SA Harlem 3 is looking to make the following improvements to the math program:

- More effectively guide students to move away from invented strategies for solving problems, which can sometimes be laborious, towards more efficient strategies that improve accuracy
- Improve the pacing calendar for math instruction so that teachers have time to teach oft-overlooked skills like fractions

SCIENCE

Goal 3: Science

Students will understand and apply scientific principles at a proficient level.

Background

The school's curriculum is unique in its attention to science, including unprecedented daily instruction. The school uses a discovery-based, experiential approach to science, guided by the most influential authorities on elementary science education today, the American Association for the Advancement of Science Benchmarks and the National Resource Council National Science Education Standards. Taught by specialized science teachers, students have hands-on experience with objects, materials, and organisms to understand the natural world. The curriculum provides students with a solid foundation in discovery-based science to ensure that they can excel in middle and high school science classes.

Goal 3: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at proficiency on the New York State science examination.

This measure assumes that the general format and structure of the State science exam will remain consistent. To the extent that there are significant format and structure changes to the exam, the school understands that its authorizer will take such changes into account when assessing the school's performance.

Method

The school administered the New York State Testing Program science assessment to students in 4th grade in spring 2015. The school converted each student's raw score to a performance level and a grade-specific scaled score. The criterion for success on this measure requires students enrolled in at least their second year to score at proficiency.

Results

SA Harlem 3 achieved an overall proficiency rate of 100%.

Action Plan

SA Harlem 3 will continue offering discovery-based science to all students five days a week. Results from state science tests show that SA Harlem 3's focus on science is paying considerable dividends.

NCLB

Goal 4: NCLB

The school will make Adequate Yearly Progress.

Goal 4: Absolute Measure

Under the state's NCLB accountability system, the school's Accountability Status is in good standing: the state has not identified the school as a Focus School nor determined that it has met the criteria to be identified as school requiring a local assistance plan.

Method

Because *all* students are expected to meet the state's learning standards, the federal No Child Left Behind legislation stipulates that various sub-populations and demographic categories of students among all tested students must meet state proficiency standards. New York, like all states, established a system for making these determinations for its public schools. Each year the state issues School Report Cards. The report cards indicate each school's status under the state's No Child Left Behind (NCLB) accountability system.

Results

SA Harlem 3 achieved a status of "Good Standing" for 2014-15.

Evaluation

SA Harlem 3 achieved its goal by achieving a status of "Good Standing" for the 2014-15 academic year.

Additional Evidence

SA Harlem 3 has maintained its status of "Good Standing" for every year for which information is available and expects to maintain this status in the future.

Charter School Name:

B. Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. (Integers Only. No dollar signs or commas).

Line 1: Total Expenditures	12389514
Line 2: Year End Per Pupil Count	809
Line 3: Divide Line 1 by Line 2	15315

2. Administrative Expenditures per Child

To calculate '**Administrative Expenditures per Child**' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officers, the treasurer, the finance or business offices, the purchasing unit, the employee personnel offices, the records management offices, or a public information and services offices. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation.

Please note the following:

- Do not include the FTE of personnel dedicated to administration of the instructional programs.
- Do not include Employee Benefit costs or expenditures in the above calculations.
- A template for the Schedule of Functional Expenses is provided on page 20 of the 2014-15 Annual Report Guidelines to assist schools identify the categories of expenses needed to compute the two per pupil calculations. This template does not need to be completed or submitted on August 1st as it will be submitted November 1st as part of the audited financial statements. Therefore schools should use unaudited amounts for these per pupil calculations. (See the 2014-15 Annual Report Guidelines in "Resources" area of your portal task page).

To calculate '**Administrative Expenditures per Child**' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. Independent Auditor's Report

To the Board of Trustees
Success Academy Charter Schools - NYC
New York, New York

We have audited the accompanying financial statements of Success Academy Charter School-NYC ("SACS-NYC"), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Success Academy Charter School- NYC as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary combining statement of activities is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 29, 2015 on our consideration of SACS-NYC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SACS-NYC's internal control over financial reporting and compliance.

Success Academy Charter Schools - NYC

Notes to Financial Statements

1. Description of School

Success Academy Charter Schools - NYC ("SACS-NYC") is a New York State, not-for-profit educational corporation that was incorporated on March 11, 2008 to operate a charter school pursuant to Article 56 of the Education Law of the State of New York. SACS-NYC Schools are granted provisional charters valid for a term of five years and renewable upon expiration by the Board of Regents of the University of the State of New York. SACS-NYC is dedicated to providing a high quality education to primarily disadvantaged students to prevent the achievement gap from rising.

