## September 2002 School Accountability Status based on 2001 English language arts (ELA) and mathematics results: Satisfactory - not subject to NCLB interventions.

The graphs below show the school's performance relative to the State standard and school AYP targets (if applicable).

### Grade 4 English Language Arts

Results on this assessment were reported for a combined count of fewer than 20 students over the past two years (2000-01 and 2001-02), which is too few to reliably measure school performance. Therefore, no reliable judgment could be made about this school's status.

### Grade 4 Mathematics

Results on this assessment were reported for fewer than 20 students in 2001-02; therefore, baseline performance (performance over a combined two-year period, 2000-01 and 2001-02) was used to measure performance. Baseline performance is at or above State standard; therefore, this school made AYP under NCLB.
