**Mid-Term Site Visits Documents Request**

Dear Names of Board Presidents, Executive Directors, and School Leaders:

The NYSED Charter School Office (CSO) will conduct a mid-term site visit to your school this Spring 2020. Mid-term site visits are formative in nature, and designed to help our staff and your school assess progress toward meeting the renewal standards set forth in the **Charter School Performance Framework** for Board of Regents-authorized charter schools. The mid-term visits are a key component of the **Board of Regents' Oversight Plan** as described in your charter agreement, and the **NYSED Monitoring Plan**.

Before and during the visit, the CSO team will gather and document evidence of the school's performance relative to the Performance Framework benchmarks, identify trends that emerge from the evidence, and summarize into findings. After the site visit, the CSO will provide the school with formative feedback detailing how the school is progressing towards meeting those benchmarks. All information gathered from this and all site visits conducted during the charter term becomes part of the school's record of performance and is used to inform renewal decisions.

To assist you in preparing for and having a better understanding of what to expect during the visit, please review the **Mid-Term Site Visit Protocol** in its entirety. Please note the School Leader Responsibilities and the documents you will need to submit before the site visit. Thank you in advance for the submission of required documents and for your cooperation in planning the site visit. Should you have any questions, please contact your Liaison at 518-474-1762 or by email to [charterschools@nysed.gov](mailto:charterschools@nysed.gov).

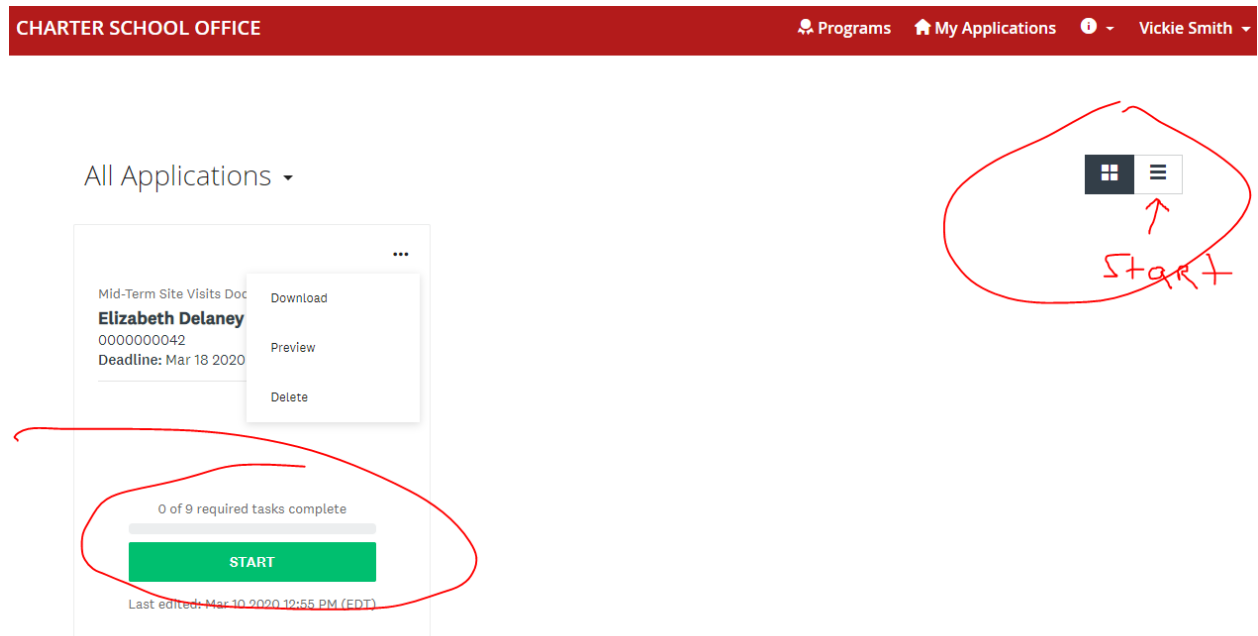

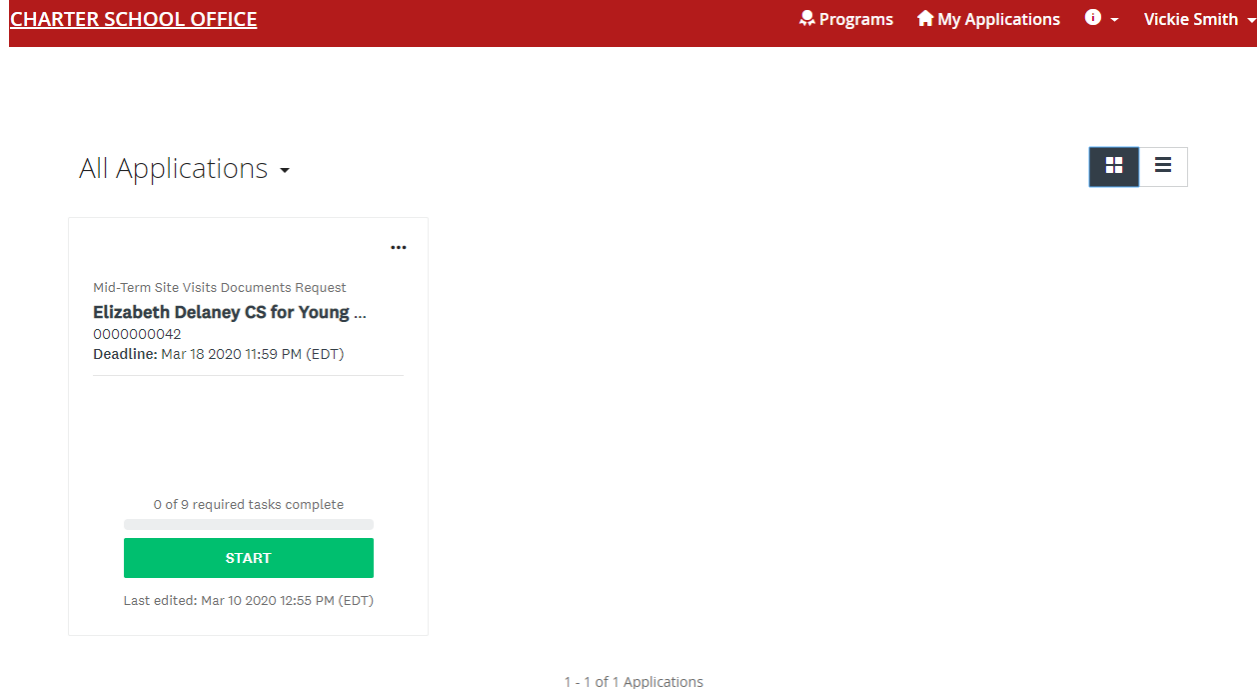

Thank you,  
Performance Oversight Team