Success Academy Charter School - Harlem 1, Success Academy Charter School - Harlem 2, Success Academy Charter School - Harlem 3, Success Academy Charter School - Harlem 4, and Success Academy Charter School - Harlem 5 merged into a single legal entity under Success Academy Charter School - Harlem 3, which serves as the sole surviving education corporation. The plan of merger was approved by the Board of Trustees of the State University of New York and the New York State Education Department Board of Regents, and became effective for financial purposes on October 1, 2012. Success Academy Charter School - Harlem 3 changed its name to Success Academy Charter Schools - NYC, and each school is authorized by The Charter Schools Institute of the State University of New York.

Success Academy Charter School - Bronx 1, Success Academy Charter School - Bronx 2, Success Academy Charter School - Upper West Side, Success Academy Charter School - Bedford Stuyvesant 1, Success Academy Charter School - Bedford Stuyvesant 2, Success Academy Charter School - Cobble Hill, and Success Academy Charter School - Williamsburg merged into SACS-NYC, which serves as the sole surviving education corporation. The plan of merger, dated September 20, 2013, was approved by the Schools' Board of Trustees and is effective July 1, 2014. Pursuant to the effective date, all schools ceased to exist as legal entities and all schools operations are under SACS-NYC. The merger was approved by the New York State Board of Regents and the Charter Schools Institute of the State University of New York on February 26, 2014.

The financial statements of SACS-NYC include the following schools that all form a single legal entity:

Success Academy Charter School - Harlem 1 ("Harlem 1"), Success Academy Charter School - Harlem 2 ("Harlem 2"), Success Academy Charter School - Harlem 3 ("Harlem 3"), Success Academy Charter School - Harlem 4 ("Harlem 4"), Success Academy Charter School - Harlem 5 ("Harlem 5"), Success Academy Charter School - Harlem West ("Harlem West"), Success Academy Charter School - Harlem Central ("Harlem Central"), Success Academy Charter School - High School ("HS Liberal Arts"), Success Academy Charter School - Bronx 3 ("Bronx 3"), Success Academy Charter School - Crown Heights ("Crown Heights"), Success Academy Charter School - Fort Greene ("Fort Greene"), Success Academy Charter School - Harlem 3 100th Street ("Harlem 3K"), Success Academy Charter School - Hell's Kitchen ("Hell's Kitchen"), Success Academy Charter School - Harlem North Central ("Harlem North Central"), Success Academy Charter School - Prospect Heights ("Prospect Heights"), Success Academy Charter School - Union Square ("Union Square"), Success Academy Charter School - Bensonhurst ("Bensonhurst"), Success Academy Charter School - Bergen Beach ("Bergen Beach"), Success Academy Charter School - Bronx 2 ("BX2"), Success Academy Charter School - Harlem North West ("Harlem North West"), Success Academy Charter School - Rosedale ("Rosedale"), Success Academy Charter School - Springfield Gardens ("Springfield Gardens"), Success Academy Charter School - Bronx 4 ("Bronx 4"), Success Academy Charter School - Washington Heights ("Washington Heights"), Success Academy Charter School - Bedford Stuyvesant 1 (Bed Stuy 1), Success Academy Charter School - Bedford Stuyvesant 2 ("Bed Stuy 2"), Success Academy Charter School Middle School - Bronx 2 ("Bronx 2

Notes to Financial Statements

MS”), Success Academy Charter School - Bronx 2 (“Bronx 2”), Success Academy Charter School-Cobble Hill (“Cobble Hill”), Success Academy Charter School - Upper West Side (“Upper West”) and Success Academy Charter School - Williamsburg (“Williamsburg”).

SACS-NYC provided education to approximately 8,715 students in grades kindergarten through high school during the 2014-2015 academic year.

2. Summary of Significant Accounting Policies

(a) *Basis of Presentation*

The financial statements of SACS-NYC have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

(b) *Financial Statement Presentation*

The classification of a not-for-profit organization’s net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of three classes of net assets, permanently restricted, temporarily restricted, and unrestricted, be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities.

As of June 30, 2015, SACS-NYC had no permanently restricted net assets.

These classes are defined as follows:

- (i) **Permanently Restricted** - Net assets resulting from contributions and other inflows of assets whose use by SACS-NYC is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of SACS-NYC.
- (ii) **Temporarily Restricted** - Net assets resulting from contributions and other inflows of assets whose use by SACS-NYC is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of SACS-NYC pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities.
- (iii) **Unrestricted** - The part of net assets that is neither permanently nor temporarily restricted by donor-imposed stipulations.

(c) *Cash and Cash Equivalents*

SACS-NYC considers highly liquid investments with original maturities of 90 days or less to be cash equivalents.

(d) *Restricted Investments*

Under the provisions of its charter, SACS-NYC established an escrow account to pay for legal and audit expenses that would be associated with a dissolution should it occur.

(e) *Receivables*

Receivables are recorded at their net realizable values, based upon an estimated allowance for doubtful accounts. Pledges receivable due after one year are discounted to net present value using the risk-adjusted interest rate in effect on the date of the gifts. All of SACS-NYC's grant, contract, and other receivables are expected to be collected within one year.

(f) *Provision for Doubtful Accounts*

SACS-NYC maintains an allowance for doubtful accounts for the receivables that are specifically

Success Academy Charter Schools - NYC

Notes to Financial Statements

identified by management as to their uncertainty in regards to collectability. At June 30, 2015, management estimated the allowance for doubtful accounts to be \$-0- for government and tuition receivable, and \$-0- for other receivables, respectively.

(g) Property and Equipment

Property and equipment are recorded at cost. Additions and improvements or betterments in excess of \$2,500 with an estimated useful life of three or more years are capitalized. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Property and equipment acquired with certain government contract funds are recorded as expenses pursuant to the terms of the contract. The estimated useful lives of the assets are as follows:

Equipment	3 years
Furniture and fixtures	3 years
Software	3 years
Renovations and improvements	5 years

(h) Fair Value Measurements

Accounting Standards Codification ("ASC") 820, "Fair Value Measurement", establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. Observable inputs are inputs that market participants operating within the same marketplace as SACS-NYC would use in pricing SACS-NYC's asset or liability based on independently derived and objectively determinable market data. Unobservable inputs are inputs that cannot be sourced from a broad active market in which assets or liabilities identical or similar to those of SACS-NYC are traded. SACS-NYC estimates the price of any assets for which there are only unobservable inputs by using assumptions that market participants that have investments in the same or similar assets would use as determined by the money managers administering each investment based on best information available in the circumstances. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable as follows:

Level 1 - Valuation based on quoted market prices in active markets for identical assets or liabilities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment. Examples include equity securities and publicly-traded mutual funds that are actively traded on a major exchange or over-the-counter market.

Level 2 - Valuation based on quoted market prices of investments that are not actively traded or for which certain significant inputs are not observable, either directly or indirectly, such as municipal bonds. The fair value of municipal bonds is estimated using recently executed transactions, bid/asked prices and pricing models that factor in, where applicable, interest rates, bond spreads and volatility.

Level 3 - Valuation based on inputs that are unobservable and reflect management's best estimate of what market participants would use as fair value. Examples include limited partnerships and private equity investments.

All of SACS-NYC's investment assets at June 30, 2015 are in certificates of deposit and are classified as Level 1.

Success Academy Charter Schools - NYC

Notes to Financial Statements

Investments are stated at their fair values in the statement of financial position. Net realized gains and losses and net change in unrealized gains and losses for the period are shown in the statement of activities. SACS-NYC's investment portfolio is comprised of investments in certificates of deposit. At June 30, 2015, cost approximates fair value.

(i) Revenue Recognition

SACS-NYC recognizes gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. SACS-NYC reports amounts received with donor stipulations that limit the use of the assets for certain purposes as unrestricted net assets if the stipulated purpose restriction is accomplished in the same year. Contributions of assets other than cash are recorded at their estimated fair value.

Revenue from state and local governments resulting from SACS-NYC's charter status is based on the number of students enrolled, and is recorded when services are performed in accordance with the charter agreement.

(j) Asset Impairment

SACS-NYC evaluates long-term assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. Long-lived assets would be deemed to be impaired if the carrying value of the assets is in excess of its fair value. During the year ended June 30, 2015, SACS-NYC wrote off \$2,292,145 of assets related to website and software.

Revenue from Federal, state and local government grants and contracts is recognized by SACS-NYC when qualifying expenditures are incurred and billable to the government or when required services have been provided.

SACS-NYC recognizes as income donated services that require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if they had not been contributed.

A number of volunteers have made a donated of their time to SACS-NYC to develop its academic programs and to serve on SACS-NYC's Board of Trustees. The value of this contributed time is not reflected in these financial statements since it does not meet the criteria for recognition.

(k) Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been allocated among the respective programs and activities using methodologies developed by management.

(l) Income Taxes

SACS-NYC is exempt from Federal, state and local income taxes under Section 501(c)(3) of the Internal Revenue Code (the "IRC") and, therefore, has made no provision for income taxes in the accompanying financial statements. In addition, SACS-NYC has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the IRC. There was no unrelated business income for the year ended June 30, 2015.

Success Academy Charter Schools - NYC

Notes to Financial Statements

Under ASC 740, "Income Taxes", an organization must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more likely than not that the position will not be sustained upon examination by a taxing authority. SACS-NYC does not believe it has taken any material uncertain tax positions and, accordingly, it has not recorded any liability for unrecognized tax benefits. SACS-NYC has filed for and received income tax exemptions in the jurisdictions where it is required to do so. Additionally, SACS-NYC has filed Internal Revenue Service ("IRS") Form 990 information returns, as required, and all other applicable returns in jurisdictions where so required. For the year ended June 30, 2015, there was no interest or penalties recorded or included in the statement of activities. SACS-NYC is subject to routine audits by a taxing authority. As of June 30, 2015, SACS-NYC was not subject to any examination by a taxing authority. Management believes it is no longer subject to income tax examination for the years prior to June 30, 2012.

(m) Use of Estimates

In preparing financial statements in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reported period. Actual results could differ from those estimates.

(n) Concentration of Credit Risk

SACS-NYC maintains cash and cash equivalent balances in bank deposit accounts, which may exceed Federally insured limits. SACS-NYC has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on its cash and cash equivalent accounts.

3. Property and Equipment, Net

SACS-NYC's property and equipment consist of the following:

June 30, 2015

Renovations and improvements	\$ 16,019,242
Equipment	7,536,714
Software	14,179,250
Furniture and fixtures	6,595,646

4. Investments at Fair Value

The following table shows, by level within the fair value hierarchy, SACS-NYC's financial assets that are accounted for at fair value on a recurring basis as of June 30, 2015. The financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. SACS-NYC's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the asset's placement within the fair value hierarchy levels.

June 30, 2015

	Fair Value Measurement at Reporting Date Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	
Certificates of deposit	\$350,002	\$-	\$-	\$350,002

SACS-NYC has investments in certificates of deposit with original maturities of greater than 3 months from the date of purchase, which SACS-NYC considers to be short-term investments. The certificates of deposit represent interest-bearing cash accounts and are categorized as Level 1 of the fair value hierarchy.

5. Affiliate Transactions

(a) Due to Affiliate

Success Academy Charter Schools, Inc. (the "Network"), a not-for-profit organization dedicated to helping start and manage charter schools, provides management, fundraising, and other administrative support services to SACS-NYC. Pursuant to the terms of the Academic and Business Service Agreement with an effective date of April 21, 2012, SACS-NYC pays the Network an annual fee of equal to the total general full-time equivalent enrollment of students in SACS-NYC multiplied by "the per pupil fee". The per pupil fee shall be equal to 15% of the final and adjusted expense per pupil for Charter Schools in the New York City School district as calculated by the New York State Education Department annually. For operational efficiency and purchasing power, SACS-NYC also shares common expenses with the Network.

For the year ended June 30, 2015, SACS-NYC incurred \$18,323,033 in management fees. The balance due to Network at June 30, 2015 was \$7,805,703. This balance represents expenses paid by the Network on behalf of SACS-NYC, as well as management fees.

(b) Loans Payable

At various dates from July 2012 through June 2015, SACS-NYC entered into borrowing arrangements with the Network totaling \$8,500,000 with annual interest equal to the prevailing interest rate available to the Network as of the date of each advance. The loans and any accrued unpaid interest are due in full within three years of these borrowing arrangements. The loans may be prepaid by SACS-NYC at any time, in whole or in part, without penalty. The proceeds were used to finance SACS-NYC's operations. The outstanding principal balance of the loans at June 30, 2015 was \$8,500,000.

Success Academy Charter Schools - NYC

Notes to Financial Statements

At June 30, 2015, maturities of loans payable are as follows:

Year ending June 30,

2016	\$	-
2017		250,000
2018		2,100,000
2019		2,000,000
2020		2,150,000
Thereafter		2,000,000
		<hr/>
		\$8,500,000

During the year ended June 30, 2015, SACS-NYC recorded interest expense on these loans in the amount of \$85,000.

(c) Loan Guarantee

On October 7, 2014, SACS-NYC signed a loan guarantee for the Network's non-revolving line of credit in the amount of \$7,000,000 with JPMorgan Chase Bank, N.A. (the "Bank"). The balance due to the Bank owed by the Network at June 30, 2015 was \$-0-.

6. Revenue Concentrations

SACS-NYC receives substantially all of its support and revenue from the New York City Department of Education. If the charters of the schools were modified, reducing or eliminating these revenues, SACS-NYC's finances could be materially adversely affected.

7. Shared Space of Facilities

SACS-NYC shares space with various New York City public schools throughout New York City. SACS-NYC is not responsible for rent, utilities, custodial services, maintenance and school safety services. The value of space and related utilities and services cannot be established, therefore, is not recorded in the financial statements.

SACS-NYC is responsible for any related costs for services provided beyond the regular opening hours.

8. Donated Services

During the year ended June 30, 2015, SACS-NYC received legal services at no charge with a fair market value of \$548,477 for the year ended June 30, 2015.

9. Contingency

Certain grants and contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursements. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

Notes to Financial Statements

10. Employee Benefit Plan

SACS-NYC maintains a deferred compensation plan qualified under Section 403(b) of the IRC. SACS-NYC matches up to 3% of eligible employee's annual compensation not to exceed the employee's annual salary deferral amount. SACS-NYC made contributions totaling \$1,438,557 for the year ended June 30, 2015.

11. Temporarily Restricted Net Assets

Temporarily restricted net assets at June 30, 2015 consist of \$220,000 to fund Technology Literacy Program of Success Academy High School Liberal Arts. The net assets released from restriction in the amount of \$2,440,000 for the year ended June 30, 2015 consisted of \$440,000 for the Technology Literacy and \$2,000,000 for the Liberal Arts program expenses of Success Academy High School Liberal Arts.

12. Subsequent Events

SACS-NYC's management has performed subsequent event procedures through October 29, 2015, which is the date the financial statements were available to be issued and there were no other subsequent events requiring adjustment to the financial statements or disclosures as stated herein.

SACS-NYC is in the process of opening two new schools in September 2016, Success Academy Bedford Stuyvesant MS and Success Academy Midtown West. In addition, Success Academy Charter School - Harlem 2 and Success Academy Charter School - Bronx 3 will be divided into elementary and middle schools, bringing a total number of schools operating under SACS-NYC to 37 schools.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

To the Board of Trustees
Success Academy Charter Schools - NYC
New York, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Success Academy Charter School- NYC ("SACS-NYC"), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 29, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered SACS-NYC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of SACS-NYC's internal control. Accordingly, we do not express an opinion on the effectiveness of SACS-NYC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether SACS-NYC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of SACS-NYC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SACS-NYC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Appendix H: Enrollment and Retention Efforts

Success Academy Charter Schools undertake numerous strategies for recruiting and retaining students eligible for the Free and Reduced Price Lunch program (“FRPL”), English Language Learners (“ELL”), and students with special education needs. For the 2014-15 school year, strategies included extensive outreach, including but not limited to:

- Mailings and distributions to residents of the CSD of a school’s location (“in-district residents”), including residents in low-income in-district communities;
- Written applications in five languages (English, Spanish, Chinese, French, and Russian);
- Bilingual flyers dropped in public housing complexes, supermarkets, preschools, and community centers;
- Advertisements and marketing materials (including bilingual advertisements and materials) posted in local newspapers, supermarkets, preschools, community centers, and public housing apartment complexes;
- Tours of existing Success Academy schools; and/or
- Information sessions hosted at public and private venues frequented by families of young children, including daycare and nursery schools.

Success Academy Charter Schools will continue these extensive outreach efforts for the 2015-16 school year, with a focus on reaching typically underserved families within the community, including those targeted by the enrollment and retention targets. Success Academy Charter Schools also work to ensure student retention through strong programs that serve special education, ELL, and FRPL students at a very high level. Further information about our programs and outreach efforts is available in our charter.
